October 12, 2026

To the Plan Administrator of
Jetco Delivery, LLC 401(k) Plan:

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Jetco Delivery, LLC 401(k) Plan (the "Plan") as of and for the year ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that have not been identified.

However, during our audit we became aware of opportunities for strengthening internal controls and operating efficiency. The observations below summarize our comments and suggestions regarding this matter. This letter does not affect our report dated October 12, 2026, on the financial statements of the Plan as of December 31, 2025.

Prohibited transactions - During 2025, the Plan Sponsor failed to remit certain participant contributions and loan repayments in a timely manner. The Plan Sponsor identified four instances, where $28,077 in participant contributions and loan repayments were remitted to the Plan in violation of Department of Labor ("DOL") regulations. The Plan Sponsor is in the process of calculating the related lost earnings and interest and remitting to the Plan. As of the date of this letter, the correction has not been made yet.

The prohibited transactions could have been avoided with adequate oversight by the Plan administrator and or members of management responsible for governance. We recommend that the Plan administrator incorporate adequate oversight and review of transactions that affect the Plan. If remittances and calculations for contributions to the Plan are reviewed in a timely manner by personnel other than those responsible for making them, then the number of prohibited transactions would be significantly reduced if not completely eliminated.

Unused Forfeitures - In accordance with Internal Revenue Service ("IRS") Proposed Regulation §1.401-7, effective February 27, 2023, forfeitures under a defined contribution plan must be used no later than twelve (12) months after the end of the plan year in which they are incurred. As of December 31, 2025, we noted the Plan held an unallocated forfeiture balance of $35,092.

We recommend that the Plan Sponsor implement a process to ensure the timely use of forfeitures by December 31, 2026, in order to comply with the requirements of the Regulation.

Independent Auditors' Report

To the Plan Administrator
of Jetco Delivery, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Jetco Delivery, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held for Investment Purposes at End of Year as of December 31, 2025 and Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of the Plan

The following description of the Jetco Delivery, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

Jetco Delivery, LLC (the "Plan Sponsor") adopted the Plan effective January 1, 2008.

The Plan is a defined contribution plan covering all eligible participants of the Plan Sponsor and participating subsidiaries, as defined by the Plan Document, with exception of certain classes of participants identified in the Plan Document. Participation in the Plan is at the election of the participant. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The following related employers participate in the Plan: Associated Acquisition Company LLC, Foxconn Logistics Systems, LLC, GTI USA Inc., Jetco Heavy Haul, Jetco Holdings and Jetco Logistics ("GTI Group Subsidiaries").

Eligible employees of the acquired entities became participants in the Plan and are subject to the same eligibility, contribution, vesting, and distribution provisions as other participants.

Eligibility

Substantially all employees of the Plan Sponsor and participating GTI Group Subsidiaries are eligible to participate in the Plan immediately upon hire, with certain exceptions as defined in the Plan Document. Eligible employees become participants in the Plan on their date of hire.

Administration

The Plan is administered by the Plan Sponsor (the "Plan Administrator"). The Plan assets are held by Fidelity Management Trust Company (the "Trustee"). The financial records of the Plan were maintained by Fidelity Workplace Services, LLC (the "Recordkeeper").

Participant Contributions

Contributions are made to the Plan by the Plan Sponsor on behalf of each eligible participant based upon the participant's elected compensation deferral through payroll deductions. The Plan Sponsor funds the contributions at the end of each payroll period. Eligible participants may elect to contribute 1% to 90% of their eligible compensation, in whole percentages, to the Plan up to the statutory limit of $23,500 for 2025, as permitted by the Internal Revenue Code of 1986, as amended ("IRC"). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants age 50 and older as of December 31 of the Plan year are permitted to make elective catch-up deferrals in accordance with Section 414(v) of the IRC.

Employer Contributions

The Plan provides for Plan Sponsor discretionary matching contributions. The Plan Sponsor is permitted to change the amount or percentage of matching contributions when needed. For the year ended December 31, 2025, the Plan Sponsor made discretionary matching contributions of 100% of the participant contribution to the Plan up to 2% of participant contributions.

Note 1 – Description of the Plan (continued)

The Plan Sponsor may also elect to make a discretionary profit-sharing contribution in an amount to be determined by the board of directors of the Plan Sponsor for each plan year. For the year ended December 31, 2025, the Plan Sponsor did not make a discretionary profit-sharing contribution to the Plan.

Participant Accounts
Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Rollovers and Transfers
Participants who have a balance in another qualified employee benefit plan, as described in Section 401(a) of the IRC, may transfer or rollover the lump sum values of their account directly into the Plan, provided it meets the requirements of the IRC.

Vesting
Participants are immediately and fully vested in their contributions plus actual earnings thereon. The participants are vested in the Plan Sponsor contributions and earnings in accordance with the following schedule:

Years of Service	Vesting Percentage
less than 1	0%
1	25%
2	50%
3	75%
4	100%

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000 reduced by the highest outstanding loan balance during the prior twelve-month period. Notes receivable are secured by the balance in the participant's account and bear interest at a rate which is commensurate with prevailing rates as determined by the Plan Administrator. All notes must be repaid in equal installments of principal and interest over a period to be determined by the Plan Administrator, but such period shall not exceed five years unless the purpose of the loan is for the purchase of the principal residence of the Participant in which case the repayment period shall not exceed 10 years. In all cases, repayment of the note will be made through after-tax payroll deductions.

Payment of Benefits
Benefits become available to participants on the earliest of four events: (1) termination of employment, (2) death of the participant (benefits are payable to the participants' spouse or beneficiary), (3) disability of the participant, or (4) the participant's retirement.

Note 1 – Description of the Plan (continued)

A participant may receive the value of the vested balance in his or her account as a lump-sum distribution, installment distributions, or may roll the amount over into another qualified plan. If the vested account balance is $7,000 or less, but greater than $1,000, the Plan Administrator may direct the Trustee to distribute the amount to another qualified plan benefitting the participant. Vested account balances of less than $1,000 are automatically paid out either through lump-sum distribution or rollover into another qualified plan. Participants are permitted to remain in the Plan if their account balance exceeds $7,000.

The benefits can be left in the Plan until the participant retires. Benefits cease to vest upon termination of employment. Non-vested benefits will be forfeited on such date. Participants are required to begin receiving distributions in accordance with the minimum distribution requirements of Internal Revenue Code section 401(a)(9).

Active participants can withdraw benefits once they reach 59 ½ years of age. In-service distributions are permitted due to hardship, as defined in the Plan and subject to the satisfaction of the Plan Administrator.

On termination of employment due to death prior to retirement, 100% of the Plan Sponsor contributions become immediately vested. The value of the account shall be paid in accordance with the above-stated distribution procedure.

Upon a participant obtaining the normal retirement age 65, while still employed, 100% of the Plan Sponsor contributions become immediately vested. Should a participant reach age 65 and not elect to terminate employment, the participant can take an in-service distribution from the vested account balance.

If the participant becomes disabled and is eligible for Social Security disability benefits or is determined disabled by the Participant's physician, the full value of the participant's account becomes 100% vested and shall be paid in accordance with the above-stated distribution procedure.

Forfeited Accounts
The portion of the participant's employer contribution accounts that are not vested upon termination of service shall be forfeited as of the earlier of (i) the date the vested portion is distributed or (2) the date the participant incurs a five-consecutive-year period of severance from his or her original termination date.

As of December 31, 2025 and 2024, the available forfeited non-vested accounts totaled $35,092 and $24,576, respectively. These accounts may be used to reduce future plan administrative expenses and employer contributions. During the year ended December 31, 2025, $10,750 of forfeitures were used to reduce employer contributions and employer expenses.

Plan Termination
Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and distributions would be made as soon as administratively practical after the Plan terminates.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Note 2 – Summary of Significant Accounting Policies (continued)

Use of Estimates
The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits
Benefits are recorded when paid.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and Plan management deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative Expenses
Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Risks and Uncertainties
Financial instruments which potentially subject the Plan to concentrations of credit risk consist primarily of investment securities in which the Plan invests. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 2 – Summary of Significant Accounting Policies (continued)

Recent Accounting Standards
The SECURE 2.0 Act of 2022, enacted on December 29, 2022, includes a wide range of provisions affecting retirement plans, with effective dates spanning from 2023 through 2026. Plan management has implemented operational changes necessary to comply with applicable provisions effective for the years ended December 31, 2025 and 2024. The Plan has until December 31, 2026 to adopt formal amendments. Plan management continues to evaluate the impact of SECURE 2.0 on future periods. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Note 3 – Information Certified by the Trustee

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits, as of December 31, 2025 and 2024.
- Net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits, for the year ended December 31, 2025.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2025.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4 – Tax Status

The Plan Sponsor has not applied for a determination letter from the Internal Revenue Service ("IRS") to determine if the Plan is designed in accordance with applicable sections of the IRC. The Plan Document is based upon non-standardized pre-approved profit sharing plan with CODA from Fidelity Management & Research Company, which received an IRS opinion letter dated June 30, 2020. The plan instrument has been updated for legislative and regulatory changes.

The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan Administrator believes it is subject to income tax examinations for three years.

Note 5 – Fair Value Measurements

The Plan follows a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

- Level one — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level two — Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level three — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. The mutual funds are registered with the Securities and Exchange Commission and are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the net asset value ("NAV") of units for each fund. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 261,368	$ -	$ -	$ 261,368
Total assets in the fair value hierarchy	$ 261,368	$ -	$ -	$ 261,368
Investments measured at NAV				3,853,299
				4,114,667

Note 5 – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 237,581	$ -	$ -	$ 237,581
Total assets in the fair value hierarchy	$ 237,581	$ -	$ -	$ 237,581
Investments measured at NAV				3,593,143
				3,830,724

The following table summarizes the investments for which fair value is measured using NAV per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value as of December 31, 2025	Fair Value as of December 31, 2024	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Common collective trusts	$ 3,853,299	$ 3,593,143	Not applicable	Daily	Not applicable

Note 6 – Related-Party and Parties in Interest Transactions

Certain plan investments are shares of mutual funds managed by the Trustee or its affiliates. Fees incurred by the Plan for related investment management services are included in administrative expenses and net appreciation in fair value of investments. Certain fees incurred by the Plan for recordkeeping and audit fees are included in administrative expenses. Transactions such as these qualify as party-in-interest transactions. The Plan Sponsor pays directly certain other fees related to the Plan's operations.

Note 7 – Prohibited Transactions

During 2025, the Plan Sponsor failed to remit certain participant contributions in a timely manner. The Plan Sponsor identified four instances during 2025 totaling $25,396 in participant contributions and $2,681 in participant loan repayments that were remitted to the Plan in violation of DOL regulations. The Plan Sponsor is in process of calculating missed earnings and interest and remitting to the Plan. As of October 12, 2026, the date at which the Plan's financial statements are available to be issued, the correction hasn't been made yet.

A summary of nonexempt prohibited transactions related to delinquent remittances is shown in the attached supplemental schedule of delinquent participant contributions for the year ended December 31, 2025.

Note 8 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2025 and 2024:

		2025		2024
Net assets available for benefits per financial statements	$	4,312,047	$	4,027,765
Participant contributions receivable		(11,340)		-
Employer contributions receivable		(3,190)		-
Net assets available for benefits per Schedule H of Form 5500	$	4,297,517	$	4,027,765

The following is a reconciliation of net increase per the financial statements to net income per Form 5500 for the year ended December 31, 2025:

Net increase in net assets available for benefits per financial statements	$	284,282
Less: 2025 participant contributions receivable		(11,340)
Less: 2025 employer contributions receivable		(3,190)
Net increase per Form 5500	$	269,752

Note 9 – Subsequent Events

The Plan evaluates events that occur subsequent to the date of the statement of net assets available for benefits, but before financial statements are issued, for possible adjustment to the financial statements or other disclosure. This evaluation generally occurs through the date at which the Plan's financial statements are available to be issued which was October 12, 2026 for the financial statements as of and for the year ending December 31, 2025. There were no subsequent events that required adjustment to or disclosure in the financial statements.

To the Plan Administrator
Jetco Delivery, LLC 401(k) Plan:

We have audited the financial statements of Jetco Delivery, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit") for the year ended December 31, 2025, and we will issue our report dated October 12, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("GAAP"). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated April 9, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters,

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> There were no sensitive accounting estimates affecting the financial statements that required significant auditor attention.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

> The disclosure regarding fair value measurements in Note 5 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements. The attached schedule, Exhibit A, summarizes the corrected misstatements. None of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements as a whole.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. See below for reportable findings noted.

During 2025, the Plan Sponsor failed to remit certain participant contributions and loan repayments in a timely manner. The Plan Sponsor identified four instances, where $28,077 in participant contributions and loan repayments were remitted to the Plan in violation of Department of Labor regulations. The Plan Sponsor is working with the recordkeeper to calculate the lost earnings and interest and remit to the Plan along with the missed contributions. As of the date of this letter, the correction has not been made yet.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 12, 2026.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the plan administrator and members of management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.
