Report of Independent Auditors

Plan Advisory Committee
South Carolina Pediatric Alliance, LLC 401(k) Profit Sharing Plan

Scope and Nature of the Employee Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the South Carolina Pediatric Alliance, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

Opinion (continued)

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Plan Advisory Committee
South Carolina Pediatric Alliance, LLC 401(k) Profit Sharing Plan

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with accounting principles generally accepted in the United States. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2025 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the 2025 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (continued)

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

South Carolina Pediatric Alliance, LLC 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2025 and 2024

1. Description of Plan

The following description of the South Carolina Pediatric Alliance, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants may refer to the Plan's documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of South Carolina Pediatric Alliance, LLC (the "Company"). The Plan has been restated and amended, as necessary, to maintain its exemption from Federal income taxes under Section 501(a) of the Internal Revenue Code ("IRC"), to comply with the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA"), and to help achieve the business objectives of the Company.

Eligibility of Participants

Substantially all employees who are twenty-one years of age and have completed one year of service, as defined by the Plan's documents, are eligible to participate in the Plan.

Participant Accounts

Individual accounts are maintained for each participant reflecting employee and employer contributions, investment income or losses, distributions, and plan expenses. Participants direct their funds into various investment options offered by the Plan. Earnings or losses are allocated by fund based on the ratio of a participant's investments in that fund. The benefit to which a participant is entitled is the benefit that could be provided from the participant's account.

Contributions

Participants may contribute up to 100% of their eligible compensation, within the legal limits allowable under the law, to the Plan. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified benefit plans. Under the Plan's safe harbor provisions, the Company must make a 3% nonelective contribution. The Company made safe harbor nonelective contributions to the Plan of approximately $406,000 and $447,000 during the years ended December 31, 2025, respectively. Discretionary matching and profit-sharing contributions may also be made to the Plan at the option of the Company's board of directors. The Company made discretionary profit-sharing contributions to the Plan of approximately $545,000 and $614,000 during the years ended December 31, 2025, respectively. No discretionary matching contributions were made during the years ended December 31, 2025.

1. Description of Plan (continued)

Vesting

Participants are 100% vested in their participant, safe harbor nonelective, and discretionary profit sharing contributions and actual earnings or losses thereon. Participants are 100% vested in discretionary matching contributions after three years of continuous service. A participant's account is 100% vested under the Plan upon death or total and permanent disability of the participant regardless of years of service.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in discretionary matching contributions.

Payments of Benefits

Upon termination of service due to death, disability, or retirement, a participant may, subject to certain conditions, elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a specified period. If a participant's vested account balance does not exceed $5,000, the Plan may automatically distribute the participant's vested account balance in a lump sum. Also, subject to certain conditions, a participant may receive hardship withdrawals from his or her balance in the Plan while employed. Participants who have attained 59½ years of age are permitted to withdraw all or part of their vested accounts as in-service distributions.

Forfeited Accounts

The Plan's provisions allow unallocated forfeited non-vested accounts to be used to reduce plan expenses and employer contributions. No forfeitures were used to reduce administrative expenses or employer contributions during the years ended December 31, 2025. There were no forfeited non-vested accounts at December 31, 2025.

Administrative Expenses

Certain administrative expenses are charged to individual participants' accounts. The Plan pays recordkeeping and certain professional fees. All administrative fees not paid by the Plan are paid by the Company.

2. Basis of Presentation and Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States ("US GAAP").

Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risk and Uncertainties

The Plan invests in investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2025 statement of net assets available for plan benefits.

Payment of Benefits

Benefits are recorded when paid.

3. Trustee Certifications

Information disclosed in the accompanying financial statements as of and for the years ended December 31, 2025, related to investments, net appreciation in fair value of investments, and interest and dividends, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Ascensus, as agent for Ascensus Trust Company (the trustee of the Plan).

4. Fair Value Measurements

The methods used to measure fair values may produce amounts that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in a different fair value measurement at the reporting date.

US GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs to the valuation methodology are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair values of its investments. All of the Plan's mutual fund investments are valued using Level 1 inputs, based on quoted market prices.

The Plan invests in a collective trust where the underlying investments primarily consist of investment contracts and security-backed contracts. The collective trust is valued at the net asset value ("NAV") of units of the accounts. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. The NAV of each account is based on the fair value of the underlying investments held less the account's liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the trust, the trust provider reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations are carried out in an orderly business manner.

5. Party-in-Interest Transactions

At December 31, 2025, the Plan held units in certain mutual funds managed by The Vanguard Group, Inc. ("Vanguard"). Vanguard is a service provider to the Plan. Fees paid by the Plan to Vanguard as well as trustee and recordkeeping services paid to the trustee amounted to approximately $19,000 and $22,000 for the years ended December 31, 2025, respectively. These transactions, which qualify as party-in-interest transactions, are exempt from the prohibited transactions rules as defined by ERISA.

6. Income Tax Status

The Plan is a standardized prototype plan designed to be in compliance with the applicable requirements of the IRC. The Internal Revenue Service ("IRS") has determined by a letter dated June 30, 2020, that the prototype plan, as then designed, was in accordance with applicable sections of the IRC. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

During 2024, operational errors occurred related to missed employee deferrals. A corrective contribution, including lost earnings, was made in 2025 related to the 2024 operational errors. Additionally, during 2025, operational errors occurred related to employer safe harbor non-elective contributions made to certain participants in excess of the Plan's formula, as well as to certain employees who were not eligible to participate in the Plan. As of the date the financial statements were available to be issued, management had not quantified the impact of these operational errors on the Plan's financial statements. Management will take the necessary steps to correct these errors in 2026 to preserve the Plan's tax-exempt status.

US GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities were identified at December 31, 2025. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.
