INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the SLI Enterprises 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits for the Financial Statements

We have performed audits of the accompanying financial statements of SLI Enterprises 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025 stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SLI Enterprises 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SLI Enterprises 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing our audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SLI Enterprises 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SLI Enterprises 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules described in the table of contents of the financial statements are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SLI Enterprises 401(k) Profit Sharing Plan
NOTES TO FINANCIAL STATEMENTS

A - DESCRIPTION OF PLAN

The following description of the SLI Enterprises 401(k) Profit Sharing Plan (the "plan") is provided for general information purposes only. The plan Sponsor is SLI Enterprises, Inc. Participants should refer to the Summary Plan Description (SPD) for additional information.

General

The plan is a participant-directed, defined-contribution plan covering all full-time and part-time employees of SLI Enterprises, Inc. ("Company") and affiliates, who have six months of service and are 21 years of age or older. The plan entry dates are the first day of January or the date six months later coincident with or following satisfaction of eligibility requirements. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Nationwide Life Insurance Company acts as custodian of the plan. The custodian of the plan has been designated to hold the assets of the plan for the benefit of plan participants and their beneficiaries in accordance with the terms of this plan. The Trust Fund established by the plan's custodian will be the funding medium used for the accumulation of assets from which plan benefits will be distributed. Cecilco 401(k) Managed Solutions functions as the third party administrator and recordkeeper.

Allocations

The assets of the plan are allocated to participant accounts based on specific contributions made by each participant and respective matches made by the Company. Investment income (loss) is credited to each account based on appreciation (depreciation) of specific assets held in each participant's account and any earnings thereon.

Contributions

Each year, participants may make elective contributions of pretax compensation subject to the provisions of Internal Revenue Code Section 401(k) and the provisions of the plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The plan allows the Company to make matching and profit sharing contributions in the amount determined by the Company at its discretion.

The Company elected to make matching contributions of $135,169 for the year ended December 31, 2025. The Company also elected to make a profit-sharing contribution in the amount of $64,831 for the year ended December 31, 2025. Allocation of the matching contributions is based on salary deferrals up to 6% of compensation. Allocation of the profit-sharing contribution is based on compensation.

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions for the year ended December 31, 2025.

A - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of the participant's accounts plus actual earnings thereon is 20% after two years of service increasing 20% each year until fully vested after six years of service. A participant will be fully vested in all of his/her accounts under the plan (including those accounts attributable to the adopting employer's contributions) upon reaching the plan's normal retirement age (age 65) and five years of participation, his/her disability or death.

Payment of benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If a terminated participant's vested account is $7,000 or less, the plan does not require consent for distribution. If the participant does not elect payment, then the plan will distribute amounts less than $1,000 as a lump sum and amounts $1,000 to $7,000 are rolled into an IRA. A participant who has reached age 59-1/2 and their amounts to be distributed have been allocated to their account for at least 2 years or they have been a participant for at least 5 years, may request an in-service distribution from their pre-tax salary deferral, rollovers, qualified non-elective contribution and qualified matching contribution accounts.

A participant may receive a hardship distribution of his or her salary reduction contributions if the distribution is (1) on account of medical expenses incurred by the participant, their spouse or dependents, (2) to purchase (excluding mortgage payments) a principal residence of the participant, (3) for the payment of tuition, related educational fees and room and board for the next twelve months of post-secondary education for the participant, their spouse, children or dependents, (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence, (5) payments for burial or funeral expenses of your deceased parent, spouse, children or other dependents, (6) expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under the Internal Revenue Code or (7) Expenses and losses (including loss of income) incurred due to a disaster declared by the Federal Emergency Management Agency (FEMA).

Forfeitures

The Employer may use forfeitures to pay plan expenses, restore forfeited account balances of rehires who are eligible for a restoration of forfeitures. or to supplement employer contributions. During 2025, there were $4,369 of forfeitures. During 2025, $1,192 of forfeitures were used to offset plan expenses and $9,582 were reallocated. As of December 31, 2025, there were no unallocated forfeitures.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

A - DESCRIPTION OF PLAN (Continued)

Investment options
The plan allows a participant to direct the investment of the entire balance of their participant account. If a participant does not elect to direct the investment of their account, then the account will be invested in accordance with the default investment alternatives established under the plan.

Plan termination
Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time, and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Because the plan is a defined contribution plan, it is not covered by Pension Benefit Guaranty Coverage insurance.

Notes receivable from participants
Participant loans are permitted under the plan. A participant may borrow the lesser of fifty percent of the present value of their vested interest in the plan (less any outstanding loans) or $50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made. The minimum amount of any loan is $ 1,000. All loans are considered directed investment of the participant's account and all payments of principal and interest will be credited to their account. Loan terms may not exceed 60 months. The participant's loan is collateralized by the balance in the participant's account and bears interest at prime plus one percent. Principal and interest is paid ratably through payroll deductions.

Participant rollovers
Participants are allowed to transfer or rollover funds into the plan from other qualified plans.

B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summary of the plan's significant accounting policies is presented to assist in understanding the financial statements. The financial statements and notes are representations of the plan's management, who is responsible for their integrity and objectivity.

Basis of presentation and use of estimates
The plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The accrual basis of accounting requires the use of estimates and assumptions that affect the assets, liabilities, revenues and expenses reported in the financial statements, as well as amounts included in the notes thereto, including discussion and disclosure of contingent liabilities. Although the plan uses its best estimates and judgments, actual results could differ from these estimates as future confirming events occur.

B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes receivable from participants
Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the cash basis when received. Related fees are charged directly to the borrowing participant's account when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Payment of benefits
Benefits are recorded when paid.

Administrative expenses
The plan pays substantially all administrative fees and expenses related to maintaining the plan. The Sponsor pays audit fees and other overhead and administrative costs.

Fair value measurements
The framework for measuring fair value is a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted price in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1
Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2
Fair values are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly.

Level 3
Fair values are based on at least one significant unobservable input for the asset.

The methods and significant assumptions used to estimate fair values of financial instruments are as follows. There have been no changes in the methodologies used in the previous year.

Asset type	Proposed Level	Rationale

C - INVESTMENTS

Pooled separate accounts
Pooled separate accounts (PSAs), by definition, are investment vehicles established and maintained by an insurance company. PSAs may only be accessed through the purchase of an insurance contract such as a group annuity. A pooled separate account is not a separate legal entity; it is part of the insurance company that established it. They are regulated by state insurance laws and are subject to review by state examiners on a regular basis. Pooled separate accounts are valued using the net asset value method, with no liquidity restrictions.

Guaranteed investment contract
The plan's investment in the guaranteed investment contract with Nationwide Life Insurance Company (Nationwide Life) is held in the insurance company's general account. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Nationwide Life is contractually obligated to pay the principal and specified interest rate that is guaranteed to the plan. The crediting interest rate is reset quarterly by Nationwide Life. There are no reserves against contract value for the credit risk of the contract issuer.

D - TAX STATUS

The plan adopted and uses the prototype plan of CCH Incorporated dba FTWilliam Com. The plan has been periodically amended for regulatory purposes. The IRS has determined and informed the volume submitter by letter dated June 30, 2020 that the plan and related trust are designed in accordance with the applicable regulations of the IRC. It is the view of the plan administrator and the plan's counsel that the plan continues to be designed and operated in compliance with the applicable requirements of the IRC and the plan and the related trust continue to be tax exempt. Therefore, no provision for federal or state income tax has been included in these financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

E - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Unaudited)

The Company has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide Life Insurance Company held the plan's investment assets and executed investment transactions for the year ended December 31, 2025. The plan administrator has obtained certifications from the custodian as of December 31, 2025 and 2024 and for the year ended December 31, 2025.

The custodian of the plan, have certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

G – RISKS AND UNCERTAINTIES

The following is a summary of financial instruments subject to credit risk at year end.

Investment securities

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes receivable from participants

As discussed in Note A above, if a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document. Consequently, no allowance for collectability is considered necessary by plan management.

H - SINGLE EMPLOYER PLAN (RELATED PARTIES)

As defined in ERISA, Single Employer plans are generally established by the management of one employer (or a controlled group of corporations) either unilaterally or through collective bargaining, and the employer is the plan sponsor. By contrast, multiemployer plans are normally negotiated and established pursuant to a collective bargaining agreement between an associated group of employers, such as in the construction trades, and the union representing the employees.

For financial reporting purposes, SLI Enterprises 401(k) Profit Sharing Plan is considered a single employer plan which includes the employees of SLI Enterprises, Inc, 30 Grand Ave., Ltd, DEF Foods, LLC, FLI, LLC and FLI Enterprises, LLC.

I - PARTY IN INTEREST TRANSACTIONS

A related party is any party who can control or significantly influence plan management or operating policies. Parties-in-interest are defined under DOL Regulations as any employees of the plan, fiduciaries of the plan, service providers to the plan, the employer whose employees are covered by the plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third party administrator (the TPA), investment managers, investment advisors, legal counsel, and plan auditor.

The plan sponsor pays directly any other fees related to the operation of the plan. Fees incurred by the plan for the investment management services are included in the net appreciation in fair value of the related investment, as they are paid using investment earnings rather than a direct payment.

During 2025, the plan made direct payments of $28,223 to certain parties-in-interest for administration and investment advisory fees, as allowed by ERISA.

J - SUBSEQUENT EVENTS AND DATE OF MANAGEMENT'S REVIEW

The plan's management has evaluated subsequent events through date of the independent auditor's report, which is the date the financial statements were available to be issued.
