Trustees and Participants
AV3, Inc. 401(k) & Profit Sharing Trust
Mechanicsville, Maryland

We have audited the financial statements of the AV3, Inc. 401(k) & Profit Sharing Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), for the year ended December 31, 2025, and will issue our report thereon dated October 13, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to statements or information related to assets held for investment of the Plan (investment information) by Principal Life Insurance Company or Delaware Charter Guarantee and Trust Company, doing business as Principal Trust Company, qualified institutions that prepared and certified the investment information in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the related disclosures to assess whether they comply with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and certain information related to the planned scope and timing of our audit. We communicated such information in our engagement letter. Professional standards also require that we communicate the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> Management's estimate of the fair value of investments is based on quoted market prices and net asset values provided by fund administrators. We evaluated the key factors and assumptions used in determining fair value and found them reasonable in relation to the financial statements taken as a whole. There were no other significant estimates affecting the financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was (were):

> The fair value measurements disclosure in Note 7 is significant because the Plan's investments include mutual funds valued using quoted market prices and common/collective trusts and pooled separate accounts measured using net asset value as a practical expedient.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report.

The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We noted no material inconsistencies.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We identified no corrected or uncorrected misstatements during the audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. These discussions occurred in the normal course of our professional relationship, and our responses were not a condition of our retention. We identified no other significant audit findings or issues requiring communication.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of Board of Trustees of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,
Lombardo Ayers & Company, LLC
