INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust
Appleton, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued or, when applicable, one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S.GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S.GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - Description of Plan

The following description of the Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan, as adopted effective October 1, 2016, restated May 20, 2022, covering substantially all employees of Rochelle Leigh Group LLC (the "Company"), who have met the eligibility requirements. Employees are auto enrolled into the Plan on the first day of each month after they become eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Participants may elect to contribute up to 92 percent of their compensation to the Plan, not to exceed the amount allowed by the Internal Revenue Service ("IRS"). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has an auto enrollment feature with an initial enrollment of 6 percent and an auto deferral increase of 1 percent per year up to a maximum of 10 percent.

The Company will match 100 percent of participant deferrals up to 3 percent and has the option to do a discretionary profit-sharing contribution.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) discretionary profit-sharing contribution, and (c) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested after five years of credited service.

Participant Loans - Participant loans are not allowed in this Plan.

Payments of Benefits - Plan benefits are available at retirement, disability, death, financial hardship and termination of employment in a lump-sum payment, partial payments, installation payments or an annuity contract. The Plan also allows for in-service distributions upon attaining age 59 ½. However, if the value of the vested benefit is less than $5,000, a lump-sum distribution will be made regardless of whether or not an election has been made.

Administrative Expenses - All administrative expenses may be paid out of the Plan unless paid by the Company. During 2025 and 2024, expenses were paid by both the Plan and the Company.

Forfeited Accounts - At December 31, 2025 and 2024, forfeited nonvested accounts totaled $3,876 and $1,672, respectively. These amounts can be used to reduce employer contributions, as an employer profit-sharing contribution or to pay Plan expenses. During 2025 and 2024, Plan expenses were reduced by $18,230 and $5,913 from forfeited nonvested accounts, respectively. During 2025 and 2024, an employer profit-sharing contribution of $1,672 and $4,591 was made from forfeited nonvested accounts, respectively.

NOTE 2 - Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements and supplemental schedule is as follows:

Basis of Accounting and Presentation - The financial statements of the Plan are prepared using the accrual method of accounting and are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) as codified by the Financial Accounting Standards Board.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Contributions - Contributions from Plan participants and the matching contributions from the Plan sponsor are recorded in the year in which the employee contributions are withheld from compensation.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - The Plan has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.

NOTE 3 - Concentrations

The Plan's investments that represented 10 percent or more of the Plan's net assets available for benefits as of December 31, 2025 and 2024 are as follows:

	DECEMBER 31,	
	2025	2024
FlexPath Index Moderate 2055 Fund Class R1	$ 1,830,984	$ 1,445,327
FlexPath Index Moderate 2045 Fund Class R1	560,869	436,677

NOTE 4 - Fair Value Measurements

The Plan has determined the fair value of certain assets in accordance with the provisions of U.S. GAAP, which provides a framework for measuring fair value under generally accepted accounting principles.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - Fair Value Measurements - Continued

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

	DECEMBER 31, 2025	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
Mutual Funds	$ 65,441	$ 65,441	$ -	$ -
Total assets in the fair value hierarchy	65,441	$ 65,441	$ -	$ -
Investments measured using net asset value practical expedient*	2,727,772			
Investments at fair value	$ 2,793,213			

	DECEMBER 31, 2024	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)
Mutual Funds	$ 64,249	$ 64,249	$ -	$ -

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 4 - Fair Value Measurements - Continued

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the net asset value per share as a practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	FAIR VALUE	UNFUNDED COMMITMENTS	REDEMPTION FREQUENCY (IF CURRENTLY APPLICABLE)	REDEMPTION NOTICE PERIOD
Common/Collective Funds	$ 2,723,896	$ -	N/A	1 day
Stable Value Funds	$ 3,876	$ -	N/A	1 day
Total Investments Measured Using the Net Asset Value as a Practical Expedient	$ 2,727,772			

December 31, 2024	FAIR VALUE	UNFUNDED COMMITMENTS	REDEMPTION FREQUENCY (IF CURRENTLY APPLICABLE)	REDEMPTION NOTICE PERIOD
Common/Collective Funds	$ 2,080,555	$ -	N/A	1 day
Stable Value Funds	$ 1,672	$ -	N/A	1 day
Total Investments Measured Using the Net Asset Value as a Practical Expedient	$ 2,082,227			

NOTE 5 - Information Certified by the Plan Custodian

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2025 and 2024, was obtained or derived from the information furnished to the Plan administrator and certified as complete and accurate by Mid Atlantic Trust Company, the custodian of the Plan.

NOTE 6 - Tax Status

The Company became a participating employer in the Paychex Inc. Prototype Non-Standardized Profit-Sharing Plan with CODA, effective October 1, 2016 with a restatement of the Plan on May 20, 2022, and is relying on its opinion letter dated August 31, 2020. The Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 7 - Transactions with Parties-in-Interest

Fees for legal and professional services rendered to the Plan may be paid for by the Company at its discretion. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 8 - Amounts Owed to Participants Withdrawing from the Plan

There were no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2025 and 2024.

NOTE 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - Excessive Deferral/Contribution

For the year ended December 31, 2025, a highly compensated participant contributed in excess of the amount that was allowed by the average deferred percentage (ADP) test. For the year ended December 31, 2024, the Plan passed the ADP test, and no excess contribution was identified. For the ADP test, the amounts totaled $573 and $-0-, for the years ended December 31, 2025 and 2024, respectively.

NOTE 11 - Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 12 - Reconciliation of Financial Statements to 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500:

INDEPENDENT AUDITORS' REPORT ON COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

To the Plan Administrator
Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust
Appleton, Wisconsin

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust (the "Plan") as of and for the year ended December 31, 2025 and have issued our report thereon dated October 13, 2026. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated February 24, 2026, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our comments regarding significant control deficiencies and other matters noted during our audit in separate letters to you dated October 13, 2026.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

We have identified the following significant risks:

- Management Override of Controls - professional standards require the auditor to address the risk that management is in a unique position to override controls that otherwise appear to be operating effectively.
- Improper Revenue Recognition - professional standards require the auditor to presume that risks of material misstatements exist in revenue recognition.
- Unauthorized Benefit Payments - risk that unauthorized benefit payments could be paid out of a participant's account.

We have designed our audit procedures to adequately address the significant risks identified.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of significant accounting policies adopted by Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2025. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates exist that were not identified as a significant risk.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust's financial statements relate to fair value estimates.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We have not identified any significant unusual transactions during the audit.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. The attached schedule (Appendix A) summarizes uncorrected financial statement misstatements whose effects in the current and prior periods, as determined by management, are immaterial both individually and in the aggregate, to the financial statements taken as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. We are pleased to report no such misstatements were identified.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated October 13, 2026 (Appendix A).

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust's auditors.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, was subject to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This report is intended solely for the information and use of the Plan administrator and management of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON COMMUNICATION OF SIGNIFICANT DEFICIENCIES

To the Plan Administrator
Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust
Appleton, Wisconsin

Except as discussed in the following paragraphs, in planning and performing our audit of the financial statements of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust (the "Plan") as of and for the year ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- Reasonably possible. The chance of the future event or events occurring is more than remote but less than likely.
- Probable. The future event or events are likely to occur.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Plan's internal control to be significant deficiencies.

Management's Responsibility for Preparation of Financial Statements

Adequate internal controls necessitate personnel of the Plan sponsor to have adequate training and knowledge which would enable them to prepare financial statements and footnotes in accordance with generally accepted accounting principles (GAAP). The training and knowledge of the personnel limits the Plan sponsor's ability to prepare GAAP-basis financial statements. This weakness could result in undetected errors or irregularities. Without additional training of personnel, adequate internal control over financial reporting is not possible. We suggest the Plan sponsor continue to use the assistance of an accounting firm to prepare its GAAP-basis financial statements and monitor transactions and recordkeeping transactions processed by the Plan's third-party administrator (TPA).

Third-Party Administrator Reliance

During the audit and our review of the internal control documentation, we noted that the Plan sponsor lacks sufficient monitoring controls over the third-party administration. We recommend the Company not over rely on the TPA. The Plan sponsor should consider the following procedures:

- Reconcile employee and employer contributions recorded on trust statements to payroll records in total and on a participant-by-participant basis.
- Perform quarterly reviews of a sample of participant accounts to verify that:
    - Deferral amounts agree to participant election forms; and
    - Contributions have been allocated to the appropriate investment options.
- Independently recalculate vesting percentages when benefit payments occur to verify the accuracy of forfeiture calculations.
- Review all distribution and loan requests for accuracy, completeness, proper authorization, and compliance with Plan provisions prior to processing.
- Reconcile distribution and loan reports received from the TPA to internally maintained documentation supporting the related participant requests.
- Establish an independent review of payroll processing and contribution remittances to mitigate segregation-of-duties concerns and provide oversight over key plan administration activities.

Separation of Duties

During our audit, we noted one individual was responsible for entering payroll information, processing payroll and remitting contributions to the Plan. There is little to no oversight and no review of information after payroll has been processed by management. This lack of segregation of duties could lead to errors going undiscovered. We recommend management segregate duties where possible, and if it's not possible, we recommend having a separate individual review payroll data, payroll registers, and remittances to the Plan.

INDEPENDENT AUDITORS' REPORT
ON MANAGEMENT ADVISORY COMMENTS

To the Plan Administrator
Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust
Appleton, Wisconsin

In planning and performing our audit of the financial statements of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust (the "Plan") as of and for the year ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, we do not express an opinion on the effectiveness of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust's internal controls.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses. However, as discussed below, we identified certain matters involving the internal control and other operational matters that are presented for your consideration. This letter does not affect our report dated October 13, 2026 on the financial statements of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust. We will review the status of these comments during our next audit engagement. Our comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies. Our comments are summarized as follows:

Plan Minutes

During our audit, we noted there are no formal minutes maintained for actions taken by the management of the Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust. With the significant number of investment failures within benefit plans, the complexity of investment alternatives, and the complexity of the tax laws covering the qualifications of the Plan and fiduciary responsibilities, it is important that Plan management adequately document the due diligence they exercise over operations of the Plan, including selection of an investment policy and investment alternatives to offer participants who defer their earnings into the Plan's investments, and monitoring investment performance against the Plan's objectives. Plan management should meet at least annually, and keep documentation of the meeting, to review the investment returns, review soundness of investments, select investment managers, determine investment strategies, monitor tax and qualification compliance, and approve Plan amendments.

Participant Deferral Election Withholdings

During our testing of participant deferral elections, we identified three instances in which participant deferrals were not withheld and remitted in accordance with participants' elected deferral instructions. In one instance, a participant elected Roth deferrals; however, contributions were withheld and remitted as pre-tax deferrals. In addition, we identified two instances in which participants had both Roth and additional pre-tax deferrals withheld, even though electing only Roth deferrals. We recommend that Plan management review participant deferral elections against payroll withholding records each pay period to ensure participant elections are accurately reflected in the payroll system and corresponding remittance amounts. We also recommend that Plan management perform periodic reconciliations of participant payroll deferral withholding elections to participant election records to identify and correct discrepancies in a timely manner.

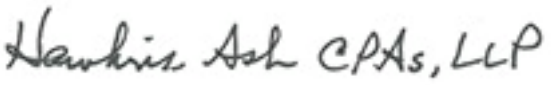

Participant Vesting Calculation

During testing of benefit payments, we identified one participant whose vesting percentage was improperly calculated by the TPA based on hours of service. The participant was calculated to be 100% vested when the participant was only 75% vested. Additional procedures were performed over all distributions without forfeitures to verify that the applicable participants were 100% vested, and no additional exceptions were identified. We recommend Plan management reconcile participants' years of service to supporting payroll or employment records to ensure vesting percentages are calculated in accordance with the Plan's vesting provisions.

We believe that the implementation of these recommendations will provide the Plan with a stronger system of internal control while also making its operations more efficient. We will be happy to discuss the details of these recommendations with you at your convenience.

This communication is intended solely for the information and use of the Plan administrator and management of Rochelle Leigh Group LLC 401(k) Profit Sharing Plan and Trust and is not intended to be and should not be used by anyone other than these specified parties.

We have elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances.
