INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
RENFROW BROTHERS 401K RETIREMENT PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of RENFROW BROTHERS 401K RETIREMENT PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of RENFROW BROTHERS 401K RETIREMENT PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 **and 2024**, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.
- the information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RENFROW BROTHERS 401K RETIREMENT PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RENFROW BROTHERS 401K RETIREMENT PLAN's ability to continue as a going concern for the year ended December 31, 2025.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RENFROW BROTHERS 401K RETIREMENT PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RENFROW BROTHERS 401K RETIREMENT PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i, Schedule of Assets (Held at End of Year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully,

Renfrow Brothers 401(k) Retirement Plan
Notes to Financial Statements
December 31, 2025 and 2024

A. Description of Plan

The following description of the Renfrow Brothers 401(k) Retirement Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General. The Plan is a defined contribution plan covering substantially all full-time employees of Renfrow Brothers, Inc. (the "Company") who have three months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

2. Contributions. Each year, participants may contribute up to 50 percent of pretax annual compensation, as limited each year by the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company can contribute a discretionary percentage of the salary reduction each participant elects to defer as determined each year by the Company. Additional amounts may be contributed at the discretion of the Company's board of directors.

   Upon enrollment, a participant may direct contributions to any of the Plan's investment options. Participants may change their investment options daily. All contributions are invested in various pooled separate accounts or the guaranteed interest account offered by Empower Annuity Insurance Company of America. Contributions are subject to certain limitations.

3. Participant Accounts. Each participant's account is credited with the participant's contribution, the Company's matching contribution, and all allocations of Plan earnings. Allocations are based on participants' earnings as defined. Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100 percent vested after five years of credited service, at normal retirement age or death, for employer contributions received prior to January 1, 2015. Effective January 1, 2015, the Plan elected to become Safe Harbor 401k Plan. Vesting percentages for participants that are terminated under circumstances that do not entitle them to the full vesting percentage under the Plan are listed below in the Vesting Schedule:

Years of Service	Percentage
1	0
2	25
3	50
4	75
5	100

5. Payment of Benefits. Upon qualification for benefits, a participant's vested account balance will be distributed in a single lump sum, or in installment payments over a specified period of time.

6. Forfeitures. The plan provides for participant forfeitures to decrease the required Company contributions or pay administrative expenses of the plan. As of December 31, 2025 and 2024 forfeited nonvested accounts totaled $6,364 and $5,016, respectively. These accounts will be used to reduce future employer contributions. In 2025 and 2024, employer contributions were reduced by $0 from forfeited nonvested accounts.

7. Participant Notes Receivable. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of (a) $50,000, reduced by the participant's highest outstanding loan balance for the prior 12 months over the outstanding loan balance on the date the loan was made, or (b) the greater of one-half of the present value of the participant's vested accrued benefit under the plan. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1-5 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is to be paid ratably through bimonthly payroll deductions.

8. Investment Options. Upon enrollment in the Plan, a participant may direct employee contributions in one percent increments in any of 26 investment options as provided for by Empower Annuity Insurance Company of America.

B. **Summary of Accounting Policies**

1. **Basis of Accounting**. The financial statements of the Plan are prepared under the modified cash basis method of accounting. This basis differs from accounting principles generally accepted in the United States of America because the Plan has not recognized contributions receivable. Modified cash basis differs from cash basis because the investments are adjusted to fair value.

2. **Investments**. Quoted market prices are used to value investments at fair value. Guaranteed Investment Contracts are valued at the contract value at the date of purchase.

3. **Payment of Benefits**. Benefits are recorded when paid,

4. **Estimates**. The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

5. **Date of Management's Review**. Subsequent events were evaluated through October 5, 2026.

C. **Investments**. The Plan's investments were held by Empower Annuity Insurance Company of America (trustee) in certain investment funds. The investments are presented at the fair value and contract value as determined and certified by the trustees at quoted market prices and contract values.

During the year ended December 31, 2025 the Plan's investments (including investments bought, sold, held during the year) appreciated $838,474 per the certified trust statements.

D. **Plan Termination**. Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan Termination, participants will become 100 percent vested.

E. **Tax Status**. The Plan uses a prototype document sponsored by Empower Annuity Insurance Company of America, which received an opinion letter from Internal Revenue Service dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan

has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. **Plan Administrative Expenses**. It is the policy of the Company to pay administrative expenses incurred by the Plan including, but not limited to, trustee fees and auditing fees.

G. **Market Risk**. All of the assets held for investment are subject to market risk. There is no coverage under FDIC for any of the investments held by the Plan. Consequently, the solvency of the Plan is directly dependent on the continued solvency of the Plan's investments and the economic market.

H. **Information Certified by Trustee**. In addition to the information contained in Note C, the trustees have certified, as being complete and accurate, all investment income that is reported.

I. **SECURE Act 2.0.** On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter.

J. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds – Valued at the net asset value (NAV) of shares held by the plan at year end.

Common/Collective Trust - The fair value of the investments in common/collective trusts (pooled) funds is determined by each fund's trustee based on the fair value of the underlying securities within the fund, which represent the net asset value of shares held by the Plan at year end. The investment in the trust is carried at fair value based on the closing price on NASDAQ. Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation dates.

The table below segregates all financial assets and liabilities as of December 31, 2025 and 2024 that are measured at fair value on a recurring basis (at least annually) into the most

appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date:

December 31, 2025	Fair Value	Level 1	Level 2	Level 3
Mutual Funds	$ 8,237,910	$ 7,664,241	$ 573,669	$ -
Notes Receivable from Participants	218,986	-	-	218,986
Total	8,456,896	$ 7,664,241	$ 573,669	$218,986
Investments measured at NAV	1,578,136			
Investments at Fair Value	$ 10,035,032			

December 31, 2024	Fair Value	Level 1	Level 2	Level 3
Mutual Funds	$ 494,073	$ 75,811	$ 418,262	$ -
Notes Receivable from Participants	154,022	-	-	154,022
Total	648,095	$ 75,811	$ 418,262	$154,022
Investments measured at NAV	7,297,105			
Investments at Fair Value	$ 7,945,200			

The following table for December 31, 2025 and 2024 sets forth a summary of the Plan's investments with a reported NAV.

	Fair Value	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Mutual Funds - December 31, 2025	$ 1,578,136		Immediate		None
Mutual Funds - December 31, 2024	$ 7,297,105		Immediate		None

K. Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $67,045 for the year ended December 31, 2025. The fees are deducted from participants' account and presented net of investment gain or loss.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
