Phoenix Rehabilitation & Health Services, Inc. 401(k) Profit Sharing Plan
Cranberry Township, PA

Independent auditors' report

Scope and nature of the ERISA Section 103(a)(3)(C) Audit
We have performed an audit of the accompanying financial statements of Phoenix Rehabilitation & Health Services, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) Audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Phoenix Rehabilitation & Health Services, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as December 31, 2025 and 2024 and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion
We conducted our audit in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Phoenix Rehabilitation & Health Services, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) Audit opinion.

Responsibilities of management for the financial statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) Audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Phoenix Rehabilitation & Health Services, Inc. 401(k) Profit Sharing Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Phoenix Rehabilitation & Health Services, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Phoenix Rehabilitation & Health Services, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) Audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental schedules required by ERISA
The supplemental schedules of assets held for investment purposes is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PHOENIX REHABILITATION & HEALTH SERVICES, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of Phoenix Rehabilitation & Health Services, Inc. 401(k) Profit Sharing Plan (the Plan) have been prepared in conformity with the modified cash basis of accounting as applied to pension trusts, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles. A summary of significant accounting policies follows.

Method of accounting
The financial statements of the Plan are presented on the modified cash basis of accounting, whereby Plan additions are recorded when received rather than when earned and Plan deductions are recorded when paid rather than when incurred.

Investments
In compliance with the Plan document, the Plan assets are invested in either shares of registered investment companies (mutual funds), common collective trusts, or interest-bearing cash accounts. Investments are reported at their fair market values except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of estimates
The preparation of financial statements, in conformity with the modified cash basis of accounting, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of Plan additions and deductions during the reporting period. Actual results could differ from those estimates.

Subsequent events
Management has evaluated subsequent events through October 9, 2026; the date financial statements were available to be issued.

2. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time employees of Phoenix Rehabilitation & Health Services, Inc., Phoenix Rehabilitation & Health Services of VA, LLC, Phoenix Rehabilitation & Health Services of DE, Inc., Aldridge Physical Therapy, LLC, Workplace Health, Back Mountain Physical Therapy, and Progressive Physical Therapy (the Companies) and are age twenty-one or older and casual part-time employees who have completed 1,000 hours of service during a one-year period and are of the age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan incorporates a cash or deferred salary reduction arrangement under Internal Revenue Code (IRC) Section 401(k) and is intended to comply with all requirements for Section 401(a) tax qualified plans.

Contributions - Participants may contribute up to 100% of their pretax annual compensation into the Plan, not to exceed a dollar limit which is set by law. The Company shall make matching contributions not to exceed the participants' contribution and 4% of compensation. The Company may also make contributions at the end of the Plan year at the discretion of management. For the years ended December 31, 2025 and 2024, the Company made matching contributions totaling $1,722,710 and $1,682,760 respectively. The Plan was amended in May 2020 replacing the safe-harbor match with a discretionary employer match.

Participant accounts - Each participant account is credited with the participant's contributions, the Company's matching contributions and allocations of the Company's discretionary contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined.

2. DESCRIPTION OF THE PLAN (CONTINUED)

Vesting - Participants are immediately vested in their contributions, company matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested with six or more years of credited service.

Loans to participants – The Plan was updated in 2021 to allow participant loans, but only for pre-existing participant loans that are part of direct rollovers from the 401(k) savings plan sponsored by an acquired company and made on behalf of participants who became participants as of January 1, 2021, who previously were employed by the acquired company and who are not highly compensated employees.

Payment of benefits - On termination of service, the participant may receive distributions equal to the value of the participant's vested accounts as a lump sum in cash.

Forfeitures - Forfeitures of nonvested account balances can be used to pay Plan administrative costs or used to reduce employer contributions.

3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and schedules in total and by fund, including investments held at December 31, 2025 and 2024, realized and unrealized appreciation (depreciation) in fair value of investments, net investment income for the years ended December 31, 2025 and 2024, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee. Investment information certified by the trustee of the Plan has not been audited by independent auditors.

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value in the accompanying statement of net assets available for benefit. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. INVESTMENTS (CONTINUED)

The following table presents the financial instruments carried at fair value as of December 31, 2025 and 2024, by the valuation hierarchy, as described below.

		Fair Value Measurement Using	
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Quoted Prices in Active Markets for Similar Assets (Level 2)
December 31, 2025			
Interest in common collective trusts	$ 768,167	$ -	$768,167
Mutual funds	59,451,477	59,451,477	-
Total	$60,219,644	$59,451,477	$768,167
December 31, 2024			
Interest in common collective trusts	$ 653,410	$ -	$653,410
Mutual funds	45,498,507	45,498,507	-
Total	$46,151,917	$45,498,507	$653,410

Accounting Standards for Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements
Valuations are based on quoted prices in active markers for identical assets or liabilities.

Level 2 Fair Value Measurements
Valuations are based on observable market-based inputs or unobservable inputs that are corroborated by market data.

Level 3 Fair Value Measurements
Valuations based on unobservable inputs (assumptions based on the best information available) that are significant to the fair value of the assets or liabilities.

4. INCOME TAX STATUS

The Company received a ruling from the Internal Revenue Service that the Plan is a qualified plan under Section 401(a) of the IRC; that the trust is exempt for taxation under Section 501(a) of the IRC; and that the Company's contributions are tax deductible to the extent permitted under Section 404 of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its tax-exempt status. The Plan has been amended since receiving the ruling from the Internal Revenue Service. However, the Plan's administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. TRANSACTIONS WITH PARTIES-IN-INTEREST

The Company provides certain administrative and accounting services to the Plan at no cost and also pays the cost of services provided to the Plan by the Plan's trustee and independent auditors. The cost of such services was approximately $10,200 and $9,800 for the years ended December 31, 2025 and 2024, respectively. The Plan also has investments with Fidelity Management Trust Company, the trustee, totaling $57,866,266 and $43,784,260 for the year ended December 31, 2025 and 2024, respectively.
