INDEPENDENT AUDITOR'S REPORT

To the Administrators
Godwin Plumbing, Inc. Employee 401(k)
Profit Sharing Plan
Grand Rapids, MI

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Godwin Plumbing, Inc. Employee 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Godwin Plumbing, Inc. Employee 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United State of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Godwin Plumbing, Inc. Employee 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a

substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Godwin Plumbing, Inc. Employee 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Godwin Plumbing, Inc. Employee 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i Schedule of Assets Held at End of Year as of the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GODWIN PLUMBING, INC. EMPLOYEE 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Note 1 – Description of the Plan

The following description of Godwin Plumbing, Inc. Employee 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a defined contribution plan covering all employees of the Company who have six months of service and are eighteen years of age or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan Administrator.

Contributions

Each year participants may contribute up to 90% of their eligible earnings up to the specific dollar amount determined by Congress. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company made matching contributions of 50% of the employee deferral not to exceed 3% of employee eligible earnings. During the years ended December 31, 2025 and 2024, the company made matching contributions of $176,764 and $159,437 respectively. The Company may also decide to make a non-elective contribution to the Plan, although the Company is not required to do so. The non-elective contribution will be allocated to all employees eligible to participate in the Plan employed by the Company on December 31. If employment terminated prior to December 31 due to death, disability, the plan's normal or early retirement age, employees otherwise eligible will receive their matching contribution and/or non-elective contribution.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting of benefits

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the company's matching and discretionary contributions follows the modified vesting schedule based on years of service. A participant whose entry date into the plan is after October 21, 2022 is fully vested after 5 years of service. Participants whose entry dates into the plan are prior to October 21, 2022 will be 100% vested in all accounts at all times.

Investment Options

The Plan permits every participant to direct the investment of his account balance under the Plan within the investment direction options provided to employees at their request.

GODWIN PLUMBING, INC. EMPLOYEE 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

Note 1 – Description of the Plan, Continued

Forfeitures

Forfeited nonvested accounts may be used to offset Plan administrative expenses or reduce the Employer's contributions. There was no use of forfeitures to offset expenses or contributions for the years ended December 31, 2025 and 2024. As of December 31, 2025 and 2024, available forfeited nonvested accounts totaled $5,011 and $3,904, respectively.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in the Wall Street Journal on the 1st of each month plus one percentage point. Loans must be fully repaid through payroll deductions within five years unless the loan is used for the purchase of their primary residence, in which case the period of repayment is extended to no more than 15 years.

Payment of benefits

On termination of service due to death, disability or retirement a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or, if the vested balance exceeds $5,000, annual installments for a specified period of time not exceeding the life expectancy or the joint life expectancy of the participant and his designated beneficiary. In the case of death, benefit payment election generally must complete distribution of the account balance within five years of death. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the modified cash method of accounting which differs from the cash method primarily in the recognition of contributions and investment income.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Note 2 – Summary of Significant Accounting Policies, Continued

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and the Custodian.

Interest and dividends are recognized when paid. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances. Interest income is recorded on the modified cash basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of benefits

The Plan records benefits when paid.

Plan administration

The Company is the Plan Administrator, and as such, controls and manages the operations of the Plan. The Plan's assets are maintained by Empower Trust Company, LLC (Empower or Custodian) as of and for the years ended December 31, 2025 and 2024. The Custodian invests cash received, interest and dividend income and makes distributions to participants (subject to the direction of participants).

The Plan allows certain administrative expenses to be paid from Plan assets.

Date of Management's Review

The Plan evaluated events occurring subsequent to December 31, 2025 through September 24, 2026, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets
b. Quoted prices for identical or similar assets or liabilities in inactive markets
c. Inputs other than quoted prices that are observable for the asset or liability
d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025, and 2024.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds – The investments underlying the common/collective trust fund investments generally include shares of common stock and fixed income investments whose values are determined based on quoted prices in an active market. The Plan's common/collective trust fund investments are valued based on NAV per share or unit as a practical expedient as reported by the fund manager, multiplied by the number of shares or units held as of the measurement date. Accordingly, these NAV-based investments have been excluded from the fair value hierarchy.

No Level 2 or 3 inputs were available to the Plan.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2025, and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Note 3 - Fair Value Measurements, Continued

Assets Measured at Fair Value on a Recurring Basis at December 31, 2025

	LEVEL 1	TOTAL FAIR VALUE
Mutual Funds	$ 8,944,381	$ 8,944,381
Total assets in fair value hierarchy	8,944,381	8,944,381
Investments measured at net asset value*	-	448,345
Investments at fair value	$ 8,944,381	$ 9,392,726

Assets Measured at Fair Value on a Recurring Basis at December 31, 2024

	LEVEL 1	TOTAL FAIR VALUE
Mutual Funds	$ 7,439,657	$ 7,439,657
Total assets in fair value hierarchy	7,439,657	7,439,657
Investments measured at net asset value*	-	478,724
Investments at fair value	$ 7,439,657	$ 7,918,381

*Common collective trust fund investments are measured at fair value using the net asset value (or its equivalent) and have not been categorized in the fair value hierarchy.

Transfers between Levels: there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3 for years ended December 31, 2025 and 2024.

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025 and 2024.

December 31, 2025	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Common collective trust funds	$ 448,345	n/a	Daily	None

December 31, 2024	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Common collective trust funds	$ 478,724	n/a	Daily	None

Note 4 – Tax Status

The Company has adopted Empower Retirement, LLC Defined Contribution Prototype Plan and Trust. The prototype plan sponsor has obtained an opinion letter dated November 14, 2022 issued by the Internal Revenue Service evidencing that the Plan is acceptable under applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the prototype Plan sponsor, the Plan administrator, and the Plan's counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan's management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax periods in progress.

Note 5 - Information Prepared and Certified by the Trustee (Empower Trust Company, LLC)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by the Trustee and furnished to the Plan. The Plan has obtained certifications from the Trustee as of December 31, 2025 and 2024 and for the periods January 1, 2025, through December 31, 2025 and January 1, 2024 through December 31, 2024, that such information is complete and accurate.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustees:

	2025	2024
Investments, at fair value:		
Mutual funds	$ 8,944,381	$ 7,439,657
Common collective trust funds	$ 448,345	$ 478,724
Cash and cash equivalents	$ 5,011	$ 3,904
Notes receivable - participants	$ 41,213	$ 48,373
Investment Income	$ 1,343,778	$ 821,461

Note 6 - Party-In-Interest Transactions

Certain administrative costs are paid by the Company, such as the audit fee and general bookkeeping expenses. Additionally, plan assets are in investment funds managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Note 7 - Plan Termination

While it has not expressed any intent to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

Note 8 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
