INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Greene Group Industries 401(K) Plan
Port Huron, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ***Greene Group Industries 401(K) Plan,*** an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ***Greene Group Industries 401(K) Plan's*** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ***Greene Group Industries 401(K) Plan*** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ***Greene Group Industries 401(K) Plan's*** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain and understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ***Greene Group Industries 401(K) Plan's*** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ***Greene Group Industries 401(K) Plan's*** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express and opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Supplemental Schedule Required by ERISA (continued)

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of ***Greene Group Industries 401(K) Plan*** (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Greene Group Industries, LLC (Plan Sponsor) who have three months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and various other laws and regulations subsequently enacted by Congress.

Plan Contributions

Employees may elect to contribute from 1% to 90% of their compensation (subject to IRS limitations), on a pre-tax basis into the Plan. Plan participants also have the option of contributing on a post-tax basis (Roth elective deferrals). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Beginning in 2025, plan participants ages 60-63 may make super catch-up elective deferral contributions in a taxable year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan Sponsor provides a discretionary matching contribution of 50% of the employee's contribution to the Plan. Participants who have not completed a salary deferral agreement or have not specifically declined to enroll in the Plan within 30 days of becoming eligible are automatically enrolled at a deferred rate of 4% of eligible earnings. The automatic deferral increases by 1% annually to a maximum of 8%.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, common/collective trusts, and a group annuity contract fund as investment options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution, (b) Plan earnings (losses), and (c) Plan administrative expenses. Allocations are based on account balances as defined by the Plan.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. Employer matching contributions and earnings thereon are vested at the rate of 20% per year of service. A participant is 100% vested after five years of service.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

Forfeited non-vested accounts of terminated participants are used to offset current employer matching contributions. Forfeitures used to offset employer matching contributions totaled $24,426 and $15,985 during the years ended December 31, 2025 and 2024, respectively.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of $500 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 2%. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits

Upon termination of service, a participant will normally receive a lump sum amount equal to the participant's vested interest in his or her account. Alternate forms of distribution include partial withdrawals, rollover distributions or installment payments. In-service distributions are allowed as governed by the Plan document.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment valuation

Investments are reported at fair market value (except for the fully benefit-responsive group annuity contract which is reported at contract value) which are valued at quoted market prices as of the last business day of the reporting period as certified to the Plan Administrator by the Plan trustee. Purchases and sales of securities are recorded as of the trade date. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are valued at their outstanding balances, which approximates fair value. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Plan Assets

Plan assets are held in a trust account managed by the Plan Trustee, Empower Retirement Services.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Amounts paid by the Plan were $48,375 and $41,697 for the years ended December 31, 2025 and 2024, respectively.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEE

The following is a summary of the Plan financial information and data certified by the trustee, Empower Retirement Services, in accordance with Section 29CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 as of and for the years ended December 31, 2025 and 2024:

	2025	2024
Investments:		
Common/collective trusts, at fair value	$ 5,714,685	$ 5,396,896
Group annuity contract, at contract value	20,257	101,641
Registered investment companies, at fair value	1,558,130	1,628,055
Investments, at end of year	$ 7,293,072	$ 7,126,592
Notes receivable from participants	$ 137,010	$ 114,155
Income:		
Net appreciation in fair value of investments	$ 874,652	$ 712,234
Interest and dividends	134,296	67,596
Interest income on notes receivable from participants	10,549	7,559
	$ 1,019,497	$ 787,389

NOTE 4 - TAXABLE STATUS OF PLAN

The Plan follows a prototype plan, which has obtained a favorable tax determination letter from the Internal Revenue Service in November 2001. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's Form 5500 is subject to examination by the Internal Revenue Service; plan years that remain open for examination include the years ended December 31, 2022 and later. Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 – RECONCILIATION BETWEEN FINANCIAL STATEMENTS AND FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 at December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 7,430,082	$ 7,240,747
Deemed distributions of participant loans	(1,424)	(3,189)
Net assets available for benefits per Form 5500	$ 7,428,658	$ 7,237,558

The following is a reconciliation of total additions per the financial statements for the years ended December 31, 2025 and 2024 to Schedule H of Form 5500:

	2025	2024
Total additions per the financial statements	$ 2,261,757	$ 1,752,963
Contributions	--	26,450
Total additions per Schedule H of Form 5500	$ 2,261,757	$ 1,779,413

NOTE 6 – RECONCILIATION BETWEEN FINANCIAL STATEMENTS AND FORM 5500 (CONTINUED)

	2025	2024
Total deductions per the financial statements	$ 2,072,422	$ 567,023
Change in deemed distributions of participant loans	(1,765)	--
Total deductions per Schedule H of Form 5500	$ 2,070,657	$ 567,023

In late 2021, the Plan switched custodians to Empower Retirement Services. During the conversion process, the auto increase provision of the Plan was turned off which resulted in $26,450 of qualified non-elective contributions and related earnings and employer match. This amount was reported as a contribution receivable on the statements of net assets available for benefits as of December 31, 2023. This amount was reflected on Schedule H of the Form 5500 during 2024 when the contribution was made.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are sponsored by the Plan Trustee, Empower Retirement Services. Total investments held by the Trustee at December 31, 2025 and 2024 that are party-in-interest transactions under ERISA amounted to $20,257 and $101,641, respectively. Party-in-interest transactions under ERISA include the issuance of participant loans and fees paid to service providers for plan operation and investment activity. Total expenses paid by the Plan to Empower were $18,535 and $13,984 during the years ended December 31, 2025 and 2024, respectively. These transactions are party-in-interest transactions that are exempt from the prohibited transactions rules under ERISA.

NOTE 8 – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive investment contract with Empower Annuity Insurance Company of America (Empower). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Because the group annuity contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

NOTE 8 – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with Empower. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (e) premature termination of the contract.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The average yield earned by the Plan for the group annuity contract is derived by averaging the quarterly gross interest rates for the fund over the year. The actual average yield earned by the Plan for the group annuity contract is derived by averaging the Plan's quarterly interest rates. The average for 2025 and 2024, was 1.45% and 1.41%, respectively.

The group annuity contract does not have a specified maturity date.

NOTE 9 - FAIR VALUE MEASUREMENTS

Certain Plan investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Topic 820, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs on the hierarchy consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs on the hierarchy are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. Registered investment companies are valued at the daily closing price as reported by the fund and are deemed to be actively traded. The registered investment companies investments held by the Plan are open-end mutual funds that are registered with the SEC. The valuation methodology used for fair value measurements of common/collective trust accounts is net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments held by the fund less its liabilities. As of December 31, the Plan's investments measured at fair value consisted of the following instruments and classifications within the fair value hierarchy.

	Quoted Prices In Active Markets for Identical Assets (Level I)	Other Observable Inputs (Level II)	Unobservable Inputs (Level III)	Total at December 31, 2025
Investments at fair value:				
Registered investment companies	$ 1,558,130	$ --	$ --	$ 1,558,130
Total assets in the fair value hierarchy	$ 1,558,130	$ --	$ --	$ 1,558,130

(1) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per unit (or its equivalent) practical expedient method have not been classified in the fair value hierarchy. Common collective trusts are valued at the net asset value of units of the common collective trust investment as reported by the fund. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits. There are no restrictions as to the redemption of these investments, nor does the Plan have any contractual obligations to further invest in.

NOTE 10 – SUBSEQUENT EVENTS

Subsequent events were evaluated through October 9, 2026 which is the date the financial statements were available to be issued.
