INDEPENDENT AUDITOR'S REPORT

October 13, 2026

To the Plan Administrator of the
Cloverwood Senior Living, Inc. 403(b) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of the Cloverwood Senior Living, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (Continued)
In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

October 13, 2026

To the Plan Administrator of the
Cloverwood Senior Living, Inc. 403(b) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of the Cloverwood Senior Living, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (Continued)
In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Cloverwood Senior Living, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Cloverwood Senior Living, Inc. (the Company). Effective October 13, 2024, the plan was amended to include Eastside Senior Care, Inc. as a participating employer. USI Consulting Group, Inc. (USI) serves as the third-party administrator and recordkeeper of the Plan. Charles Schwab Trust Bank serves as the custodian of the Plan's assets. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Eligibility

All employees are eligible to participate in the Plan immediately upon hire. Prior to January 1, 2025, participants became eligible to receive discretionary employer matching contributions and employer nonelective contributions upon attaining age 18 and became eligible for discretionary matching contributions on the first day of the month coinciding with or next following the date the eligibility requirements were satisfied.

Effective January 1, 2025, the Plan was amended to provide immediate eligibility for discretionary employer matching contributions and employer nonelective contributions on an employee's date of hire, which also serves as the participant's entry date for all contributions.

Contributions

The Plan allows participants to contribute up to 100% of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Participants may also roll over contributions from other qualified retirement plans, at the discretion of the Plan Administrator. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Effective January 1, 2025, participants aged 60 through 63 were eligible to make additional catch-up contributions of up to $11,250 for the 2025 Plan year in accordance with the Secure 2.0 Act. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has a 3% automatic enrollment deferred election provision, which is effective upon achieving eligibility.

The Plan allows for discretionary employer matching contributions. The employer match is calculated as 50% of employee deferral contributions up to 4% of eligible compensation for the years ended December 31, 2025, and 2024 and totaled $106,726 and $27,667, respectively, net of forfeitures applied.

The Plan allows for discretionary employer nonelective contributions. The nonelective contribution was 3% of eligible compensation for the years ended December 31, 2025, and 2024 and totaled $217,574 and $173,514, respectively. Such additional contributions will be allocated to participants based upon their percentage of total compensation to all eligible participants' compensation.

1. DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts
Each participant's account is credited with the participant's contribution, allocations of the discretionary employer matching and nonelective contributions, investment earnings/losses, and charged with an allocation of administrative expenses. Allocations of plan expenses are based on participant earnings/losses on investments, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their contributions plus actual earnings/losses thereon. Vesting in the discretionary employer matching and nonelective contributions is based on years of continuous service. A participant is fully vested after three years of credited service, or at death or permanent disability while an employee of the Company, as defined by the Plan.

Forfeitures
If an employee terminates their employment before their account has become fully vested, they will forfeit the unvested balance of their account, and the forfeitures are used to reduce employer matching and nonelective contributions. Forfeitures of non-vested account balances, including related investment earnings and fees, totaled $90,540 and $100,181 for the years ended December 31, 2025, and 2024, respectively. Forfeitures used to offset employer contributions for the years ended December 31, 2025, and 2024 were $908 and $58,483, respectively. There were $188,952 and $99,320 available forfeitures for the years ending December 31, 2025, and 2024, respectively.

Notes Receivable from Participants
Participants may borrow from their vested funds attributable to the participant's contributions, the discretionary employer matching and nonelective contributions and rollover contributions. A participant may borrow a minimum of $1,000 and up to the lesser of 50% of their vested account balance, or $50,000 reduced by the excess of: (1) the participant's highest outstanding loan balance during the preceding one-year period over (2) the participant's loan balance outstanding before the loan is made. The Plan allows for one outstanding loan per participant at any time.

Loans are repayable through payroll deductions over a period up to five years, except in the case of a loan taken for the purpose of purchasing a primary residence, which allows for a repayment period of fifteen years. All loans bear interest at the prime rate plus 1% as of the last day of the preceding calendar quarter.

Benefit Payments
On termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's balance in his or her account. Participants may elect disbursement of their vested account balance in either a lump-sum amount or direct rollover into an individual retirement account of another qualified plan. The normal retirement age is 65. Additionally, the Plan provides for in-services withdrawals from rollover contributions at any time to actively employed participants that have reached the age of 59 ½. Required distributions commence at the later of the calendar year after the participant attains age 70 ½ or retires.

Hardship Withdrawals
Hardship withdrawals from the Plan are permitted from a participant's account. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Noninterest-bearing Cash

Noninterest-bearing cash includes bank demand deposits accounts. The Plan's cash balances may at times exceed federally insured limits. The Plan has not experienced any losses in these accounts and believes it is not exposed to any significant risk with respect to cash.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds and money market funds are reported at fair value as reported by the custodian. The Plan's investment in its guaranteed investment account is a fully benefit-responsive investment contract reported at contract value as reported by the custodian. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's realized and unrealized gains on investments bought and sold, as well as held during the year. The costs of investments used in determining realized and unrealized gains is based upon average cost.

Fair Value Measurements – Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

See Note 4 for a description of where the Plan's assets fall within the fair value hierarchy.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Benefit Payments
Benefit payments are recorded when paid.

Administrative Expenses
Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Risks and Uncertainties
Investments are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amount reported in the financial statements.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information was certified as accurate and complete by Charles Schwab Trust Bank, the custodian, as of and for the years ended December 31:

	2025	2024
Investments, at fair value	$ 3,748,134	$ 2,584,878
Investment, at contract value	$ 48,459	$ 47,387
Notes receivable from participants	$ 32,412	$ 43,322
Investment income, net	$ 522,950	$ 264,907
Interest on notes receivable from participants	$ 2,687	$ 3,242
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets are measured at fair value on a recurring basis utilizing the following input levels at December 31, 2025:

	Level 1	Level 2	Level 3	Total
Noninterest-bearing cash	$ 1,937	$ -	$ -	$ 1,937
Mutual funds	3,557,246	-	-	3,557,246
Money market fund	188,951	-	-	188,951
	$ 3,748,134	$ -	$ -	$ 3,748,134

The Plan's assets are measured at fair value on a recurring basis utilizing the following input levels at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Noninterest-bearing cash	$ 75	$ -	$ -	$ 75
Mutual funds	2,485,483	-	-	2,485,483
Money market funds	99,320	-	-	99,320
	$ 2,584,878	$ -	$ -	$ 2,584,878

The following is a description of the valuation methodology used for assets measured at fair value:

Noninterest-bearing cash: fair value approximates the carrying amounts of such instruments due to their short maturity.

Mutual funds: valued at fair value based on quoted prices in active markets.

Money market funds: valued at net asset value of shares held at year end based on quoted prices in active markets.

There were no changes in valuation methodologies used during 2025 and 2024.

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has an investment contract through Prudential Retirement Insurance and Annuity Company (Prudential). The guaranteed income fund is maintained within Prudential's general account and is intended to preserve principal while providing a competitive rate of return. Interest is credited to participants' accounts through a declared interest rate established by Prudential and credited daily.

The guaranteed income fund is considered a fully benefit-responsive investment contract and is reported at contract value. Contract value represents contributions made to the contract, plus earnings credited under the contract, less participant withdrawals and administrative expenses. The contract is between the Company and the issuer. The repayment of principal and interest credited to participants is a financial obligation of the issuer. Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value.

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

The contract contains certain restrictions that may affect the timing of transfers from the fund. Transfers from the guaranteed income fund to competing funds, including money market funds and certain short-term fixed income funds, are subject to an equity wash provision requiring assets to be transferred to a non-competing fund for at least 90 days before transfer to a competing fund.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include, but are not limited to, failure of the Plan to qualify under the Internal Revenue Code, premature termination of the contract, plan termination, plan merger, bankruptcy of the Company, amendments to the Plan documents that significantly affect the terms of the contract, or the establishment of competing investment options that violate the contract's equity wash or transfer restrictions. The Plan administrator believes that the occurrence of events that would limit the Plan's ability to transact at contract value with participants is not probable.

The crediting interest rate is based on a contractually guaranteed interest rate. Such interest rates are reviewed on a semi-annual basis for resetting. The interest rate guaranteed by the contract issuer was 1.56% as of both December 31, 2025, and 2024.

6. PARTY-IN-INTEREST TRANSACTIONS

USI is the recordkeeper of the Plan’s assets. Charles Schwab Trust Bank is the custodian of the Plan’s assets. As such, transactions between the recordkeeper, custodian and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

7. TAX STATUS

The Plan adopted a pre-approved plan offered by USI Consulting Group. The pre-approved volume submitter 403(b) plan received an IRS Opinion Letter dated March 31, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Opinion Letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event that the Plan terminates, all participants will become fully vested in their accounts.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. However, net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2025, and 2024.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 13, 2026, which is the date the financial statements were available to be issued.
