# Independent Auditor's Report

To the Committee Members of
HAH Group Holdings, LLC Health and Welfare Benefits Trust:

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HAH Group Holdings, LLC Health and Welfare Benefits Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the HAH Group Holdings, LLC Health and Welfare Benefits Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024 stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HAH Group Holdings, LLC Health and Welfare Benefits Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HAH Group Holdings, LLC Health and Welfare Benefits Trust's ability to continue as a going concern for one year after the date that the financial statements are issued..

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the HAH Group Holdings, LLC Health and Welfare Benefits Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the HAH Group Holdings, LLC Health and Welfare Benefits Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of Plan

The following description of the HAH Group Holdings, LLC Health and Welfare Benefits Trust (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description ("SPD") and Plan Document for a more complete description of the Plan's provisions.

### General
The Plan, a voluntary employees’ beneficiary association (“VEBA”), was effective as of September 15, 2020 to provide field employees of HAH Holdings, LLC (the "Sponsor") access to minimum essential health coverage. The Plan is administered by the Help at Home Employee Benefits Administrative Committee.

### Eligibility
Admin participants are eligible to enroll in the Plan within 30 days of their date of hire, or during the annual open enrollment period or within 30 days of a qualifying event. Participants and their dependents are eligible for benefits based on elections made at the time of enrollment.

Caregivers averaging 30+ hours weekly will have access to all offered benefits. New hires will have a 6-month eligibility review period, beginning on their first day worked. Benefits will take effect on the first of the month following the benefits eligibility review. Caregiver eligibility will then be reviewed on a rolling basis every 6-months. To maintain eligibility, caregivers must average 30 hours or more worked per wee

### Benefits
The Plan provides benefit payments for qualified medical expenses on behalf of eligible participants and their dependents.

### Funding Policy
The Plan is funded through participant contributions.

## 2. Summary of Accounting Policies

### Basis of Accounting
The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

### Use of Estimates
The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions which affect the reported amounts of assets, liabilities, including claims payable and claims incurred but not reported (“IBNR”), and changes therein and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

### Cash Equivalents
Highly liquid investments, with a maturity of three months or less when acquired, are considered cash equivalents. Cash equivalents include shares in money market funds.

### Participant Contributions Receivable
Contributions are accrued based upon analysis of enrollment reports and subsequent cash receipts. Management believes all amounts accrued to be collectible; accordingly, no provision for uncollectible amounts has been recorded.

### Claims Payable and Amounts Incurred but Not Reported
Amounts currently payable to or for participants, beneficiaries and dependents totaling $23,576 and $36,610 at December 31, 2025 and 2024, respectively, represent actual amounts paid or payable after year end for all reported claims for benefits occurring during the respective accounting periods.

### Investment Income Recognition
Interest income is recorded on the accrual basis. See Note 3 for discussion of fair value measurements.

### Recognition of Benefits
Benefits are recognized when paid.

**Subsequent Events**
In preparing these financial statements, management of the Plan has evaluated events and transactions that occurred after December 31, 2025 for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 13, 2026, the date that the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.

## 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

*Level 2* - Inputs to the valuation methodology are quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

- Money market funds are valued at cost, which approximates fair value.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

For the years ended December 31, 2025 and 2024 there were no transfers in or out of Levels 1, 2 or 3. The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| | December 31, 2025 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Money market funds | $ 159,323 | $ - | $ - | $ 159,323 |
| Total assets at fair value | $ 159,323 | $ - | $ - | $ 159,323 |

| | December 31, 2024 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Money market funds | $ 153,509 | $ - | $ - | $ 153,509 |
| Total assets at fair value | $ 153,509 | $ - | $ - | $ 153,509 |

### 4. Tax Status

The Internal Revenue Service (“IRS”) has determined and informed the Plan by a letter dated April 13, 2022 that the Plan and the related Trust that holds the Plan's assets were designed in accordance with applicable sections of the Internal Revenue Code (the “IRC”) and the Trust was exempt from federal income taxation under Section 501(a) of the Internal Revenue Code, as described at Section 501(c)(9). Management believes that the Trust is designed and is currently being operated in compliance with the applicable provisions of the IRC and the Trust remains exempt from federal income tax.

U.S. GAAP require management of the Plan to evaluate tax positions taken and recognize a tax liability if the Trust has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has evaluated the tax positions taken by the Trust and concluded that as of December 31, 2025 and 2024 there are no uncertain positions taken or expected to be taken that would require recognition in the financial statements. The Plan is subject to routine audits by taxing and regulatory jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

### 5. Priorities Upon Termination

It is the intent of the Sponsor to continue the Plan in effect so long as the Trust has assets; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Sponsor. In the event of termination, the Sponsor shall first satisfy the obligations of the Plan to the extent of the assets in the Trust. Termination shall not permit any part of the Plan to be used for, or diverted to, purposes other than the exclusive benefit of the participants.

### 6. ERISA Section 103(A)(3)(C) Certified Information

Management elected an ERISA Section 103(a)(3)(C) audit and obtained certified bank statements for the plan years ended December 31, 2025 and 2024. The certified statements were signed by an authorized representative and identified the Plan’s investment assets, transactions, investment income, schedules of investments and reportable transactions institution and whether the certification is signed by an authorized representative. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from data supplied to the Plan Administrator and certified as complete and accurate by Bank of America, N.A., and the trustee of the Plan for the years ended December 31, 2025 and 2024.

| | 2025 | 2024 |
|---|---|---|
| Money market funds | $ 159,323 | $ 153,509 |
| Interest and dividends | $ 5,894 | $ 7,041 |

No auditing procedures were performed with respect to information certified by the trustee as complete and accurate.
