Independent Auditor's Report

To the Plan Administrator and Participants
The Merion Cricket Club 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Merion Cricket Club 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and December 31, 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agrees to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter, Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H – Part IV – Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter, Supplemental Schedule Required by ERISA (continued)

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of Plan

General

The following description of The Merion Cricket Club 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

On November 6, 1997, The Merion Cricket Club (the "Club") adopted the Plan as of January 1, 1997 and has subsequently amended and restated the Plan. The Plan is a defined contribution plan covering all employees of the Club who are age twenty-one or older and have completed 6 months of service measured from date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Club's management oversees governance of the Plan. The Club receives and reviews the regular reporting from the Investment Management Team. The Investment Management Team determines appropriateness of the Plan's investments and monitors the selection of funds and investment performance in the Plan.

Effective January 1, 2024, the Plan was amended to comply with the long-term part-time employee eligibility provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"). Under these provisions, employees who completed at least 500 hours of service in each of three consecutive 12-month periods and attain age 21 are eligible to make elective deferrals under the Plan as of January 1, 2024, even if they have not satisfied the Plan's standard 1,000-hour service requirement.

Effective January 1, 2025, the Plan was further amended, as required under the SECURE 2.0 Act of 2022, to expand these eligibility provisions to employees who complete at least 500 hours of service in each of two consecutive 12-month periods.

Contributions

Participants may contribute pretax annual compensation, as defined in the Plan. No after-tax contributions may be made to this Plan. The Club shall contribute a discretionary percentage of the participant's contribution to the Plan. The Board of Trustees approved a discretionary match of up to 4.5%. Additional amounts may be contributed at the option of the Club's Board of Trustees and there were no additional amounts contributed as od December 31, 2025. Contributions are subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows for rollover contributions from other qualified plans.

Investment options

Upon enrollment in the Plan, a participant may direct employee and employer contributions into certain available investment options.

THE MERION CRICKET CLUB
401(k) PLAN

Notes to Financial Statements (continued)
December 31, 2025

Note 1 - Description of Plan (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Club's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is one-hundred percent vested after three years of credited service. A participant is one-hundred percent vested upon attainment of normal retirement age, death, or disability, while an employee.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Club's contribution and (b) Plan earnings. Non-elective contributions are allocated, pro rata, as a uniform percentage of participant compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant notes

Under the terms of the Plan, participants are permitted to borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. This maximum amount is reduced by the excess of the Participant's highest outstanding balance of all loans on any day during the one (1) year period ending on the day before the loan is made, over the outstanding balance of loans from the Plan on the date the participant's loan is made. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participants' notes fund. Loan terms may not exceed five years except for the purchase of a primary residence, in which case, the loan period may be extended up to twenty-five years. A participant can have two loans currently outstanding from the Plan. The loans are secured by the vested balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. As of December 31, 2025, interest rates on the outstanding notes receivable from participants range from 4.25% to 9.50%.

Payment of benefits

On termination of service due to death, disability or attainment of retirement age, a participant or beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments as further outlined in the Plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Participants in the Plan may make in-service hardship withdrawals from their accounts subject to the provisions of the Plan.

THE MERION CRICKET CLUB
401(k) PLAN

Notes to Financial Statements (continued)
December 31, 2025

Note 1 - Description of Plan (continued)

Forfeited accounts

Forfeited non-vested accounts are used to first pay Plan expenses, then to reduce future Club contributions. For the year ended December 31, 2025, $8,035 was used to reduce Plan expenses. As of December 31, 2025, and December 31, 2024, there are no forfeited non-vested accounts balances.

Note 2 - Summary of significant accounting policies

Basis of accounting

The Plan's financial statements are prepared on the accrual basis of accounting, except for benefits paid which are recorded on a cash basis.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Realized and unrealized gains and losses from the assets in each account are credited to or charged against each participant's account. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Fair value measurements

Fair value refers to the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The fair value hierarchy gives the highest priority to quoted prices in active markets and the lowest priority to unobservable data. Fair value measurements are required to be separately disclosed by level within the fair value hierarchy. The three levels of inputs used to measure fair value are as follows:

Level 1 – Unadjusted quoted prices in active markets for identical assets.

Level 2 – Quoted prices for identical assets in markets that are not active, quoted prices for similar assets in active markets, inputs other than quoted market prices, and inputs derived principally from observable market data.

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Mutual funds

The Plan's investments in mutual funds are stated at fair value based on the quoted market prices of the underlying securities within each fund. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

Pooled separate accounts

The value of each pooled separate account is determined at the close of each business day based on the fair value of the respective investments. The value of each account is expressed in "units". The "unit value" is the dollar value of one unit and is determined at the close of each business day by dividing the total fair value of each account by the total number of units in the account. The value of each participant's account on any date is determined by multiplying the number of units held by the unit value at the close of the business day.

Common/collective trusts

The value of the common/collective trusts is determined at the close of each business day based on the fair value of the respective investments. The value of each account is expressed in "units". The "unit value" is the dollar value of one unit and is determined at the close of each business day by dividing the total fair value of each account by the total number of units in the account. The value of each participant's account on any date is determined by multiplying the number of units held by the unit value at the close of the business day.

Administrative expenses

Certain general administrative expenses of the Plan are paid by the Club and are not reflected in the accompanying financial statements. Certain other transaction-related participant expenses, such as those associated with loan maintenance and administration, are paid by the Plan and are included in the accompanying financial statements.

Certain administrative functions are performed by officers or employees of the Club. No such officer or employee receives compensation from the Plan.

Risk and uncertainties

The Plan's investments are exposed to various risks such as interest rate, market, credit and liquidity. Due to the level of risk associated with these investments, it is reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits as of December 31, 2025. The Plan's investments are not insured or protected by the Pension Benefit Guaranty Corporation, or any other governmental agency. Accordingly, the Plan is subject to the normal investment risks associated with common/collective trust accounts and mutual funds. Any defaults on notes receivable from participants are treated as taxable distributions to the participants.

Payment of benefits

Benefits are recorded when paid.

Contributions

Contributions from participants are recorded as they are withheld from the participants' wages. Contributions from the Club are recorded as earned.

Note 2 - Summary of significant accounting policies (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or December 31, 2024.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

Subsequent events

The Plan has evaluated events and transactions for potential recognition or disclosure through October 6, 2026, which is the date the financial statements were available to be issued.

Note 3 – Information certified by the Trustee

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Principal Trust Company has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and December 31, 2024, all investments reflected in the Supplemental Schedule H – Part IV – Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025 and the related investment activity, excluding interest from participant notes, reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

Note 4 - Parties-in-interest transactions

The Plan's investments are managed by Principal Trust Company. Principal Trust Company is the Trustee, as defined by the Plan and, therefore, is considered a party-in-interest.

Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Club. These transactions also qualify as party-in-interest transactions.

Note 5 – Plan termination

Although it has not expressed any intent to do so, the Club has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 6 – Tax status

The Internal Revenue Service has determined and informed the Plan by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended/restated since receiving the determination letter, the Plan Administrator believes that the Plan remains designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan remains qualified.
