To the Plan Administrator of
Nora Lighting, Inc. & Related Co.'s Profit Sharing Plan
Commerce, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Nora Lighting, Inc. & Related Co.'s Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Nora Lighting, Inc. & Related Co.'s Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Nora Lighting, Inc. & Related Co.'s Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Nora Lighting, Inc. & Related Co.'s Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Nora Lighting, Inc. & Related Co.'s Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Nora Lighting, Inc. & Related Co.'s Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedules of Delinquent Participant Contributions for the year ended December 31, 2025, and Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1 - DESCRIPTION OF PLAN

The following description of Nora Lighting, Inc. & Related Co.'s Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan's provisions.

General

The Plan is a Safe Harbor 401(k) salary deferral defined contribution and profit sharing plan that was established effective January 1, 1998, and amended and restated effective January 1, 2025, covering all eligible employees, as defined by the Plan, who are employed by Nora Lighting, Inc. and Plaza Wholesale Electric, Inc. (collectively, the “Company” or “Plan Sponsor”) under Section 401(k) of the Internal Revenue Code (the "Code"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan covers substantially all employees of the Company who are 21 years of age or over, have been employed by the Company for at least one year, and have completed at least 1,000 hours of service. Employees may enter the Plan on a semiannual basis following the date the employee meets the eligibility requirements.

In February 2025, the Plan changed its trustee/custodian and recordkeeping services to Ascensus Trust Company and Ascensus, LLC, respectively. Participant account balances were transferred to Ascensus, except for certain stable value investments that remained with John Hancock Life Insurance Company (U.S.A.) (“John Hancock”) as of December 31, 2025 and were subsequently transferred in February 2026.

Ascensus Trust Company serves as the Plan’s trustee and asset custodian (“Trustee/Custodian”), and Ascensus, LLC serves as the Plan’s recordkeeper (“Recordkeeper”).

Contributions

Participants may elect to contribute between 1% and 100% of eligible compensation to the Plan each year; however, the total amount of the contribution generally may not exceed the IRS limit of $23,500 for the year ended December 31, 2025. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions up to $7,500 in addition to the IRS limit for the year ended December 31, 2025. For 2025, participants ages 60 to 63 during the year are eligible to make enhanced catch-up contributions of $11,250. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan provides for discretionary Company contributions in the form of matching and profit sharing contributions. The Company makes matching contributions of up to 100% of 3% of employee contributions, plus 50% of additional 2% of employee contributions. The Company made matching contributions of $296,761 for the year ended December 31, 2025.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and, (b) Plan earnings or losses thereon, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions and the employer safe harbor matching plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions and earnings thereon is based on years of service according to the following:

Years of Vesting Service	Vested Percentages
Less than 2 years	0 %
2 years	20 %
3 years	40 %
4 years	60 %
5 years	80 %
6 years	100 %

There were no discretionary matching and profit-sharing contributions made to the Plan for the year ended December 31, 2025.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum generally equal to the lesser of $50,000, as adjusted for other outstanding loan balances during the preceding 12-month period, or 50% of their vested account balance. Loans are secured by the participant's vested account balance and bear interest at a fixed rate equal to the prime rate plus 2%. Principal and interest are generally repaid through payroll deductions under an amortization schedule, with payments made at least quarterly. The maximum loan term is five years unless the loan is used to acquire the participant's principal residence. A participant may have a maximum of two outstanding loans at any time. As of December 31, 2025, the rates of interest on outstanding loans ranged from 4.25% to 9.50%, and the loans mature through February 2030.

Payment of Benefits

Participants may receive distributions upon termination of employment in the form of a lump-sum payment, equal installments, or partial withdrawals, in accordance with the provisions of the Plan. Participants may also withdraw amounts from their accounts for certain hardship situations and may receive in-service distributions upon attaining age 59½, subject to the provisions of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.

1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeitures are retained in the Plan and will first be used to pay plan administrative expenses, with any remaining amount used to reduce future Company contributions. For the year ended December 31, 2025, forfeited accounts, non-vested accounts are not significant.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition

Investments are reported at fair value (Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation in fair value of investments consists of both realized gains or losses and unrealized appreciation and depreciation of those investments.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses incurred in the administration of the Plan are paid by the Plan and allocated proportionally to each participant, except for processing fees for certain benefit payments, which are allocated to the respective individual participant's account.

3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Assets with quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 Assets that have inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets;
b. Quoted prices for identical or similar assets or liabilities in inactive markets;
c. Inputs other than quoted prices that are observable for the asset or liability; and
d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Assets with inputs to the valuation methodology that are unobservable and are significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following describes the valuation methodologies used for assets measured at fair value.

- *Money market funds:* Valued at the daily net asset value ("NAV") as reported by the fund. The money market funds transact at their published NAV and are classified as Level 1 investments.

- *Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed actively traded and classified as Level 1 investments.

3 - FAIR VALUE MEASUREMENTS (CONTINUED)

- *Pooled Separate Accounts:* Valued at the net asset value ("NAV") per unit of the pooled separate account ("PSA") maintained by an insurance company. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the PSA, less its liabilities. Investments measured using the NAV practical expedient are not classified within the fair value hierarchy.

The following table presents the Plan's investments measured at fair value as of December 31, 2025 and 2024, by level within the fair value hierarchy, as applicable.

December 31, 2025	Level 1	Level 2	Level 3	Total
Money market funds	$ 490,789	$ -	$ -	$ 490,789
Mutual funds	12,125,561	-	-	12,125,561
Total assets in the fair value hierarchy	$ 12,616,350	$ -	$ -	12,616,350
Pooled separate account measured at NAV (a)				102,365
Total investments, at fair value				$12,718,715

December 31, 2024	Total
Pooled separate account measured at NAV (a)	$10,598,250
Total investments, at fair value	$10,598,250

(a) In accordance with FASB ASC 820, investments measured at NAV per share (or its equivalent) using the practical expedient have not been classified within the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

4 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risk, such as interest rates, market volatility, and credit risk. It is reasonably possible, given the level of risk associated with investment securities that changes in value may result in the near term, which could materially affect a participant's account balance and the amounts reported in the financial statements.

5 - TAX STATUS

The Plan adopted a non-standardized, pre-approved, profit-sharing plan that is subject to a favorable opinion letter from the Internal Revenue Service (IRS) on December 5, 2023. The Plan administrator believes that the Plan is designed and operating in compliance with the applicable requirements of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

6 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS (UNAUDITED)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. 7 - PARTY-IN-INTEREST TRANSACTIONS

A Party-in-interest is defined as a fiduciary or employee of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or a relative of such persons mentioned.

Plan investments are managed by the Custodians. Transactions with the Custodians qualify as party-in-interest transactions for which exemptions exist. Fees paid by the Plan for investment management services were $10,709 for the year ended December 31, 2025 and are included in administrative expenses.

8 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500
