Independent Auditors' Report

To the Plan Trustee and Plan Participants
Phillips Infrastructure Corp. Health and Welfare Benefit Plan
Knoxville, Tennessee

Opinion

We have audited the accompanying financial statements of the Phillips Infrastructure Corp. Health and Welfare Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statements of changes in net assets available for benefits and plan benefit obligations and changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and the plan benefit obligations and changes in plan benefit obligations for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General - The following description of the Phillips Infrastructure Corp. Health and Welfare Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan provides health benefits (hospital, surgical, and major medical), dental, short-term disability, long-term disability, and death benefits to all eligible employees (full time with at least two months of service) and covered dependents of Phillips Infrastructure Corp. (the "Sponsor") and subsidiaries, Phillips Heavy, Inc.; RowCon, LLC; Phillips Fleet, LLC; and Phillips Environmental, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In conjunction with the Plan, the Sponsor has established the Phillips Infrastructure Corp. Voluntary Employee Benefits Trust (the "VEBA Trust"). Accordingly, the activities, assets, and liabilities of the VEBA Trust are included in the financial statements of the Plan. The purpose of the VEBA Trust is to set aside assets (from those of the Sponsor) to fund certain current and future health benefit claims as well as certain other expenses. Expenses not paid through the VEBA Trust are paid directly by the Plan or the Sponsor.

Although it has not expressed any intent to do so, the Sponsor has the right, under the Plan, to modify the benefits provided to participants, to discontinue its contributions at any time, and to terminate the Plan subject to provisions of ERISA. Any assets remaining after payment for claims incurred prior to the termination date must be used to fund other employee benefit plans.

Basis of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Contributions - Participants contribute specified amounts as determined annually by the Sponsor. The Sponsor makes weekly contributions to the Plan in amounts equal to participant contributions, plus amounts estimated to cover the remaining expenses and benefits not covered by the participants or the Plan's excess liability insurance.

Benefits - The Plan is self-insured for health insurance benefits up to $200,000 per claimant per year. Health claims in excess of $200,000 are subject to reimbursement through a reinsurance contract with certain aggregate policy limits per year. Dental benefits are provided under a non-experience rated group insurance contract with Cigna Healthcare, and short-term disability, long-term disability, and death benefits are provided for under non-experience rated group insurance contracts with Guardian Life Insurance Company of America.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Sponsor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Benefit Obligations - As noted in the financial statements, at December 31, 2025 and 2024, the Plan has net assets available for benefits of $858,753 and $827,236, respectively. Amounts of $1,126,038 and $931,310 are reconciling items to the Estimated Claims Incurred but not Reported for 2025 and 2024, respectively. Such amounts have been recorded as benefit obligations by the Sponsor, who intends to fund related claims when presented by benefit providers. Benefit obligations are estimated by the Sponsor based upon Plan experience, merits of individual claims, and payments of claims subsequent to year end but prior to the issuance of financial statements. Actual benefit obligations could differ from these estimates.

NOTE 1 - DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Company funding receivable – Company funding receivable of $228,811 represent amounts due from the employer for funding not yet paid as of December 31, 2025. These amounts were received subsequent to year-end.

Administrative Expenses - Certain administrative expenses of the Plan are paid directly by the Sponsor. Pharmacy rebates are received by the Sponsor shown net of administrative expenses on the Statements of Changes in Net Assets Available for Benefits. These rebates amount to $781,889 and $547,785 as of December 31, 2025 and 2024, respectively.

Date of Management's Review - Management has evaluated events and transactions occurring subsequent to the statements of net assets available for benefits date for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 14, 2026, which is the date these financial statements were available to be issued.

NOTE 2 - CONCENTRATION OF CREDIT RISK

The Plan maintains its cash deposits in a financial institution located in the State of Tennessee. From time to time, these deposits may exceed federally insured limits. The Sponsor does not believe a significant credit risk exists as of December 31, 2025.

NOTE 3 - TAX STATUS OF VEBA TRUST

The VEBA Trust was established under the Plan to hold the Plan's assets and is qualified pursuant to §501(c)(9) of the Internal Revenue Code as a tax-exempt organization. The Internal Revenue Service made a favorable determination in a letter dated August 6, 2007 that the VEBA Trust meets the requirements of IRC §501(c)(9) and is therefore exempt from federal income taxes in accordance with IRC §501(a). The Plan Sponsor is not aware of any cause of action that would adversely affect the qualified status of the VEBA Trust.

The Plan recognizes tax loss contingencies when it is probable that a liability had been incurred and the amount of the loss could be reasonably estimated. The amount recognized would be subject to estimates and management's judgment with respect to the likely outcome of each uncertain tax position. Although the tax years ending December 31, 2022 through December 31, 2025 remain open for examination by various taxing authorities, it is management's opinion that no significant uncertain tax positions remain open at December 31, 2025.

The Sponsor is the administrator of the Plan and, as such, executes the normal duties associated therewith. Costs incurred for audit, legal, and other administrative functions are paid by the Sponsor on behalf of the Plan. There were no financial transactions recorded between the Sponsor and the Plan other than contributions made by the Sponsor to the Plan. The Plan utilizes Cigna Healthcare to provide claims administration and recordkeeping services, reinsurance protection, and pharmacy rebates. Transactions between the Plan and Cigna Healthcare qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.
