INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Jaya Apparel Group LLC 401(k) Plan
Vernon, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Jaya Apparel Group LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Jaya Apparel Group LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Jaya Apparel Group LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jaya Apparel Group LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jaya Apparel Group LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jaya Apparel Group LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions for the year ended December 31, 2025, and Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1 - DESCRIPTION OF PLAN

The following description of Jaya Apparel Group LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan's provisions.

General

Effective on September 1, 1992, the Plan is a defined contribution retirement plan covering substantially all eligible employees of Jaya Apparel Group, LLC (the "Plan Sponsor"), the successor to the previous Plan sponsor, L'Koral Industries Inc. On January 1, 2010, the Plan changed its name from "L'Koral Industries, Inc. 401(K) Plan" to the Jaya Apparel Group LLC 401(k) Plan in connection with the change in the ownership of the Plan Sponsor. The Plan was organized to encourage and assist eligible employees of the Plan Sponsor to adopt a regular program of savings to provide additional security for retirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Sponsor is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

According to the provisions of the Plan, participants direct the investment of their accounts into various investment options offered by the Plan. Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Additionally, participants are 100% vested in their account and full benefits are available upon reaching retirement at age sixty-five, early retirement, death, total disability, or in the event of complete discontinuance of contributions or termination of the Plan.

The Plan provides that forfeitures, if any, shall be used to reduce the Plan's ordinary and necessary administrative expenses and/or matching contributions. Expenses and matching contributions in excess of the forfeitures are generally paid by the Plan Sponsor.

The Plan Sponsor appointed Empower Trust Company, LLC as the Plan's asset custodian ("Custodian") and Empower Retirement, LLC as the Plan's recordkeeper ("Recordkeeper").

Eligibility

Employees are immediately eligible to participate in the Plan provided that they have completed one month of service and are at the age of twenty-one or older. Upon meeting these requirements, automatic deferral will begin with 4% of compensation unless the employee states otherwise. Eligible employees may begin contributing to the Plan the first day of the following month after they meet the eligibility requirements.

Employee Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan and subject to certain limitations under the Internal Revenue Code ("IRC"). For the year ended December 31, 2025, participant's contributions generally may not exceed $23,500. Participants who have reached age 50 before the end of the Plan year are eligible to make additional catch-up contributions of up to $7,500. For 2025, participants ages 60 to 63 during the year are eligible to make enhanced catch-up contributions of $11,250. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

1 - DESCRIPTION OF PLAN (CONTINUED)

Employer Contributions

The Plan Sponsor may make a discretionary employer matching contribution to the Plan on behalf of a qualifying contributing participant, but only with respect to that participant's elective deferral. In 2025, the employer matched 100% of the first 5% of the compensation a participant contributed to the Plan. For the year ended December 31, 2025, the Plan Sponsor made matching contributions of $23,234.

Additional discretionary amounts may be contributed at the option of the Plan Sponsor's board of directors based on allocation groups as of the last day of the Plan year. For the year ended December 31, 2025, the Plan Sponsor did not make any discretionary contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Plan Sponsor's matching contributions, (b) the Plan Sponsor's discretionary contributions, and (c) Plan earnings which are charged an allocation of certain administrative expenses. Allocations of matching and discretionary contributions are based on participant contributions, as defined. Allocations of the Plan's earnings and administrative expenses are based on participant balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings, and losses thereon. Vesting in the Plan Sponsor's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service in accordance with the following schedule:

Years of Vesting Service	Vested Percentages
Less than 2 years	0 %
2 years	20 %
3 years	40 %
4 years	60 %
5 years	80 %
6 years	100 %

1 - DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their vested funds a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance and may have no more than three loans outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing local rates as determined quarterly by the Plan administrator. As of December 31, 2025, the rates of interest on outstanding loans ranged from 5.25% to 10.50%, and the loans mature through December 2030.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum distribution amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. All vested accounts with balances not exceeding $5,000 will be distributed as a single lump-sum payment.

In-Service Withdrawals

Participants who are at least 59-1/2 years of age are entitled to receive a distribution of all or any portion of their vested account balance.

Hardship withdrawals are permitted as provided for in the plan agreement and are subject to a $500 minimum distribution amount. Qualified reservist distributions are permitted as provided in the plan agreement.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.

Forfeited Accounts

Forfeitures of employer contributions may be used to pay Plan administrative expenses or to reduce future employer contributions. Forfeitures available as of December 31, 2025 and 2024, were $1,510 and $443, respectively. During the year ended December 31, 2025, forfeitures of $3,538 were used to pay Plan administrative expenses.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Contributions

Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which the participant contributions are withheld from compensation.

Investment Valuation and Income Recognition

Investments are reported at their fair values (Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's realized gains and losses on investments bought and sold during the year as well as unrealized gains and losses on investment held at year-end.

Notes Receivable from Participants

Notes receivable from participants are measured at unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses incurred in the administration of the Plan are paid by the Plan and allocated proportionally to each participant, except for processing fees for certain benefit payments, which are allocated to the respective individual participant's account.

3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Assets with quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 — Assets that have inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets;
b. Quoted prices for identical or similar assets or liabilities in inactive markets;
c. Inputs other than quoted prices that are observable for the asset or liability; and,
d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Assets with inputs to the valuation methodology that are unobservable and are significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following describes the valuation methodologies used for assets measured at fair value.

- *Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed actively traded and classified as Level 1 investments.

3 - FAIR VALUE MEASUREMENTS (CONTINUED)

- *Common collective trusts*: Contract value of the common collective trusts represents contributions made under the contract, plus earnings, less Plan withdrawals and administration expenses. Investments in wrapper contracts are reported at fair value using a discounted cash flow model that considers recent fee bids from recognized dealers, the discount rate, and the duration of the underlying portfolio securities. NAV of the underlying funds is reported by the investment advisor using the audited financial statements of the common/collective trust at year-end.

The following table presents the Plan's investments measured at fair value as of December 31, 2025 and 2024, by level within the fair value hierarchy.

December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,445,102	$ -	$ -	$ 3,445,102
Total assets in the fair value hierarchy	$ 3,445,102	$ -	$ -	3,445,102
Common collective trusts measured at NAV (a)				164,220
Total investments, at fair value				$ 3,609,322

December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,731,065	$ -	$ -	$ 2,731,065
Total assets in the fair value hierarchy	$ 2,731,065	$ -	$ -	2,731,065
Common collective trusts measured at NAV (a)				116,485
Total investments, at fair value				$ 2,847,550

(a) In accordance with FASB ASC 820, investments measured at NAV per share (or its equivalent) using the practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in a fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (the "Insurance Company"). The Insurance Company maintains the contributions in a general account which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The Insurance Company is contractually obligated to repay the principal and credited interest in accordance with the terms of the contract.

Because the investment contract meets the fully benefit-responsive investment contract criteria, the contract value is the relevant measurement for the portion of assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by the Custodian, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is agreed upon with the issuer.

Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) significant decline in creditworthiness of the Insurance Company (3) bankruptcy of the Plan Sponsor or other Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Sponsor does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

If the Plan requests a full or partial contract discontinuance, the issuer may impose a hold period at the contract level.

The investments at contract value for the fully benefit-responsive investment contract amounted to $165,917 and $133,981 as of December 31, 2025 and 2024, respectively.

5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks, such as interest rates, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with investment securities, that changes in the near term could materially affect a participant's account balance and the amounts reported in the accompanying financial statements.

6 - TAX STATUS

The Plan adopted a non-standardized, pre-approved, profit-sharing plan that is subject to a favorable opinion letter from the Internal Revenue Service ("IRS") on November 14, 2022. The plan administrator believes that the Plan is designed and operating in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

7 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the Custodian of the Plan, has certified as to the completeness and accuracy of the information described below.

- Investments reported in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.

- Notes receivable from participants in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, and related interest earned for the year ended December 31, 2025.

- Net appreciation in fair value of investments and the related interest and dividends reflected in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.

- Investments and notes receivable from participants reported in the supplemental schedule of assets (held at end of year).

8 - PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by the Custodian. Transactions with the Custodian qualify as party-in-interest transactions for which exemptions exist. Fees paid by the Plan for investment management services were $41,943 for the year ended December 31, 2025 and are included in administrative expenses.

9 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for plan benefits between the financial statements and Schedule H of Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net assets available for plan benefits per the financial statements	$ 3,882,983	$ 3,089,059
Employer contributions receivable	(899)	-
Participant contributions receivable	(16,621)	-
Net assets available for plan benefits as reported per Form 5500	$ 3,865,463	$ 3,089,059

The following is a reconciliation of the net increase in net assets available for benefits between the financial statements and Schedule H of Form 5500 for the year ended December 31, 2025:

	2025
Net increase in net assets available for benefits per the financial statements	$ 793,924
Employer contributions receivable	(899)
