INDEPENDENT AUDITORS' REPORT

To the Benefit Plans Committee and Participants of the
Alliant Energy Retiree Health & Welfare Benefit Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Alliant Energy Retiree Health & Welfare Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) and Reportable Transaction are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Alliant Energy Retiree Health & Welfare Benefit Plan

Notes to Financial Statements
December 31, 2025 and 2024

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of the Alliant Energy Retiree Health & Welfare Benefit Plan (the Plan) provides only general information. Participants should refer to the various Plan documents for a complete description of the Plan's provisions.

a. General
The Plan provides health and welfare benefits covering all eligible retirees of Alliant Energy Corporation (Alliant Energy) or its subsidiaries (collectively, the Companies). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is administered by the Benefit Plans Committee of Alliant Energy and sponsored by Alliant Energy Corporate Services, Inc. (Corporate Services), a direct subsidiary of Alliant Energy. The Plan's trustee is Delaware Charter Guarantee & Trust Company, conducting business as Principal Trust Company (the Trustee or Principal).

b. Benefits
The Plan provides health, vision, dental and death benefits to eligible retirees of the Companies and their eligible dependents.

Less Than Age 65 - The Companies are self-insured for health and dental benefits. Health and prescription drug claims are processed by Anthem Blue Cross Blue Shield and Carelon Rx, and dental claims are processed by Delta Dental of Wisconsin. Vision benefits are insured through VSP. Death benefits are insured through Securian Financial. Eligible retirees less than age 65 may also elect health coverage that includes a health reimbursement arrangement (HRA).

Age 65 and Over - Eligible retirees age 65 and over are provided a HRA processed by Willis Towers Watson's Via Benefits; however, these retirees must purchase independent individual health care policies. Death benefits are insured through Securian Financial.

c. Postretirement Contributions
The postretirement costs of the Plan are shared by the Companies and certain retirees. In addition to deductibles and co-payments, approximate monthly participant retiree contributions, based on retirement date and the company from which the participant retired, were generally as follows:

		Non-bargaining		Bargaining	
		2025	2024	**2025**	2024
Retiree Contributions for Participants:					
Less Than Age 65:	Retiree	**$570**	$570	**$159-570**	$159-$570
	Retiree plus one	**1,140**	1,140	**361-1,140**	361-1,140
	Family	**1,732**	1,732	**560-1,732**	560-1,732
	Surviving spouse (a)	**1,141**	1,141	**1,141**	1,141

(a) Amounts represent the full cost of coverage surviving spouses pay after six months following the death of retiree. Certain surviving spouses may only continue coverage until they reach age 65, at which time coverage ceases.

Due to the Plan benefits for retirees age 65 and over, they do not make monthly participant retiree contributions.

d. Descriptions of the Trusts

The Wisconsin Power & Light Non-Bargaining Employees Health and Welfare Benefit Trust (WPL Non-Bargaining Trust) is a Voluntary Employee Beneficiary Association (VEBA) trust with Principal as trustee and is established for funding health and welfare benefits for certain retired WPL non-bargaining employees.

The Interstate Power and Light Bargaining Employees Health and Welfare Benefit Trust (IPL Bargaining Trust) is a VEBA trust with Principal as trustee and is established for funding health and welfare benefits for certain retired IPL bargaining employees.

The Servco/AER Employees Health and Welfare Benefit Trust (Servco/AER Trust) is a VEBA trust with Principal as trustee and was established for funding health and welfare benefits for certain retirees of Corporate Services and Alliant Energy Resources, LLC (AER) and its subsidiaries. The Servco/AER Trust funded health and welfare benefits for certain retirees of Cedar Rapids and Iowa City Railway Company (CRANDIC) and AER until funds in the trust for CRANDIC and AER were exhausted in December 2015 and June 2016, respectively. Funding for health and welfare benefits for certain retirees of CRANDIC and AER is now made by CRANDIC and AER, respectively, as claims are incurred and reported for payment.

e. Amendments to or Termination of the Plan

Corporate Services has the right under the Plan to modify benefits provided and contributions required of retirees, to discontinue its contributions, and to terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

a. Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S.) (GAAP) on the accrual basis of accounting. Management has evaluated subsequent events through the date which the financial statements were available to be issued on October 12, 2026.

b. Valuation of Investments

All investments are carried at fair value as determined by the Trustee by reference to published market data.

c. Net Appreciation/Depreciation in Fair Value of Investments

Net realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as “Net appreciation (depreciation) in fair value of investments.”

d. Expenses

Expenses of the Plan associated with certain retirees' benefits are paid from the appropriate trusts, if applicable, or from the general funds of the respective Companies. All other expenses of the Plan are paid from the general funds of the respective Companies.

e. Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may, in some cases, differ from these estimates.

f. Risk and Uncertainties

The Plan invests in registered investment companies and money market funds. Investments, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of certain investments may occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

The Companies' contributions to the trusts are made and the actuarial present value of postretirement benefit obligations are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation and assumption processes, it is reasonably possible that changes in these estimates and assumptions in the near term could materially affect the amounts reported in the financial statements.

NOTE 3. CONTRIBUTIONS AND FUNDING POLICY

The Companies' contributions to the trusts under the Plan are primarily based on the respective funding requirements of each trust and actuarial calculations performed by Willis Towers Watson, the Plan's actuary and are in accordance with applicable respective state regulations. Funding for the health and dental benefits for certain retirees is made by the respective Companies as claims are incurred and reported for payment. Certain retirees also contribute specified amounts for the coverage selected.

Certain retiree benefits are funded through a Section 401(h) account within the Alliant Energy Cash Balance Pension Plan (Note 9). The net assets within this account are available to pay postretirement medical benefits for certain retirees under the Plan, and are included in the Plan's financial statements.

NOTE 4. INVESTMENTS

WPL Non-Bargaining Trust

The fair value of the assets held by the Plan in the WPL Non-Bargaining Trust at December 31, as certified by Principal were as follows:

	2025	2024
Investments at fair value:		
Registered investment companies	**$8,092,989**	$7,767,265
Interest-bearing cash	**473,122**	271,193
	$8,566,111	$8,038,458

Investment income of the WPL Non-Bargaining Trust assets held by the Plan in 2025 was as follows:

Interest and dividends	**$386,367**
Net realized and unrealized appreciation in fair value of investments	**132,470**
	$518,837

IPL Bargaining Trust

The fair value of the assets held by the Plan in the IPL Bargaining Trust at December 31, as certified by Principal were as follows:

	2025	2024
Investments at fair value:		
Registered investment companies	**$39,892,167**	$40,512,542
Equity funds	**17,312,036**	17,937,955
Interest-bearing cash	**2,398,680**	706,245
	$59,602,883	$59,156,742

Investment income of the IPL Bargaining Trust in 2025 was as follows:

Interest and dividends	**$2,284,815**
Net realized and unrealized appreciation in fair value of investments	**4,330,067**
	$6,614,882

Servco/AER Trust

The fair value of the assets held by the Plan in the Servco/AER Trust at December 31, as certified by Principal were as follows:

	2025	2024
Investments at fair value:		
Interest-bearing cash	**$1,069,895**	$969,001
	$1,069,895	$969,001

Investment income of the Servco/AER Trust in 2025 was as follows:

Interest and dividends	**$41,098**
	$41,098

NOTE 5. FAIR VALUE MEASUREMENTS

Fair value measurement accounting establishes three levels of fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy and a description of the Plan's assets for each are as follows:

Level 1 - Pricing inputs are quoted prices available in active markets for identical assets or liabilities as of the reporting date. Level 1 Plan assets include investments in registered investment companies and are valued at the closing price reported in the active market in which the individual securities are traded.

Level 2 - Pricing inputs are quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 2 Plan assets include interest-bearing cash held in money market accounts managed by an affiliate of the Trustee.

Level 3 - Pricing inputs are unobservable inputs for assets or liabilities for which little or no market data exist and require significant management judgment or estimation. The Plan did not hold any Level 3 assets at December 31, 2025 or 2024.

The fair value hierarchy gives the highest priority to quoted prices in active markets (Level 1) and the lowest priority to unobservable data (Level 3). In some cases, the inputs used to measure fair value might fall in different levels of the fair value hierarchy. The lowest level input that is significant to a fair value measurement in its entirety determines the applicable level in the fair value hierarchy. Assessing the significance of a particular input to the fair value measurement in its entirety requires judgment, considering factors specific to the asset or liability.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair Value Measurements - Assets subject to fair value measurements disclosure requirements were as follows:

NOTE 6. TAX STATUS

The Plan is subject to routine audits by the Internal Revenue Service (IRS); however, there are currently no audits on the Plan for any tax periods.

WPL Non-Bargaining Trust

The WPL Non-Bargaining Trust is a VEBA trust as allowed under Section 501(c)9 of the Internal Revenue Code (the Code). For 2025, the WPL Non-Bargaining Trust had unrelated business income and as applicable was subject to federal income tax at a rate of 37% on interest, dividend and short-term capital gains income and 20% on long-term capital gains income. The WPL Non-Bargaining Trust was also subject to state income tax during 2025.

The WPL Non-Bargaining Trust accounts for income taxes under the liability method as prescribed by the FASB's authoritative guidance on accounting for income taxes. Under the liability method, deferred income taxes are provided on the differences between the book and tax basis of assets and liabilities. At December 31, 2025 and 2024, the WPL Non-Bargaining Trust had book and tax basis differences on the carrying value of its investments resulting in deferred income tax assets of $177,266 and $259,955, respectively.

IPL Bargaining Trust

The IPL Bargaining Trust is a VEBA trust which is tax exempt under Section 501(c)9 of the Code. The IPL Bargaining Trust has obtained a favorable tax determination letter dated June 10, 1994 from the IRS approving its tax exempt status. The IPL Bargaining Trust has been amended since receiving the last tax determination letter. The Plan's administrator and the Plan's tax counsel believe that the IPL Bargaining Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Code.

Servco/AER Trust

The Servco/AER Trust is a VEBA trust as allowed under Section 501(c)9 of the Code. For 2025, the Servco/AER Trust had unrelated business income and as applicable was subject to federal income tax at a rate of 37% on interest, dividend and short-term capital gains income and 20% on long-term capital gains income. The Servco/AER Trust was also subject to state income tax during 2025.

The Servco/AER Trust accounts for income taxes under the liability method as prescribed by the FASB's authoritative guidance on accounting for income taxes. Under the liability method, deferred income taxes are provided on the differences between the book and tax basis of assets and liabilities. At December 31, 2025 and 2024, the Servco/AER Trust had no book and tax basis differences on the carrying value of its investments.

NOTE 7. BENEFIT OBLIGATIONS

The Plan's deficiency of net assets over benefit obligations at December 31, 2025 and 2024 is related to the postretirement benefit obligations, the funding of which is not covered by current contributions. The deficiency is expected to be funded through future contributions.

The postretirement benefit obligations represent the actuarial present value of those estimated future benefits that are attributed to employee service rendered to December 31. Postretirement benefits include future benefits expected to be paid to or for: (1) currently retired or terminated employees and their spouses and (2) active employees and their spouses after retirement from service with the Companies. Prior to an active employee's full eligibility date, the postretirement benefit obligations represent the obligations that are attributed to that employee's service to the Companies rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligations is determined by Willis Towers Watson, the Plan's actuary, and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment, and to reflect the portion of those costs expected to be borne by Medicare, the retired participants and other providers.

For measurement purposes, 8% and 7% annual rates of increase in the per capita cost of covered health care benefits was assumed for 2025 and 2024, respectively. The rates were assumed to gradually decrease to 5% by 2036 and 2033, respectively, and to remain at that level thereafter.

The following were other significant assumptions used in the valuations as of December 31, 2025 and 2024:

Weighted-average discount rate	2025: 5.40% 2024: 5.62%
Average retirement age	Non-bargaining: 61 Bargaining: 61
Mortality	2025: Pri-2012 Mortality Table using MP-2021 rates converging to a long-term rate of improvement similar to that of the 2025 Social Security Administration 2024: Pri-2012 Mortality Table using MP-2021 rates converging to a long-term rate of improvement similar to that of the 2024 Social Security Administration

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligations.

The health care cost-trend rate assumption has a significant effect on the amounts reported. A 1% increase in the assumed health care cost-trend rates, holding all other assumptions constant, would increase the obligation as of December 31, 2025 by approximately $1.0 million.

NOTE 8. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal has certified that the following data, included in the financial statements and supplemental schedules is complete and accurate:

(a) Investments as shown in the Statements of Net Assets Available for Benefits.

(b) The net realized and unrealized appreciation, and interest and dividend income as shown in the Statement of Changes in Net Assets Available for Benefits.

(c) The assets held for investment purposes at December 31, 2025, as shown on Schedule H, line 4i.

(d) The reportable transactions for the year ended December 31, 2025, as shown on Schedule H, line 4j.

(e) The assets acquired and disposed of within the year for the year ended December 31, 2025, as shown on Schedule H, line 4i.

The Plan's independent auditors did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 9. 401(h) ACCOUNT

The Companies have established a separate 401(h) account within the Alliant Energy Cash Balance Pension Plan. The assets, liabilities and earnings of the 401(h) account are segregated from the rest of the Alliant Energy Cash Balance Pension Plan's assets. The 401(h) account is used to pay postretirement medical benefits of certain retirees and their beneficiaries. These medical benefits are payable under the Plan. The assets within the 401(h) account may not be used to pay retirement benefit payments. The related postretirement benefit obligations for health benefits are not included in the Alliant Energy Cash Balance Pension Plan's financial statements but are reported as postretirement benefit obligations in the Plan's financial statements. No contributions were made to this 401(h) account in 2025 or 2024.

The following tables present the components of the net assets available for such obligations and the related changes in net assets available for this 401(h) account under the Plan:

Adjustment for claims incurred but not reported	**(694,000)**	(604,000)
Adjustment for premiums due to insurers	**(144,466)**	(32,494)
Adjustment for health and dental claims payable	**(339,075)**	(676,968)
Adjustment for deferred income taxes	**(177,266)**	(259,955)
Net assets available for benefits per Form 5500	**$69,296,132**	$68,411,263

	For the Year Ended December 31, 2025
Net decrease in net assets available for benefits per financial statements	**($1,647,976)**
Adjustment for net decrease in 401(h) account	**2,314,235**
Adjustment for deferred income taxes	**82,689**
Adjustment related to change in premiums due to insurers	**(111,972)**
Adjustment related to change in claims incurred but not reported	**(90,000)**
Adjustment related to change in health and dental claims payable	**337,893**
Net increase in net assets available for benefits per Form 5500	**$884,869**

The Plan had health and dental claims payable and health claims incurred but not reported as of December 31, 2025 and 2024 that are recorded as reductions of net assets available for benefits in the Plan's Form 5500; however, these amounts are included in benefit obligations, and therefore are not a component of net assets available for benefits in the accompanying financial statements. The 401(h) net assets and changes in 401(h) net assets are included in the accompanying financial statements for the Plan however, the Plan's Form 5500 does not include these amounts. The 401(h) net assets and changes in 401(h) net assets are included with the Alliant Energy Cash Balance Pension Plan's Form 5500 (refer to Note 9). Deferred income taxes are included in the accompanying financial statements of the Plan, but are not included in the Form 5500.

NOTE 11. OTHER MATTERS

In 2004, Alliant Energy adopted the FASB's authoritative guidance on accounting and disclosure requirements related to the Medicare Prescription Drug, Improvement and Modernization Act of 2003. In 2005, the U.S. Department of Health and Human Services (Centers for Medicare & Medicaid Services) published regulations regarding actuarial equivalence. Due to the amendment adopted in May 2011, Alliant Energy is not eligible to receive the Medicare subsidy. The Plan's postretirement benefit obligations and changes in postretirement benefit obligations do not reflect any amounts associated with the Medicare subsidy.

NOTE 12. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of funds managed by an affiliate of the Trustee. These transactions qualify as party-in-interest and are not prohibited transactions as defined by ERISA.

The Alliant Energy Cash Balance Plan holds assets within 401(h) accounts that are used to pay postretirement medical benefits. The Alliant Energy Cash Balance Plan transferred $3,081,736 from the 401(h) account balance to the Alliant Energy Retiree Health and Welfare Plan in 2025.

NOTE 13. SUBSEQUENT EVENT

Subsequent to December 31, 2025, changes to retiree health care benefits were approved that are expected to reduce the Plan's benefit obligation. Because the amendment was approved after year-end, its effects are not reflected in the accompanying 2025 financial statements.
