INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
SIMONA America Industries, LLC Group Medical Plan
Archbald, PA

Opinion

We have audited the financial statements of SIMONA America Industries, LLC Group Medical Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits and statements of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of SIMONA America Industries, LLC Group Medical Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
- Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

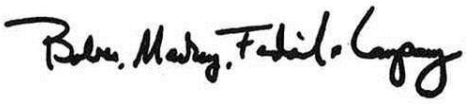

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SIMONA AMERICA INDUSTRIES, LLC GROUP MEDICAL PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 – PLAN DESCRIPTION

The following description of the SIMONA America Industries, LLC Group Medical Plan (the "Plan") provides general information about the Plan's provisions. Participants should refer to the Plan document and summary plan description for more complete information.

General

The Plan was adopted as of January 1, 2019 and provides medical benefits to eligible full-time employees of SIMONA America Industries, LLC (the "Company" or "Plan Sponsor"), their spouses, and eligible dependents. Full-time employees are considered those who are working at least thirty hours per week; however, the Company uses a complex look-back measurement method to determine who is a full-time employee for purpose of Plan coverage. Eligible full-time employees are eligible for coverage after they have been employed by the Company for thirty days. The thirty-day waiting period is waived for temporary agency employees that are hired after working as a temporary employee.

The Plan assets are held in the SIMONA America Industries, LLC Health Benefit Trust, which is a taxable trust established by the Company to hold the assets, fund claim payments, and pay administrative expenses of the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Benefits

The Plan provides for medical benefits only. The Plan also provides continuation of medical benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). The benefits are self-insured by the Plan. The claims for self-insured benefits are processed by the Plan's third-party administrators ("Claims Administrators"); however, the responsibility for payments to providers is retained by the Plan.

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit election. The Company makes contributions to the Plan to fund premiums, claims and administrative expenses of the Plan.

Plan Termination

Although it has not expressed an intention to do so, the Company reserves the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA and the Internal Revenue Code (the "Code"). Upon termination, the Plan's net assets will be allocated for payment in an order of priority determined in accordance with ERISA, applicable regulations, and the Plan document.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may vary from those estimates.

Payment of Claims
Claim payments are recorded when paid by the Claim Administrators. Amounts due to the Claims Administrators for claims processed by the Claims Administrators but not paid by the Plan are recorded as claims payable in the accompanying statements of net assets available for benefits.

Stop Loss
Premiums for stop loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits. For the years ended December 31, 2025 and 2024, stop loss reimbursements totaling $183,212 and $1,679,399 respectively, were netted with claims paid in the accompanying statements of changes in net assets. For the year ended December 31, 2025, the Plan utilized $131,084 of accumulated claim fund surplus through credits applied to future funding requirements.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Interest income is recorded on the accrual basis.

Subsequent Events
The Plan has evaluated subsequent events through August 12, 2026, the date the financial statements were available to be issued.

NOTE 3 – BENEFIT OBLIGATIONS

Plan obligations at December 31, 2025 and 2024 for incurred but not reported claims are estimated based on claims data provided by the Plan's Claim Administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1: Observable inputs such as quoted market prices in active markets;
- Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- Money market fund: Valued at the daily closing price as reported by the fund. The money market fund is not traded on an active market.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methods used to value investments.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Money market fund	$ -	$ 268,398	$ -	$ 268,398

	2024			
	Level 1	Level 2	Level 3	Total
Money market fund	$ -	$ 17,722	$ -	$ 17,722

NOTE 5 – TAX STATUS

Accounting principles generally accepted in the United States require the Plan's management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by a program manager. This transaction is a party-in-interest transaction under ERISA.

NOTE 7 – ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators and broker fees. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. All other administrative expenses are paid by the Company on behalf of the Plan.
