Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of University of Maryland Medical System 401(a) Defined Contribution Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of University of Maryland Medical System 401(a) Defined Contribution Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of University of Maryland Medical System 401(a) Defined Contribution Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about University of Maryland Medical System 401(a) Defined Contribution Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University of Maryland Medical System 401(a) Defined Contribution Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about University of Maryland Medical System 401(a) Defined Contribution Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

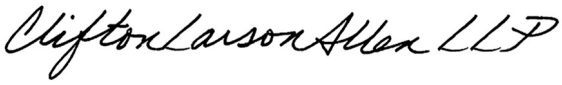

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of the University of Maryland Medical System 401(a) Defined Contribution Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description or the Plan document for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan covers eligible employees of the University of Maryland Medical System Corporation (UMMS), Chester River Hospital Center, Inc. (dba: University of Maryland Shore Medical Center at Chestertown), Chester River Home Care and Hospice, LLC, Maryland General Hospital, Inc. (dba: University of Maryland Medical Center Midtown Campus) (Midtown), Shore Health System, Inc., University of Maryland Baltimore Washington Medical System, Inc., University of Maryland St. Joseph Medical Center, LLC, University of Maryland St. Joseph Medical Group, LLC, University of Maryland St. Joseph Orthopaedics, LLC, University of Maryland Medical Regional Professional Services LLC (dba: Towson Sports Medicine), University of Maryland Medical Regional Supplier Services, LLC (dba: University of Maryland St. Joseph Medical Equipment), Civista Medical Center, Inc. (dba: University of Maryland Charles Regional Medical Center), Upper Chesapeake Health System (dba: University of Maryland Upper Chesapeake Health), Harford Memorial Hospital, Inc., University of Maryland Medical Center, LLC, James Lawrence Kernan Hospital, Inc. (dba: University of Maryland Rehabilitation & Orthopaedic Institute), and University of Maryland Community Medical Group, Inc. (collectively, the Corporation) who have completed one year of service with 1,000 hours and have attained 21 years of age. Eligible employees will become participants in the Plan on the next entry date following the date they meet the participation requirements. The entry dates for the Plan are the first day of every month. Employees who are members of a collective bargaining unit, a leased employee, any person not classified as a common law employee, any person classified as a temporary employee, resident, fellows, student, or per diem employee, and employees who are affiliated with a religious order and who have taken a vow of poverty where the religious order provides for the support of such employees in their retirement are excluded from participation in the Plan.

Effective January 1, 2017, the Plan was frozen to new entrants.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Participant accounts are credited with the contributions (described below), an allocation of plan earnings (losses), administrative expenses, and ERISA spending account activities. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses and ERISA spending account activities are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Accounts are participant directed.

Contributions

Under the terms of the Plan, the Plan only allows for Corporation contributions. No participant deferrals are allowed. Each of the participating employers in the Plan determines their own contributions. The contributions for each of the participating employers are as follows:

UMMS and Certain Other Participating Employers

Eligible employees of UMMS, University of Maryland Medical Center, LLC, University of Maryland St. Joseph Medical Center, University of Maryland St. Joseph Medical Equipment, University of Maryland St. Joseph Medical Group, University of Maryland St. Joseph Orthopedics, Towson Sports Medicine, Shore Health System, University of Maryland Baltimore Washington Medical System, University of Maryland Charles Regional Medical Center, University of Maryland Community Medical Group, Inc., Harford Memorial Hospital, Inc., and University of Maryland Upper Chesapeake Health received a discretionary contribution equal to 4.0% of the eligible participant's eligible compensation for each biweekly payroll period.

Chestertown

In addition, Chestertown makes contributions for certain designated employees employed by Chestertown who were age 50 or older and had 10 or more Years of Service for Eligibility purposes on January 1, 2008.

Midtown

Midtown makes discretionary contributions equal to 3% of each eligible participant's eligible compensation for each biweekly payroll period. In addition, Midtown makes contributions for certain designated employees employed by Midtown who, as of January 1, 2007, were age 60 or older and had 10 or more years of service for vesting purposes, or were age 55 or older and had 15 or more years of service for vesting purposes. Midtown also makes matching contributions for eligible Midtown employees who participate in the UMMS Voluntary 403(b) Plan (403(b) Plan). The matching contribution is equal to 50% of the aggregate salary reduction contributions made by each participant to the 403(b) Plan, not in excess of 6% of the participant's compensation.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (continued)

University of Maryland Rehabilitation & Orthopedic Institute

University of Maryland Rehabilitation & Orthopedic Institute makes discretionary contributions equal to 5% of each eligible participant's eligible compensation for each bi-weekly payroll period.

Vesting

Participants, excluding Chestertown employees, vest in the Corporation contributions and related earnings according to the following vesting schedules:

Contributions Made for Plan Years Beginning Prior to January 1, 2007

Years of Service	*Vested Percentage*
Less than 5	0%
5	100%

Contributions Made for Plan Years Beginning after January 1, 2007

Years of Service	*Vested Percentage*
Less than 2	0%
2	25%
3	50%
4	75%
5	100%

Chestertown employees vest in the Corporation contributions and related earnings according to the following vesting schedule:

Years of Service	Vested Percentage
Less than 2	0%
2	100%

If a participant terminates due to death, disability, or retirement, they will automatically become 100% vested in all Corporation contributions and earnings thereon.

Payment of Benefits

Upon termination of service, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution, partial distribution, or installments. If a participant terminates employment and the participant's account balance does not exceed $7,000. The Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between $1,000 and $7,000 the Plan Sponsor will authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits (continued)

If the balance of the terminated participant's account exceeds $7,000, the Plan allows for forced cash outs at the later of termination or April 1 of the year in which the participant turns 73. Upon death, the participant's beneficiary will receive a lump sum distribution. (For participants who have money purchase pension accounts, certain other forms of payment are available.)

Forfeited Accounts

Upon termination of employment, participants forfeit their non-vested balances. Subject to certain exceptions, if a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeitures resulting from termination of nonvested or partially vested participants may be used to reduce the Corporation's future contributions and/or to pay the Plan's administrative expenses. Forfeitures used to reduce Corporation contributions were $1,465,786 and $225,993 for the years ended December 31, 2025 and 2024, respectively. Forfeitures were not used to pay the Plan's administrative expenses for the years ended December 31, 2025 and 2024. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $482,600 and $56,276, respectively.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Corporation contributions are recorded in the year in which participant compensation is paid.

NOTE 2 SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are paid from excess revenue sharing, by the forfeitures account, or by charging participants' accounts. Included in administrative expenses are fees paid to investment managers and auditors, as well as for plan administration. Expenses related to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. The Plan received $21,463 and $101,321 of ERISA spending account revenue, for which $112,864 and $36,802 was used to pay plan expenses during the years ended December 31, 2025 and 2024, respectively. The net of this activity has been recorded as other income on the statements of changes in net assets available for benefits. As of December 31, 2025 and 2024, the ERISA spending account totaled $446,793 and $528,996, respectively.

Subsequent Events

The Plan has evaluated subsequent events through October 1, 2026, the date the financial statements were available to be issued.

NOTE 3 CERTIFIED INVESTMENTS

Empower Annuity Insurance Company and Empower Trust Company, LLC, the qualified institutions of the Plan, have supplied the Plan administrator with certifications as to the completeness and accuracy of investments as of December 31, 2025 and 2024 and investment income for the years ended December 31, 2025 and 2024, in the accompanying financial statements and ERISA-required supplemental schedule.

NOTE 4 FAIR VALUE MEASUREMENT

The framework for measuring fair value establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Account: Valued at NAV of shares, which are valued daily by Empower at accumulation unit value based on the estimated value of the underlying investments, held by the Plan at year-end. The account publishes their daily NAV and transacts at that price.

Collective Trust Funds: Valued at NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchase and sales) may occur daily.

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 254,791,591	-	-	$ 254,791,591
Collective Trust Funds	-	276,618,110	-	276,618,110

Total Investments at Fair Value	$ 254,791,591	$ 276,813,531	$ -	$ 531,605,122

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 231,027,773	-	-	$ 231,027,773
Collective Trust Funds	-	247,883,076	-	247,883,076
Pooled Separate Accounts	-	188,778	-	188,778
Total Investments at Fair Value	$ 231,027,773	$ 248,071,854	$ -	$ 479,099,627

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company. Empower Annuity Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.5%. The crediting rate is reviewed on a semi-annual basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the Plan by Empower Annuity Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan’s investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Effective March 12, 2026, the contract for this investment was terminated and the investment option is no longer available as an investment election to participants future contributions. There were no termination fees or penalties incurred.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Corporation has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their entire accounts and will receive distributions of their vested accounts in accordance with Plan terms and IRS requirements.

NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are units of a pooled separate account and a fully benefit responsive investment contract managed by the qualified institutions as of December 31, 2025 and 2024. These investments, including any interest and dividends, qualify as party-in-interest investments/transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 TAX STATUS

The Plan has received a determination letter from the IRS dated January 6, 2015, stating that the Plan is qualified under Section 401(a) of the Code, and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to certain laws and regulations including those set forth by the U.S. Department of Labor. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

NOTE 9 RISK AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market volatility, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
