Independent Auditor's Report

To the Board of Trustees of
Allen Health - Local 389 Home Care Health Benefit Fund:

Opinion

We have audited the financial statements of Allen Health - Local 389 Home Care Health Benefit Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits - cash basis as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits - cash basis for the years then ended, and the related notes to the financial statements - cash basis.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits - cash basis of Allen Health - Local 389 Home Care Health Benefit Fund as of December 31, 2025 and 2024, and the changes in its net assets available for benefits - cash basis for the years ended December 31, 2025 and 2024, in accordance with cash basis of accounting, described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allen Health - Local 389 Home Care Health Benefit Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Allen Health - Local 389 Home Care Health Benefit Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allen Health - Local 389 Home Care Health Benefit Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Allen Health - Local 389 Home Care Health Benefit Fund
Notes to Financial Statements - Cash Basis
December 31, 2025 and 2024

1. Description of Plan

The following description of Allen Health - Local 389 Home Care Health Benefit Fund (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established March 1, 2012, pursuant to the terms of the Collective Bargaining Agreement (the “Agreement”) between Local 389, District Council No. 1707, Community and Social Service Agency Employees Union, American Federation of State, County and Municipal Employees, Home Care Employees, AFL-CIO (the “Union”), and Health Acquisition Corporation dba Allen Health Care Services (the “Employer”).

The Plan provides health and related benefits to eligible full-time and part-time personal care aides and home health care aides of the Employer, excluding all other employees, such as office clerical employees and guards, technical employees, temporary employees, professional employees, and supervisors as defined under the National Labor Relations Act. Plan assets are held in a trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Empire Blue Cross-Blue Shield HMO (“BCBS”) provided medical coverage from January through February 2024 and S&S HealthCare provided medical coverage beginning March 2024. BCBS provides dental and vision coverage.

On June 30, 2025, the Board of Trustees amended the Trust Agreement to clarify that the Fund operates as a Voluntary Employee Benefit Association, effective retroactively beginning March 1, 2012.

Plan Administration

The Plan is governed by the Board of Trustees consisting of an equal number of representatives of the Employer and the Union. The Plan engaged Boon Administrative Services, Inc. to provide third-party administrator services to the Plan.

Payment of Benefits

The Plan provides health benefits such as medical, vision and dental. Medical, vision and dental benefits are provided through a health maintenance organization.

Participants who lose their health care coverage due to a change in active work status or a reduction in work hours are entitled to continue their coverage under the Consolidated Omnibus Budget Reconciliation Act.

Effective March 1, 2024, the Trustees approved and implemented a Core Minimum Value Plan, restructuring the benefits provided by the Plan in order ensure ongoing financial viability.

Contributions

Contributions are made as required by the Agreement.

Eligible participants pay a weekly co-premium via payroll deductions by the Employer. This contribution is a reimbursement to the Employer for its expenses related to the Plan and therefore is not paid into the Plan.

New York State Health Department Grant

On July 3, 2025, the Plan received $3,051,130 from the Employer pursuant to a New York State Department of Health grant for restoration of health plan coverage expenses for union members.

Eligibility
Prior to March 1, 2024, the minimum eligibility criteria to participate in the Plan are determined as follows:

- Initial eligibility, effective January 1, 2015, is based on a look-back period of three months during which period a participant must perform at least 300 total hours of paid service. Eligibility of participants whose first date of paid service is June 22, 2014, or earlier, will be determined based on hours worked during 13-week payroll periods.
- For participants whose first date of paid service is on or after June 23, 2014, the 13-week initial measurement period is initially measured based on a set measurement period commencing no more than 28 days after their first date of paid service.
- To maintain enrollment participants must remit the required weekly co-premium and maintain employment with the Employer.

Effective March 1, 2024, the minimum eligibility criteria to participate in the Plan are determined as follows:

- Initial eligibility, effective March 1, 2024, is based on a look-back measurement period of three (3) months (defined as thirteen (13) consecutive payroll weeks) during which period an employee must perform at least 390 total hours of paid service. An exception is if a participant has been continuously covered under the Plan since before February 1, 2024, in which case the minimum total number of hours of paid service that must be performed is 300 hours.
- Measurement periods for newly hired employees begin with the first pay date of the month following the date of the employee's first paid service. Coverage is then available after the completion of a 3-month measurement period followed by a 1-month administrative period.
- Measurement periods for ongoing employees begin the first pay dates of January, April, July, and October, and coverage begins (or continues) on the first of the month following the completion of a 3-month measurement period followed by a 2-month administrative period.
- To maintain enrollment, participants must remit the required weekly co-premium and maintain employment with the Employer.

Administration Fees
The Plan pays administrative expenses that consist primarily of administrative fees paid to its third-party administrator and professional fees (legal and audit fees). These expenses are reported on the statements of changes in net assets available for benefits - cash basis as administrative expenses.

2. Summary of Accounting Policies

Basis of Accounting
The financial statements have been prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Contributions and grant income are recognized when cash is received rather than when earned. Administrative expenses are recognized when paid rather than when the obligations are incurred. The financial statements are not intended to present the Plan's net assets available for benefits and the changes in its net assets available for benefits in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates
The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingencies, at the date of the financial statements and changes therein during the reporting period. Actual results could differ from those estimates.

Payment of Benefits
Insurance premiums paid are recorded when paid.

Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements.

Subsequent Events
In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2025 for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 5, 2026 , the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure in the financial statements.

3. Tax Status

In October 2025, management submitted a request to the Internal Revenue Service ("IRS") seeking retroactive reinstatement regarding the Plan's tax-exempt status. On March 3, 2026, the IRS acknowledged receipt of the Plan's request to the IRS seeking retroactive reinstatement of tax-exempt status. The IRS approval remains pending as of date of the financial statements.

4. Priorities Upon Termination of the Plan

Although it has not expressed any intention to do so, the Trust Agreement and the Plan may be terminated by the Board of Trustees by an instrument in writing, at any time, subject to applicable law. Notice of such amendment shall be given to the Employer and the Union. The Trust Agreement shall cease and terminate upon the happening of any one or more of the following events:

- In the event the Plan shall be, in the opinion of the Board of Trustees and the Union and the Employer, inadequate to carry out the intent and purpose of the Agreement, or to meet the payments due or to become due under the Agreement to persons already receiving benefits.
- In the event there are no individuals living who can qualify as participants under the Trust Agreement.
- In the event the Agreement no longer requires Employer contributions to the Plan.

In the event of termination of the Agreement and Plan, the Board of Trustees shall require the Plan to pay or to provide for the payment of any and all obligations of the Plan, including any expenses and costs of dissolution and termination, and distribute and apply any remaining surplus in such manner as will, in their opinion, best effectuate the purpose of the Plan in accordance with the Plan adopted under the Trust Agreement, provided, however, that no part of the assets or income of the Plan shall be used for or diverted to purposes other than the exclusive benefit of participants, or the administrative expenses of the Plan or for the other benefits in accordance with the provisions of the Plan, and provided further that no part of the assets or income of the Plan then remaining shall revert to the Employer or the Union.

5. Party-In-Interest Transactions

As previously described, the Plan pays fees for several arrangements with service providers. These transactions are considered exempt party-in-interest transactions under ERISA.

In 2024, the Employer paid for the administrative fees and the allocable Plan's portion of the expense. The Employer used the Plan's allocable portion to offset its required contributions to the Plan.

6. Operational Deficiencies

There were operational deficiencies with respect to participants not meeting required minimum hours and contributing co-premiums as a condition for eligibility, and benefit disbursements to service providers in accordance with contracts. Management has evaluated the significance of these deficiencies within the Plan's financial framework and concluded the effect is not significant to the financial statements.

7. Risks and Uncertainties

Cash consists of monies held in a noninterest-bearing transaction account. The Plan places its cash with a financial institution deemed to be creditworthy. Balances are insured by the Federal Deposit Insurance Corporation for up to $250,000. On December 31, 2025 and 2024, the Plan's cash exceeded the federally insured limits. Any loss incurred or a lack of access to such funds could have a significant adverse impact on the Plan's net assets available for benefits and operations.

As further discussed in Notes 3 and 6, risks and uncertainties exist with regard to the Plan's tax-exempt status and potential required tax filings and assessments and its operational deficiencies in compliance with the Plan document and ERISA.
