INDEPENDENT AUDITORS' REPORT

To the Benefit Plans Committee and Participants of the
Alliant Energy Health & Welfare Benefit Plan:

Opinion

We have audited the accompanying financial statements of Alliant Energy Health & Welfare Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and benefit obligations for the year then ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Alliant Energy Health & Welfare Benefit Plan

Notes to Financial Statements
December 31, 2025 and 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the Alliant Energy Health & Welfare Benefit Plan (the Plan) provides only general information. Participants should refer to the various Plan documents for a complete description of the Plan's provisions.

a. General
The Plan provides health and welfare benefits covering substantially all eligible active employees of Alliant Energy Corporation (Alliant Energy) or its subsidiaries (collectively, the Companies). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is administered by the Benefit Plans Committee of Alliant Energy and sponsored by Alliant Energy Corporate Services, Inc. (Corporate Services), a direct subsidiary of Alliant Energy.

b. Benefits
The Plan provides health, vision, dental, mental wellness, death and long-term disability benefits to eligible active employees of the Companies and their eligible dependents. The Companies are self-insured for health and dental benefits. Health and prescription drug claims are processed by Anthem Blue Cross Blue Shield and Carelon Rx, and dental claims are processed by Delta Dental of Wisconsin. Vision benefits are insured through VSP. Mental wellness benefits are administered by Spring Health. Death benefits are insured through Securian Financial and the long-term disability benefits are insured through Lincoln Financial Group.

The Plan also provides eligible active employees with the option to elect additional death benefits, accidental death and dismemberment benefits and participation in a flexible spending plan. Eligible active employees may also elect health coverage that includes a health reimbursement arrangement or a health savings account which can include employer contributions.

All death and long-term disability benefits are the obligation of the insurer.

c. Amendments to or Termination of the Plan
Corporate Services has the right under the Plan to modify benefits provided and contributions required of employees, to discontinue its contributions, and to terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

a. Basis of Accounting
The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) on the accrual basis of accounting. Management has evaluated subsequent events through the date which the financial statements were available to be issued on October 12, 2026.

b. Expenses
Expenses of the Plan are paid from the general funds of the respective Companies.

c. Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may, in some cases, differ from these estimates.

d. Risk and Uncertainties

Plan obligations for future long-term disability payments to participants are made based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption processes, it is reasonably possible that changes in these estimates and assumptions in the near term could materially affect the amounts reported in the financial statements.

NOTE 3. CONTRIBUTIONS AND FUNDING POLICY

Funding for the health and dental benefits for active employees is made by the Companies as claims are incurred and reported for payment. Funding for the mental health, death, long-term disability and vision benefits for active employees is made by the Companies as insurance premiums are incurred. Employees also contribute specified amounts for the coverage they elect.

NOTE 4. TAX STATUS

The Plan is subject to routine audits by the Internal Revenue Service; however, there are currently no audits on the Plan for any tax periods. The Committee believes the Plan is no longer subject to income tax examinations for years prior to 2022.

NOTE 5. BENEFIT OBLIGATIONS

Plan obligations for future long-term disability payments to participants are determined by the Plan's actuary and are based on those participants considered permanently disabled at December 31, 2025 and 2024 and were calculated using a weighted-average discount rate of 4.00% and 4.30%, respectively.

NOTE 6. RECONCILIATION TO FORM 5500

The following tables reconcile net assets available for benefits and changes in net assets available for benefits per the financial statements to the Form 5500 as filed by Corporate Services:

	December 31,	
	2025	2024
Net assets available for benefits per financial statements	**$1,553,177**	$2,956,061
Adjustment for claims incurred but not reported	**(3,208,000)**	(3,246,000)
Adjustment for health and dental claims payable	**(257,940)**	(1,238,894)
Net assets available for benefits per Form 5500	**($1,912,763)**	($1,528,833)

	For the Year Ended December 31, 2025
Net decrease in net assets available for benefits per financial statements	**($1,402,884)**
Adjustment related to change in health and dental claims payable	**980,954**
Adjustment related to change in claims incurred but not reported	**38,000**
Net decrease in net assets available for benefits per Form 5500	**($383,930)**

The Plan had health and dental claims payable and health claims incurred but not reported as of December 31, 2025 and 2024 that are recorded as reductions of net assets available for benefits in the

Plan's Form 5500; however, these amounts are included in benefit obligations, and therefore are not a component of net assets available for benefits in the accompanying financial statements.
