INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Research Foundation for Mental Hygiene, Inc. TDA and (Frozen) DC Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Research Foundation for Mental Hygiene, Inc. TDA and (Frozen) DC Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Research Foundation for Mental Hygiene, Inc. TDA and (Frozen) DC Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Research Foundation for Mental Hygiene, Inc. TDA and (Frozen) DC Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Research Foundation for Mental Hygiene, Inc. TDA and (Frozen) DC Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Research Foundation for Mental Hygiene, Inc. TDA and (Frozen) DC Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Research Foundation for Mental Hygiene, Inc. TDA and (Frozen) DC Plan's ability to continue as a going concern for a reasonable period of time.

An independent member of UHY International

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information that is agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that is agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 — DESCRIPTION OF THE PLAN

The following description of the Research Foundation for Mental Hygiene, Inc. TDA and (Frozen) DC Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

Research Foundation for Mental Hygiene, Inc. TDA and (Frozen) DC Plan was created as a result of the amendment and restatement of the Research Foundation for Mental Hygiene, Inc. Frozen DC Retirement Plan ("former plan") on January 1, 2011, simultaneous with the merger of the former plan and the Research Foundation for Mental Hygiene, Inc. TDA Plan. The Plan, originally adopted in April 1966 and frozen effective January 1, 1995, is a defined contribution (money purchase) pension plan under Section 403(b) of the Internal Revenue Code ("IRC"). The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Teachers Insurance and Annuity Association (TIAA) is the Plan's record keeper, and together with College Retirement Equities Fund (CREF) (collectively "TIAA") is the insurance company issuer of the Plan's investments in annuities.

Eligibility and Contributions

Effective as of January 1, 2011, all active employees of Research Foundation for Mental Hygiene, Inc. (the "Employer") are eligible to make elective deferrals and rollover contributions into the Plan. There are no age or service requirements to participate. During the period from January 1, 1995 through December 31, 2010, the Plan did not permit employee, employer, or rollover contributions.

Participant Accounts

Participant accounts are credited with participant and employer contributions and optional participant rollovers, if any, plus allocated Plan earnings (losses). Plan earnings (losses) are allocated to participant accounts based on participant account balances, less distributions, as defined.

Vesting

All participants currently enrolled in the Plan are 100% vested in their account balances.

Payment of Benefits

Upon retirement or disability at any age, a participant is entitled under the terms of his or her retirement annuities to receive monthly payments, lump-sum distribution, or other form of periodic annuity payment.

Plan Loans

Plan loans are available to participants through TIAA, subject to certain limitations. Plan loans are issued directly from funds owned by TIAA and loan proceeds are not removed from a participant's account balance. However, a portion of the participant's TIAA Traditional Annuity account balance is reserved, or held as collateral, to cover the outstanding loan amount for the period of time the loan is outstanding.

NOTE 1 — DESCRIPTION OF THE PLAN (Continued)

Plan Loans (Continued)

For active loans, investments equal to 110% of the outstanding loan amount are reflected in the statements of net assets available for benefits and serve as collateral for the loan. Investments underlying defaulted loan balances are reflected in the statements of net assets available for benefits until a distribution event occurs.

At December 31, 2025 and 2024, participants had outstanding Plan loan balances due to TIAA of approximately $299,100 and $215,800, respectively.

Notes Receivable from Participants

Participants may borrow from their own participant accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. These loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at the prime rate, as defined.

Notes receivable from participants are measured as their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred.

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, with the exception of the fully benefit-responsive contracts which are presented at contract value. Net appreciation or depreciation in the fair value of investments includes the realized gains and losses on investments bought and sold as well as unrealized gains and losses on investments held during the year. Purchases and sales of securities are reported on a trade date basis. Interest earned on investments is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Fixed annuity contracts are TIAA Traditional Annuity contracts (TIAA Traditional Annuity) that are unallocated fixed annuity contracts that are fully and unconditionally guaranteed by TIAA. TIAA Traditional Annuity within liquid contracts are benefit responsive. TIAA Traditional Annuity within illiquid contracts are non-benefit responsive. TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest (generally 3%, but in some contracts between 1% and 3%) and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the "declaration year," which begins each March 1. Additional interest is not guaranteed for future years. Contributions to a participant's account purchase a guaranteed amount of lifetime annuity income. When a participant's account in the TIAA Traditional Annuity is annuitized based on available options, the present value of the stream of payments is equal to the account balance.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Examples of such events include the following: (1) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan's trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events are probable of occurring that might limit the ability of the Plan to transact at contract value with TIAA or Plan participants.

TIAA Traditional Annuity, Benefit-Responsive is valued at contract value. Because the annuity is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the annuity.

TIAA Traditional Annuity, Non-Benefit Responsive is reported at contract value, which approximates fair value.

The fair value of the pooled separate account and registered investment companies are equal to the net asset value reported by the funds of the shares or units held.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

All administrative expenses except those relating to investment transactions are paid by the Plan sponsor. Expenses related to investment transactions are netted against investment income when reported by the insurance companies or custodian.

Subsequent Events

The Plan has evaluated subsequent events through October 12, 2026, the date the financial statements were available to be issued.

NOTE 3 — INFORMATION CERTIFIED BY TIAA AND CREF

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the plan administrator has obtained certifications from Teachers Insurance and Annuity Association of America ("TIAA") and College Retirement Equity Fund ("CREF"), as (a) insurance companies for investments in annuities, and (b) as agents for investments for which TIAA Trust, N.A. serves as the custodian as to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, and the schedule of assets held (at end of year) as of December 31, 2025, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

NOTE 4 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 – inputs include: quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset and; inputs derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – inputs are unobservable and cannot be corroborated by observable market data.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used.

Pooled Separate Account: The pooled separate account investments are valued daily at the net asset value of the units held, and is comprised of investments in the TIAA Real Estate Account (REA), an insurance company separate account, of TIAA investing mainly in real estate and real estate related investments. This is a variable annuity. The REA's value is principally derived from the market value of the underlying real estate holdings or other real estate-related investments. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional's opinion. The REA sometimes holds securities as well. These are generally priced using values obtained from independent pricing sources. The TIAA general account provides the REA with a liquidity guarantee. Units in the REA are available for transactions daily at the closing net asset value. Transfers out of the REA are limited to one per calendar quarter.

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

Fixed Annuity Contracts, Non Benefit Responsive: Reported at contract value, which approximates fair value. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions and interest credited to the Plan's contracts, and transfers, less any withdrawals and transfers. The TIAA Traditional Annuity is not available for sale or transfer on any securities exchange, accordingly, transactions in similar investment instruments are not observable.

Registered Investment Company Accounts: Registered investment companies investments are valued daily at the net asset value of the shares or units held.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Investments at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**

Total Investments at Fair Value	$ 141,850,001	$ -	$ 42,393,237	$ 184,243,238

There were transfers into level 3 investments of approximately $3,024,806 and transfers out of level 3 investments of approximately $2,943,961 during the year ended December 31, 2025. There were no purchases of level 3 investments during the year ended December 31, 2025.

Quantitative and Qualitative Information Regarding Level 3 Fair Value Measurements

The following tables present information about significant unobservable inputs related to the Plan's investment in assets categorized as Level 3 in the fair value hierarchy at:

	December 31, 2025			
Type	**Fair value**	**Valuation technique**	**Significant unobservable inputs**	**Range**
TIAA Traditional Annuity - Non Benefit Responsive	$ 41,773,146	Discounted cash flow Theoretical transfer (exit value)	Risk-adjusted discount rate applied *	RA- 3.55% - 6.50%

* Unobservable inputs include discount rate applied.

The Plan reviews fair value estimates which are certified by the insurance company.

NOTE 5 — INCOME TAX STATUS

The Plan obtained its latest advisory letter on August 7, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 — RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 — PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by TIAA. TIAA is the Plan's record keeper and insurance company which holds plan assets and executes investment transactions and is the issuer of the annuity contracts of the Plan and, therefore, these transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

NOTE 8 — PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan, subject to the provisions of ERISA.
