INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Supermercados Máximo Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Supermercados Máximo Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Supermercados Máximo Retirement Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of **Supermercados Máximo Retirement Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Supermercados Máximo Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Supermercados Máximo Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Supermercados Máximo Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. 1. DESCRIPTION OF THE PLAN

The following description of the Supermercados Máximo Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2006. The Plan is a defined contribution plan covering substantially all employees of Supermercados Máximo, Inc. (the Company) who have attained age 21 and completed one Year of Service, as defined by the Plan. Effective on October 1, 2018, the Plan was amended to include Max De Diego, LLC and Max San Francisco, LLC as participating employers. The Plan was established for the purpose of providing retirement benefits to employees and to encourage and assist employees in adopting a regular savings program by means of payroll deductions through a plan that qualifies under the applicable laws of the Commonwealth of Puerto Rico. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants of the Plan may authorize the Company to make contributions to the Plan from payroll deductions ranging from 1% to 10% of their monthly compensation before amounts paid for insurance or other welfare benefits, if any. At no time may participant pre-tax contributions exceed the lesser of 10% of the participant's annual compensation, as defined, or the $15,000 limit imposed under the Puerto Rico Internal Revenue Code, as amended (PRIRC). Participants who have attained age 50 before the end of the Plan year may make an additional catch-up contribution of $1,500 annually. Participants may also contribute, with the approval of the Plan's Administrator, amounts representing rollovers from other qualified defined benefit or contribution plans.

Effective March 1, 2024, the Plan was amended to implement an automatic enrollment feature at two percent (2%) of eligible compensation for all eligible employees who have not made a deferral election and for new hires.

The Company matches participants' contributions based on predetermined matching contribution percentages, as follows:

Participant's Payroll Deduction Percentage	Matching Percentage Contribution
Up to 4%	50%

Additionally, the Company may make discretionary contributions to the Plan in such amounts as determined by the Board of Directors such as the profit-sharing contribution, as defined.

1. DESCRIPTION OF THE PLAN (CONTINUED)

Participants' Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's applicable pre-tax and/or rollover contributions and allocations of (a) the Company's matching and discretionary contributions and (b) Plan earnings. Participant accounts are charged with an allocation of applicable administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Upon enrollment in the Plan, participants may direct their contributions and the Company's matching contributions among the investment options offered by the Plan. The Plan currently offers thirty-two investment funds. Changes in the value of the Plan's invested assets are reflected in participants' accounts on a daily basis.

Vesting

Participants' contributions are vested at all times plus actual earnings thereon and shall not be subject to forfeiture for any reason. The participant's right to the Company's matching contributions plus earnings thereon is determined based on years of continued service as follows:

Years of Service	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant or the participant's designated beneficiary may elect to receive the participant's vested account balance in a lump-sum payment or in monthly installments, as permitted under the Plan. For other terminations of service, the participant may receive the vested account balance as a lump-sum distribution. Effective February 2025, if the participant's vested account balance is $7,000 or less, the Plan administrator may distribute the balance without the participant's consent. Prior to February 2025, the applicable threshold was $5,000. Participant consent is required for distributions of vested account balances exceeding the applicable automatic distribution threshold.

1. DESCRIPTION OF THE PLAN (CONTINUED)

In-Service Withdrawals

In-service withdrawals are allowed only in cases of financial hardship that may include, among others, the following events: (a) the purchase (excluding mortgage payments) of a principal residence; (b) major medical expenses of the participant, spouse, children or dependents; (c) payment of tuition for post-secondary education for the participant, spouse, children, or dependents; (d) payment of amounts necessary to prevent the eviction of the participant from his principal residence or foreclosure on the mortgage on that residence; (e) payment for burial or funeral expenses for participant's deceased parent, spouse, children or dependents; (f) expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under PRIRC; and (g) other expenses as provided by the Secretary of the Treasury through publication of administrative determinations, notifications and other documents of general application.

Forfeited Accounts

Upon a participant's termination from the Company or withdrawal from the Plan for any reason other than death, retirement, or disability, the nonvested portion of the employer contributions credited to the participant's account is forfeited. Such forfeitures are used to reduce future employer contributions and to pay certain Plan administrative expenses. As of December 31, 2025, and 2024, available forfeitures of terminated nonvested account balances amounted to $571 and $31,575, respectively. Also, in 2025 and 2024, employer contributions were reduced by $45,817 and $34,400, respectively, from forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Revenue Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of investment units are recorded on a trade-date basis. Interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Participant contributions and related employer matching contributions are recorded in the period in which the related payroll deductions are made. Other employer contributions are recorded in the period to which they relate in accordance with the provisions of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investments related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan administrator has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.

3. CERTIFIED INVESTMENT INFORMATION

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments held as of December 31, 2025 and 2024, and net appreciation in fair value of investments and interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by BPAS Trust Company of Puerto Rico (an affiliate of Benefit Plan Administrative Services, Inc. company), a qualified institution.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at the net asset value of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it were determined that it is probable the fund would sell its investment for an amount significantly different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of its interest in the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025

(a) In accordance with Subtopic 820-10 of ASC 820 Fair Value Measurement, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (CONTINUED)

Investments Measured Using the NAV Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemptions for these investments; the redemption notice period is applicable only to the Plan.

December 31 2025	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible	Redemption Notice Period	
Collective Trust Funds	$ 1,268,646	N/A	Daily	3 days	**

December 31 2024	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible	Redemption Notice Period	
Collective Trust Funds	$ 962,010	N/A	Daily	3 days	**

** 3 days for transactions over $250,000

5. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by BPAS Trust Company of Puerto Rico, the trustee of the Plan (an affiliate of Benefit Plan Administrative Services, Inc.). Accordingly, transactions with these entities qualify as party-in-interest transactions under ERISA. Fees paid by the Plan for investment management services and trustee services to these companies amounted to $85,560 and $87,127, for the years ended December 31, 2025 and 2024, respectively.

6. TAX STATUS

The Secretary of the Treasury of the Commonwealth of Puerto Rico has determined and informed the Company by a letter dated March 20, 2006, that the Plan and related trust are designed in accordance with applicable sections of the PRIRC of 1994, as amended. Accordingly, the Plan is exempt from income taxes under PRIRC of 1994, as amended. However, on January 1, 2011, the new Puerto Rico Internal Revenue Code was enacted. The Puerto Rico Treasury Department released Circular Letter 11-10, which states that pension plans that obtained an administrative determination letter qualifying such plans under the prior Internal Revenue Code will be considered qualified under Section 10801.01 of the new Code. Notwithstanding the above, to maintain the qualified status, the Plan is required to ascertain that the applicable provisions of the current Code are being met; otherwise, a recertification will need to be filed.

6. TAX STATUS (CONTINUED)

On April 15, 2014, the Plan filed a request for a favorable determination letter regarding the qualified status of the Plan under PRIRC of 2011. Effective April 1, 2015, the Plan adopted the BPAS Master Prototype Defined Contribution Plan (BPAS Master Plan), which has an existing favorable determination letter from the Puerto Rico Treasury Department confirming its qualified status under the PRIRC of 2011, as amended.

On February 24, 2017, the Puerto Rico Treasury Department issued a letter indicating no objection to the Plan's participation in the BPAS Master Plan. The Plan was subsequently amended effective October 1, 2018, to include two new participating employers, and a new determination letter was requested on April 12, 2019. On August 2, 2019, the Treasury Department issued a letter confirming no objection to the amendments and reaffirming that such amendments did not affect the favorable ruling issued on February 24, 2017.

To maintain the tax-exempt status, the Plan must comply annually with certain Minimum Coverage and Nondiscrimination Tests under the PRIRC. The Plan complied with these testing requirements, after applying the available correction methods, for the years ended December 31, 2025 and 2024.

7. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it reserves the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA and the prior approval of the Puerto Rico Treasury Department. In the event of Plan termination, participants would become 100% vested in their employer contribution accounts.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
