INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Kenney, Shelton, Liptak & Nowak LLP 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the financial statements of the Kenney, Shelton, Liptak & Nowak LLP 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for plan benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Matrix Trust Company as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate. The Fidelity Investments account is not certified and has been subjected to full audit procedures.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2024 financial statements related to assets held by and certified to by the Matrix Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Kenney, Shelton, Liptak & Nowak LLP 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kenney, Shelton, Liptak & Nowak 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kenney, Shelton, Liptak & Nowak LLP 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kenney, Shelton, Liptak & Nowak LLP 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of and for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. PLAN DESCRIPTION

The following is a brief description of the Kenney, Shelton, Liptak & Nowak LLP 401(k) Profit Sharing Plan (the "Plan") provided for general informational purposes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan as permitted under Section 401(k) of the Internal Revenue Code (the "Code") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is funded by employee and employer contributions and covers all eligible employees who have attained 21 years of age and completed at least 6 months of service, as defined. The Plan was adopted on January 1, 1996.

Contributions - Each eligible employee may make pre-tax and Roth contributions to the Plan in the form of a 1% to 100% salary reduction, not to exceed certain limits imposed by the Code. The Plan Sponsors make a safe harbor contribution in an amount not less than 3% of an eligible employees' compensation. The employer may also make discretionary profit-sharing contributions to the Plan. These contributions are also nonelective deferrals based on the employee's compensation. Employer contributions are recorded on an accrual basis as 'Contribution Receivable' as they are paid to the Plan in the year following the profit-sharing basis year. Contributions to the Plan by the Plan Sponsors for the years ended December 31, 2024 and 2023 were $237,658 and $348,439, respectively.

Vesting - Participants are fully vested in their elective deferral account, rollover contribution account, qualified non-elective contribution account, and employer safe harbor account at all times. Vesting in non-elective contributions is based on years of continuous service. Participants are fully vested after six years of continuous service. Subject to the provisions of the Plan, the Plan Trustees have the right to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. Participants will be entitled to the amount of their account at the date of such termination.

Participant Accounts - Each participant's account is credited with his or her pre-tax or Roth contribution and an allocation of the Plan Sponsors' contributions, Plan earnings and administrative expenses. Allocations of earnings are based on participant account balances.

Participant Loans - Participants may generally borrow up to 50% of their account balance ranging from a minimum of $1,000 to a maximum of $50,000. A participant may have a maximum of two loans outstanding. Loans bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Loans must be repaid in at least quarterly installments over a maximum term of 5 years, except for residential loans in which the term may be longer.

Payment of Benefits - Participants are eligible for retirement benefits at age 65. Benefits are determined by the final value of the participant's account at the time of termination, retirement, or death. Early retirement is permitted at age 55.

Withdrawals and Distributions - Upon termination of service for reasons other than death, a participant (or beneficiary) will receive a lump-sum distribution equal to the vested interest in his or her account. Distributions may also be made in substantially equal annual or more frequent installments over a period not to exceed the joint life expectancy of the participant or beneficiary.

1. PLAN DESCRIPTION (*Continued*)

Forfeited Accounts - Forfeited nonvested accounts are used to offset plan expenses. Forfeitures totaled $4,320 and $3,223 for the years ended December 31, 2024 and 2023, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation - The accompanying financial statements have been presented on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments in pooled separate accounts are stated at fair value based on quoted market prices of underlying investments provided by Fidelity Investments and the Matrix Trust Company ("Matrix") as of December 31, 2024. The average yield and crediting interest rate was approximately 1% for 2024 and 2023. The crediting interest rate is based on a formula agreed upon with the issuer, and it may not be less than 1% for 2024 and 2023. Such interest rates are reviewed periodically during the year for resetting. Net appreciation in fair value of investments includes net realized gains and losses on investments sold. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Participant Loans Receivable - Loans receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Interest rates on outstanding loans ranged from 5.25% to 10.50% at December 31, 2024.

Benefit Payments - Benefits are recorded when paid.

Administrative Expenses - Costs associated with investment, distribution and other transactions are paid by participants from their individual account balances. Substantially all costs of administering and managing the Plan are paid by the Plan Sponsors. During the years ended December 31, 2024 and 2023, expenses paid by the Plan totaled $62,891 and $52,505, respectively.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts of net assets at the date of the financial statements and the changes in net assets during the reporting period. Actual results may differ from these estimates.

Subsequent Events - The Plan has evaluated events and transactions that occurred between January 1, 2025, and October 15, 2025, which is the date these financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Represents inputs to the valuation methodology which consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Represents inputs to the valuation methodology which consist of: 1) quoted market prices for similar assets or liabilities in active markets; 2) quoted market prices for identical or similar assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability; and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Represents inputs to the valuation methodology that are unobservable and are significant to the overall fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for Plan assets measured at fair value:

Pooled Separate Accounts: Valued based on quoted market prices of underlying investments.

The Plan's investments in pooled separate accounts are invested in global and domestic equity and fixed income based investments. The net asset value of these investments is derived from the market value of the underlying investments. The net asset values of the funds are then calculated each day and posted by Fidelity Investments and the Matrix Trust Company. The investment strategies of these accounts are to invest in global and domestic equity and fixed income investments with the goal of producing favorable long-term returns primarily through appreciation of assets, dividends, and interest. There are no restrictions on the number of transactions a participant can conduct. These accounts do not have any unfunded commitments.

The following table sets forth the Plan's assets at fair value as of:

	Assets at Fair Value as of December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**

	$ 8,201	$ 8,628,238	$ -	$ 8,636,439

4. INCOME TAX STATUS

The Plan obtained a determination letter from the Internal Revenue Service stating that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and therefore was exempt from taxation under Section 401(a) of the Code. The Plan has since been amended; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and therefore believe that the plan is qualified and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

5. RISKS AND UNCERTAINTIES

The Plan invests in multiple investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for plan benefits.

6. SUMMARY OF CUSTODIAN INFORMATION

The following is a summary of information included in the Plan's financial statements and supplemental schedules. The Fidelity Investments account listed below is not certified and is subject to full audit procedures. The remaining account information was prepared by the Matrix Trust Company and furnished by the Plan Sponsors. The Custodian has certified that the information is complete and accurate.

7. PARTY-IN-INTEREST TRANSACTIONS

The Plan engages in transactions with parties in interest, including the Plan sponsor and other service providers, as defined by ERISA. During the year ended December 31, 2024, the Plan paid $50,750 in investment advisory fees to Pratt Collard Buck Advisors, LLC, and $12,141 in administrative fees to P&A Retirement Plan Services, Inc. Employer contributions receivable of $261,382 were due from the Plan sponsor, Kenney, Shelton, Liptak & Nowak, LLP, as of December 31, 2024. Matrix Trust Company, the Plan's trustee, held net assets available for Plan benefits of $10,650,927 at December 31, 2024.

These transactions qualify as party-in-interest transactions under ERISA but are exempt from being considered prohibited transactions. The Plan did not engage in any prohibited transactions for the year ended December 31, 2024.
