Independent Auditors' Report

The Plan Administrator of
Association of National Advertisers, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements (modified cash basis) of Association of National Advertisers, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information), by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H - Part IV – Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Profit Sharing Plan

Notes to Financial Statements
(Modified Cash Basis)
December 31, 2025

1. Description of Plan

The following description of Association of National Advertisers, Inc. 401(k) Profit Sharing Plan ("Plan") is provided for general information purposes only. Participants and all others should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, as amended, was originally established in February 1985. The Plan is a defined contribution plan and covers all eligible employees of Association of National Advertisers, Inc. ("ANA"). Full-time employees who have completed one month of service are eligible to participate in the Plan. Part-time employees who have reached the age of 21 and completed 1,000 hours of service are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is administered by ANA. The Plan administrator is responsible for the operation of the Plan. Fidelity Management Trust Company (the "Trustee") serves as trustee of the Plan. Fidelity Investments Institutional Operations Company, Inc. is the recordkeeper of the Plan. UBS Financial Services Inc. is responsible for the selection of the investment funds available in the Plan.

Contributions

Eligible employees may elect to defer eligible compensation on a pre-tax basis, an after-tax Roth basis, or a combination of both, subject to statutory dollar limitations. The maximum contribution allowed in 2025 was $23,500 ($31,000 for participants whose age was 50 or over by the end of 2025). Employee contributions to the Plan are made through regular payroll deductions. Employees may also elect to contribute amounts representing distributions from other qualified plans. These amounts are rollover contributions.

In 2025, ANA made a 40% discretionary matching contribution up to the first 7.5% of eligible employee compensation, as defined in the Plan document. A discretionary profit sharing contribution may be made annually depending on ANA's financial performance. To qualify for ANA profit sharing contributions, participants must work at least 1,000 hours during the payroll calendar year and be employed on the last day of the Plan year. ANA did not make a discretionary profit sharing contribution during 2025.

Plan Termination

Although it has not expressed any intent to do so, ANA reserves the right to suspend, discontinue, or terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, participant accounts shall become fully vested and non-forfeitable.

1. Description of Plan *(continued)*

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, ANA contributions, and applicable fund earnings and charged with any applicable withdrawals, fund losses and administrative expenses, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants are able to direct the investment of their accounts among any of the available funds offered by the Plan. ANA and participant contributions can be invested in registered investment companies or common/collective trusts.

Vesting

Participants are 100% vested in their rollover contributions, voluntary contributions, qualified matching contributions and any allocated earnings or losses thereon. Employer discretionary matching contributions, employer discretionary contributions and the earnings or losses thereon will vest as follows:

Years of Service	Percentage Vested
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5	100%

A participant's account becomes 100% vested upon death, attaining normal retirement age, disability, or if the Plan is terminated.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. All loans must be repaid in level payments through after-tax payroll deductions on at least a quarterly basis over a five year period unless it is for the purchase of principal residence in which case the loan repayment period may not extend beyond 10 years from the date of the loan. The loans are secured by the balance in the participant's account, and bear interest at rates between 4.25% and 9.50% at December 31, 2025 and 2024. Principal and interest is paid ratably through payroll deductions.

1. Description of Plan *(continued)*

Notes Receivable from Participants (continued)

If the borrower does not repay the loan and related interest due in accordance with the schedule set forth in the promissory note or other writing permitted by applicable law representing the loan, the loan will be deemed as in default. Defaults in loans are treated as deemed distributions at the time of default against the participant's account.

Payment of Benefits

Upon termination of service due to death, disability, retirement or termination, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account.

A participant may apply for a hardship withdrawal at any time. This withdrawal must be for an immediate financial need for which funds are not reasonably available from other resources. Hardships include post-secondary educational expenses for the participant or their dependents, medical expenses to the extent not otherwise reimbursed under ANA's medical programs, expenses for the purchase of a principal residence or major alteration thereto, to prevent eviction from or foreclosure on a principal residence and to pay for funeral or burial expenses or immediate and heavy financial needs as determined based on Internal Revenue Service ("IRS") Regulations.

In accordance with IRS Regulations, participants must first exhaust all other assets reasonably available to them prior to obtaining a hardship withdrawal.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("US GAAP"). Contributions and investment income are recognized when received and expenses are recognized when paid. Investments and their related gains or losses, are measured at fair value. Plan management has determined that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements.

Use of Estimates

The preparation of financial statements requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the period. Accordingly, actual results could differ from those estimates.

2. Summary of Significant Accounting Policies *(continued)*

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are valued at outstanding principal amounts. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Forfeitures

Forfeitures of unvested ANA discretionary matching or profit sharing contributions from terminated participant accounts are used to offset future ANA contributions or to pay expenses of the Plan. Participant forfeitures during the year ended December 31, 2025 were $51,304. During the year ended December 31, 2025, employer contributions were offset by forfeitures of $52,742. At December 31, 2025 and 2024, forfeited non-vested accounts amounted to $27,015 and $28,453, respectively.

Expenses

Certain expenses of maintaining the Plan are paid directly by ANA and excluded from these financial statements. The Plan pays administrative expenses that consist of investment advisory fees and recordkeeping fees. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Fair Value Measurements

The Plan follows US GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies and common/collective trusts are stated at fair value. Investments in registered investment companies are determined by quoted market prices which represents the net asset value ("NAV") of shares held by the Plan at year end and are registered with the Securities and Exchange Commission.

The common/collective trusts are valued at the NAV, which is used as a practical expedient based on the fund's underlying investments. Investment in the common/collective trust is recorded at the value reported to the Plan by Putnam Fiduciary Trust Company, which represents fair value of the underlying investments. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Pursuant to US GAAP guidance common/collective trusts where fair value is measured using NAV per share as a practical expedient are not categorized within the fair value hierarchy.

Purchases and sales of securities are recorded on the trade date with realized and unrealized gains and losses calculated on a moving average basis. Interest and dividend income are recorded when received. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events

The Plan has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date the financial statements were available to be issued, which date is October 14, 2026.

3. Tax Status

The IRS issued an opinion letter to the prototype plan document preparer, Fidelity Management & Research Co., dated June 30, 2020, which states that the form of the prototype plan qualifies under the applicable provisions of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan recognizes the effect of income tax positions only if those positions are more likely-than-not to be sustained upon examination by the taxing authorities. As of December 31, 2025, Plan management has determined that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. As of December 31, 2025, tax years for all years since December 31, 2022 remain open to examination by the IRS.

4. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in value of investments, dividend and interest income, and interest on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution.

5. Investments

The following table summarizes the valuation of the Plan's investments by the fair value hierarchy levels (see note 2) as of December 31, 2025 and 2024:

	2025		
	Total	Level 1	Other Investments Measured at NAV*
Registered investment companies	$ 33,811,142	$ 33,811,142	$ -
Common/collective trusts	9,081,546	-	9,081,546
	$ 42,892,688	$ 33,811,142	$ 9,081,546

	2024		
	Total	Level 1	Other Investments Measured at NAV*
Registered investment companies	$ 28,953,427	$ 28,953,427	$ -
Common/collective trusts	8,711,875	-	8,711,875
	$ 37,665,302	$ 28,953,427	$ 8,711,875

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

The Putnam Stable Value Fund is a collective trust fund consisting primarily of investment contracts issued by insurance companies and other financial institutions and guaranteed investment contracts. The fund seeks capital preservation and current income when consistent with capital preservation. Issuances and redemptions of units are made on each business day. There are no unfunded commitments.

6. Party-in-Interest Transactions

Certain investments of the Plan are managed by the Trustee and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA and are reflected in the statements of net assets available for benefits as notes receivable from participants.

Certain administrative functions are performed by officers or employees of ANA. No such officer or employee receives compensation from the Plan.

7. Risks and Uncertainties

The Plan's investments include investment securities that, in general, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

8. Reconciliation of Financial Statements for Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 to the Form 5500:

Net assets available for benefits per the financial statements	$ 42,986,466
Deemed distributions	(2,959)
Net Assets Available for Benefits per Form 5500	$ 42,983,507

The following is a reconciliation of the net increase according to the financial statements to the Form 5500 for the year ended December 31, 2025:

Net increase per the financial statements	$ 5,205,210
Change in distributions	(2,844)
Change in interest on notes receivable from participants	(115)
Net increase per Form 5500	$ 5,202,251

Independent Auditors' Report

The Plan Administrator of
Association of National Advertisers, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements (modified cash basis) of Association of National Advertisers, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information), by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H - Part IV – Line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) Profit Sharing Plan

Notes to Financial Statements
(Modified Cash Basis)
December 31, 2025

1. Description of Plan

The following description of Association of National Advertisers, Inc. 401(k) Profit Sharing Plan ("Plan") is provided for general information purposes only. Participants and all others should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, as amended, was originally established in February 1985. The Plan is a defined contribution plan and covers all eligible employees of Association of National Advertisers, Inc. ("ANA"). Full-time employees who have completed one month of service are eligible to participate in the Plan. Part-time employees who have reached the age of 21 and completed 1,000 hours of service are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is administered by ANA. The Plan administrator is responsible for the operation of the Plan. Fidelity Management Trust Company (the "Trustee") serves as trustee of the Plan. Fidelity Investments Institutional Operations Company, Inc. is the recordkeeper of the Plan. UBS Financial Services Inc. is responsible for the selection of the investment funds available in the Plan.

Contributions

Eligible employees may elect to defer eligible compensation on a pre-tax basis, an after-tax Roth basis, or a combination of both, subject to statutory dollar limitations. The maximum contribution allowed in 2025 was $23,500 ($31,000 for participants whose age was 50 or over by the end of 2025). Employee contributions to the Plan are made through regular payroll deductions. Employees may also elect to contribute amounts representing distributions from other qualified plans. These amounts are rollover contributions.

In 2025, ANA made a 40% discretionary matching contribution up to the first 7.5% of eligible employee compensation, as defined in the Plan document. A discretionary profit sharing contribution may be made annually depending on ANA's financial performance. To qualify for ANA profit sharing contributions, participants must work at least 1,000 hours during the payroll calendar year and be employed on the last day of the Plan year. ANA did not make a discretionary profit sharing contribution during 2025.

Plan Termination

Although it has not expressed any intent to do so, ANA reserves the right to suspend, discontinue, or terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, participant accounts shall become fully vested and non-forfeitable.

1. Description of Plan *(continued)*

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, ANA contributions, and applicable fund earnings and charged with any applicable withdrawals, fund losses and administrative expenses, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants are able to direct the investment of their accounts among any of the available funds offered by the Plan. ANA and participant contributions can be invested in registered investment companies or common/collective trusts.

Vesting

Participants are 100% vested in their rollover contributions, voluntary contributions, qualified matching contributions and any allocated earnings or losses thereon. Employer discretionary matching contributions, employer discretionary contributions and the earnings or losses thereon will vest as follows:

Years of Service	Percentage Vested
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5	100%

A participant's account becomes 100% vested upon death, attaining normal retirement age, disability, or if the Plan is terminated.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum amount of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. All loans must be repaid in level payments through after-tax payroll deductions on at least a quarterly basis over a five year period unless it is for the purchase of principal residence in which case the loan repayment period may not extend beyond 10 years from the date of the loan. The loans are secured by the balance in the participant's account, and bear interest at rates between 4.25% and 9.50% at December 31, 2025 and 2024. Principal and interest is paid ratably through payroll deductions.

1. Description of Plan *(continued)*

Notes Receivable from Participants (continued)

If the borrower does not repay the loan and related interest due in accordance with the schedule set forth in the promissory note or other writing permitted by applicable law representing the loan, the loan will be deemed as in default. Defaults in loans are treated as deemed distributions at the time of default against the participant's account.

Payment of Benefits

Upon termination of service due to death, disability, retirement or termination, a participant is entitled to receive a distribution in the amount equal to the value of the participant's vested interest in his or her account.

A participant may apply for a hardship withdrawal at any time. This withdrawal must be for an immediate financial need for which funds are not reasonably available from other resources. Hardships include post-secondary educational expenses for the participant or their dependents, medical expenses to the extent not otherwise reimbursed under ANA's medical programs, expenses for the purchase of a principal residence or major alteration thereto, to prevent eviction from or foreclosure on a principal residence and to pay for funeral or burial expenses or immediate and heavy financial needs as determined based on Internal Revenue Service ("IRS") Regulations.

In accordance with IRS Regulations, participants must first exhaust all other assets reasonably available to them prior to obtaining a hardship withdrawal.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("US GAAP"). Contributions and investment income are recognized when received and expenses are recognized when paid. Investments and their related gains or losses, are measured at fair value. Plan management has determined that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements.

Use of Estimates

The preparation of financial statements requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net assets available for benefits during the period. Accordingly, actual results could differ from those estimates.

2. Summary of Significant Accounting Policies *(continued)*

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are valued at outstanding principal amounts. If a participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Forfeitures

Forfeitures of unvested ANA discretionary matching or profit sharing contributions from terminated participant accounts are used to offset future ANA contributions or to pay expenses of the Plan. Participant forfeitures during the year ended December 31, 2025 were $51,304. During the year ended December 31, 2025, employer contributions were offset by forfeitures of $52,742. At December 31, 2025 and 2024, forfeited non-vested accounts amounted to $27,015 and $28,453, respectively.

Expenses

Certain expenses of maintaining the Plan are paid directly by ANA and excluded from these financial statements. The Plan pays administrative expenses that consist of investment advisory fees and recordkeeping fees. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Fair Value Measurements

The Plan follows US GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies and common/collective trusts are stated at fair value. Investments in registered investment companies are determined by quoted market prices which represents the net asset value ("NAV") of shares held by the Plan at year end and are registered with the Securities and Exchange Commission.

The common/collective trusts are valued at the NAV, which is used as a practical expedient based on the fund's underlying investments. Investment in the common/collective trust is recorded at the value reported to the Plan by Putnam Fiduciary Trust Company, which represents fair value of the underlying investments. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Pursuant to US GAAP guidance common/collective trusts where fair value is measured using NAV per share as a practical expedient are not categorized within the fair value hierarchy.

Purchases and sales of securities are recorded on the trade date with realized and unrealized gains and losses calculated on a moving average basis. Interest and dividend income are recorded when received. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events

The Plan has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date the financial statements were available to be issued, which date is October 14, 2026.

3. Tax Status

The IRS issued an opinion letter to the prototype plan document preparer, Fidelity Management & Research Co., dated June 30, 2020, which states that the form of the prototype plan qualifies under the applicable provisions of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan recognizes the effect of income tax positions only if those positions are more likely-than-not to be sustained upon examination by the taxing authorities. As of December 31, 2025, Plan management has determined that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. As of December 31, 2025, tax years for all years since December 31, 2022 remain open to examination by the IRS.

4. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in value of investments, dividend and interest income, and interest on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution.

5. Investments

The following table summarizes the valuation of the Plan's investments by the fair value hierarchy levels (see note 2) as of December 31, 2025 and 2024:

	2025		
	Total	Level 1	Other Investments Measured at NAV*
Registered investment companies	$ 33,811,142	$ 33,811,142	$ -
Common/collective trusts	9,081,546	-	9,081,546
	$ 42,892,688	$ 33,811,142	$ 9,081,546

	2024		
	Total	Level 1	Other Investments Measured at NAV*
Registered investment companies	$ 28,953,427	$ 28,953,427	$ -
Common/collective trusts	8,711,875	-	8,711,875
	$ 37,665,302	$ 28,953,427	$ 8,711,875

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

The Putnam Stable Value Fund is a collective trust fund consisting primarily of investment contracts issued by insurance companies and other financial institutions and guaranteed investment contracts. The fund seeks capital preservation and current income when consistent with capital preservation. Issuances and redemptions of units are made on each business day. There are no unfunded commitments.

6. Party-in-Interest Transactions

Certain investments of the Plan are managed by the Trustee and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA and are reflected in the statements of net assets available for benefits as notes receivable from participants.

Certain administrative functions are performed by officers or employees of ANA. No such officer or employee receives compensation from the Plan.

7. Risks and Uncertainties

The Plan's investments include investment securities that, in general, are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

8. Reconciliation of Financial Statements for Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 to the Form 5500:

Net assets available for benefits per the financial statements	$ 42,986,466
Deemed distributions	(2,959)
Net Assets Available for Benefits per Form 5500	$ 42,983,507

The following is a reconciliation of the net increase according to the financial statements to the Form 5500 for the year ended December 31, 2025:

Net increase per the financial statements	$ 5,205,210
Change in distributions	(2,844)
Change in interest on notes receivable from participants	(115)
Net increase per Form 5500	$ 5,202,251
