INDEPENDENT AUDITOR'S REPORT

To 401(k) Plan Committee of
the OPRW 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The OPRW 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a Delinquent Participant Contributions (modified cash basis) for the year ended December 31, 2025 and Schedule H, Line 4i- Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The OPRW 401(k) Plan

December 31, 2025 and 2024

1. Description of the Plan

The following description of the OPRW 401(k) Plan, (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan that was established on January 1, 1989 by Proformance Associates, Inc. (the "Company") covering all eligible employees of the Company and participating employers as defined in the Plan agreement. Certain classes of employees as defined in the Plan agreement are excluded from plan participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

A Plan Committee manages the operation and administration of the Plan, including the appropriateness of the Plan's investment offerings and investment performance. The Company has contracted with Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) to act as trustee and custodian, and with Empower Annuity Insurance Company of America (formerly Great-West Life & Annuity Insurance Company) (collectively referred to as "Empower") to hold the assets of the Key Guaranteed Portfolio Fund. Empower acts as record-keeper to process and maintain the records of participant data.

The SECURE 2.0 Act of 2022 ("SECURE 2022") was passed into law in December 2022. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE act. Since the provisions include both required and optional elements, the Plan administrator will determine provisions which will impact the operation of the Plan.

Contributions
Participants may reduce compensation by a specific percentage or dollar amount on a pre-tax basis as an elective deferral to the maximum amount by law. Employees are eligible to participate in elective deferrals upon three months of service and after the attainment of age 18. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also make rollover contributions.

The Plan allows for an employer discretionary matching contribution and/or an employer discretionary nonelective contribution subject to certain eligibility requirements. There were no employer contributions made for the year ended December 31, 2025.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts
Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution (if any), an allocation of the discretionary nonelective contribution (if any), plan earnings and losses, and plan expenses as applicable to the Plan. Allocations of the discretionary nonelective contribution are based on participant compensation. Allocations of plan earnings and losses are based on individual participant investment choices. All contributions/investments are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their elective deferrals, catch-up contributions, rollover contributions, and actual earnings thereon. Vesting in the discretionary matching contribution and the discretionary nonelective contribution and earnings is based on years of credited service based on the following schedule: 40% after two years, 60% after three years, 80% after four years, and full vesting after five years. Participants become fully vested in the event of death, disability, retirement age, or plan termination.

1. Description of the Plan (Continued)

Forfeited Accounts
At December 31, 2025 and 2024 forfeited nonvested accounts totaled $3,919 and $1,769, respectively. Forfeited accounts are used to reduce plan expense and future employer contributions.

Notes Receivable from Participants
In accordance with the Plan loan administration policy, participants requesting a loan may borrow from their accounts at a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The maximum number of the Plan loans outstanding at one time is one. The loans are secured by the balance in the participant's account. Loans bear interest at 1 percent over the Prime Rate. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits
Upon the satisfaction of certain distributable events, participants or their beneficiaries may elect to receive their vested account balance and are paid in accordance with plan provisions. The Plan will make a mandatory distribution following severance of employment for a maximum amount of $5,000 for employees who have not reached retirement age. In-service distributions are permitted upon attaining the age of 59 ½. Hardship withdrawals are permitted in accordance with Plan provisions and IRS regulations for participants who demonstrate an immediate and heavy financial need.

2. Significant Accounting Policies

Basis of Accounting
The accompanying financial statements have been prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles ("GAAP"). Under the modified cash basis of accounting, investments are recorded at fair value, interest and dividend income are recognized when received and benefit payments and contributions are recorded as the cash is paid or received. Administrative expenses are recorded when paid.

Use of Estimates
The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Certified Investments
Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2025 and 2024, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Empower.

Investment Valuation and Income Recognition
Investments are reported at fair value or net asset value ("NAV"). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements and NAV are described in Note 3. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Under the modified cash basis of accounting, notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are recorded as a distribution as defined by the Plan.

2. Significant Accounting Policies (Continued)

Payment of Benefits
Benefits are recorded when paid.

Excess Contributions
The Plan is subject to certain nondiscrimination requirements under the Internal Revenue Code ("IRC"), including limitations on contributions. For the year ended December 31, 2025, contributions in excess of those limitations totaled $50,779. These excess contributions were refunded to the applicable participants subsequent to year end but prior to the issuance of these financial statements. Under the modified cash basis of accounting, these excess contributions refundable have not been recognized on the face of the financial statements.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. In 2025, certain investment advisory fees were paid by the Plan through the Plan expense account which is funded through revenue generated from plan investments.

3. Fair Value Measurements

The Fair Value Measurements Topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1	Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
Level 2	Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
Level 3	Unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 .

Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are SEC registered. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Key Guaranteed Portfolio Fund is described in Note 4. The values for fixed annuity options are reported daily based on the valuation described in the annuity contract and calculated by the annuity provider. Due to the valuation process described, the fund is reported at Level 2.

Price/unit values for variable annuity investment options are calculated daily by the annuity provider according to the methods described in the annuity contract. Due to the valuation process, the options are reported at Level 2.

3. Fair Value Measurements (Continued)

Collective trust funds are valued at NAV per share practical expedient and are obtained directly from the fund house or other investment provider. These investments are redeemable at NAV in the near term, with specific redemption restrictions for withdrawals in excess of $1,000,000. The NAV is calculated in a manner consistent with the measurement principles of fair value. Investments measured using the NAV per share practical expedient are not categorized within the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following information was obtained from data that has been prepared and certified as complete and accurate by Empower. The table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2025 and 2024:

December 31, 2025

	Level 1	Level 2	Level 3	Total
Assets at fair value:				
Mutual funds	$ 5,959,951	$ -	$ -	$ 5,959,951
Key Guaranteed Portfolio Fund	-	841,309	-	841,309
Variable annuities	-	1,827,088	-	1,827,088
Total assets at fair value	$ 5,959,951	$ 2,668,397	$ -	$ 8,628,348
Collective trust funds measured at NAV practical expedient				2,389,941
Total investments	$ 5,959,951	$ 2,668,397	$ -	$ 11,018,289

December 31, 2024

	Level 1	Level 2	Level 3	Total
Assets at fair value:				
Mutual funds	$ 4,785,856	$ -	$ -	$ 4,785,856
Key Guaranteed Portfolio Fund	-	1,213,355	-	1,213,355
Variable annuities	-	1,661,275	-	1,661,275
Total assets at fair value	$ 4,785,856	$ 2,874,630	$ -	$ 7,660,486
Collective trust funds measured at NAV practical expedient				2,630,346
Total investments	$ 4,785,856	$ 2,874,630	$ -	$ 10,290,832

4. Key Guaranteed Portfolio Fund

The Plan entered into a fixed annuity contract for the Key Guaranteed Portfolio Fund ("KGPF") with Empower which maintains the contributions in a general account. Interest is earned and compounded daily to the effective annual interest rate as determined by Empower. Because the KGPF is considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the KGPF. Contract value approximates fair value as of December 31, 2025 and 2024.

For the KGPF, there are no unfunded commitments and the units can be redeemed daily. There is a twelve month redemption notice for this fund which can be enforced by Empower. Either party to the Group Annuity Contract may terminate the contract with at least 60 days advance written notice to the other party. Certain events as described in the contract limit the ability of the Plan to transact at contract value with the issuer. At this time, no events are probable of occurring that might limit the ability of the Plan to transact at contract value with Empower or with participants. There are no reserves against contract value as of December 31, 2025 and 2024.

5. Plan Termination

Although the Company intends to maintain the Plan indefinitely, the Company reserves the right to terminate the Plan at any time. Upon termination of the Plan, no further contributions will be made to the Plan and all amounts credited to participant accounts will be become fully vested. The Company will direct the distributions of participant accounts in a manner permitted by the Plan as soon as practicable.

6. Tax Status

The Plan has adopted a pre-approved plan document sponsored by Empower. The pre-approved plan received a favorable opinion letter from the Internal Revenue Service dated November 14, 2022, which states that the form of the plan is acceptable under the IRC for use by employers for the benefit of their employees. The Plan has not requested its own determination letter. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and tax exempt.

The Company has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Parties-in-Interest

Certain investment programs are made available and managed by Empower Funds, Inc., a related entity of Empower. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These are considered parties in interest transactions; however, they are exempt from the prohibited transaction rules under ERISA. All transactions that may be considered parties-in-interest transactions relate to normal plan management, recordkeeping, administrative services and the payment of fees.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

9. Nonexempt Transactions

During the year ended December 31, 2025, certain participant contributions of $13,189 were not remitted to the Plan within the time frame specified by the Department of Labor's regulations (a prohibited transaction). The contributions have since been deposited and the lost earnings are being assessed by management and the custodian as of October 14, 2026, which is the date the financial statements were available to be issued. All delinquent contributions have been reported on the Schedule H, line 4a-Schedule of Delinquent Contributions, included with the Form 5500 filing.

10. Subsequent Events

Subsequent events have been evaluated through October 14, 2026, which is the date the financial statements were available to be issued.

Effective June 1, 2026, the Plan was amended to incorporate provisions prescribed by SECURE 2.0 and related IRS guidance and to add a new participating employer to the Plan. The amendment related to SECURE 2.0 did not change the Plan's tax status or result in a change in the Plan's financial position. The addition of the new participating employer did not result in a transfer of assets, an assumption of liabilities, or the transfer of participant accounts with prior vested balances to the Plan.
