FHCer Employee Stock Ownership Plan

We have audited the financial statements of FHCer Employee Stock Ownership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended June 30, 2025, and have issued our report thereon dated October 13, 2026. Professional standards require that we communicate to you the following information related to our audit.

PART I – REQUIRED COMMUNICATIONS

Our Responsibility under U.S. Generally Accepted Auditing Standards (U.S. GAAS)

As stated in our engagement letter dated January 17, 2026, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities related to the preparation and fair presentation of the financial statements.

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements, as described by professional standards, is to evaluate the presentation of the ERISA-required supplemental schedule in relation to the financial statements as a whole and to report on whether the ERISA-required supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Significant Risks

According to U.S. GAAS, significant risks include management override of controls. Accordingly, we have considered this a significant risk. In addition to this risk, we have identified valuation of FHC, Inc., the Plan’s Sponsor, common stock as a significant risk.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was management's estimate of the fair value of the investment in the Plan Sponsor common stock, which is derived from an independent valuation study. We evaluated the key factors and assumptions used to develop the valuation estimate to determine that they are reasonable in relation to the financial statements as a whole. In connection with our evaluation, we utilized an internal valuation specialist.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements is the disclosures of the fair value measurement of investments in Note 6 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit. However, our audit encountered significant delays due to the timing of receiving certain information from Principal Financial Group and Principal Financial Group not providing certain audit requests. It's our understanding that these matters resulted from Principal Financial Group's acquisition of Ascensus' employee stock benefit plan line of business that previously provided certain administrative services to the Plan and their inability to receive certain information from Ascensus without incurring significant costs. Regarding not receiving certain audit requests, we were able to perform alternative audit procedures to satisfy our audit requirements.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We did not identify any known or likely misstatements during our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the attached management representation letter.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditor. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matter

With respect to the ERISA-required supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the ERISA-required supplemental schedule to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

PART II – INTERNAL CONTROL MATTERS

In planning and performing our audit of the financial statements of the Plan as of and for the year ended June 30, 2025, in accordance with U.S. GAAS, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of Plan management and those charged with governance and is not intended to be, and should not be, used by anyone other than these specified parties. We appreciate the assistance and cooperation extended to us by the management and employees of FHC, Inc. during the performance of our engagement.

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of FHCer Employee Stock Ownership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (collectively, the "financial statements").

The purpose of the audit is to express an opinion on whether the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2025 and 2024, and changes in its net assets available for benefits for the year ended June 30, 2025, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of 10/13/2026, the following representations made to you during your audits.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated January 17, 2026, including our responsibility for the preparation and fair presentation of the financial statements.

b. Intentions to terminate the Plan.

26. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

27. The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

28. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are appropriately disclosed in the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

29. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurement. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.

30. All required amendments to and filings of plan documents with the appropriate agencies have been made.

The Plan obtained its latest determination letter on July 20, 2021, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

31. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan and trust. The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status.

32. The Plan has complied with the fidelity bonding requirements of ERISA.

33. There have been no communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

34. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

Sincerely,

FHCer Employee Stock Ownership Plan
