REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees
Entegris, Inc. 401(k) Retirement Savings Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit
We have performed audits of the financial statements of Entegris, Inc. 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grant Thornton LLP is a U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

Basis for opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s responsibilities for the audit of the financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedule required by ERISA
The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - PLAN DESCRIPTION

The following description of Entegris, Inc. (the "Plan Sponsor" or the "Company") 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and is designed to provide eligible employees of Entegris, Inc. with additional security for their retirement.

Effective January 1, 2024, the Plan changed its name from Entegris 401(k) Savings and Profit Sharing Plan to Entegris 401(k) Retirement Savings Plan.

Eligibility

Permanent full-time and part-time employees of the Company are eligible to participate in the Plan after completing one hour of service. Leased employees, non-resident aliens, temporary employees, and members of collective bargaining agreements are not eligible to participate in the Plan. The Plan has an automatic enrollment feature. Participants who become eligible will automatically be enrolled as of the first day of the month coinciding with, or next following, their hire date, at an active participation rate of 6% unless the participant actively elects to opt out of participation. This participation rate will remain in effect until the participant elects to change the rate. Unless the participant actively chooses fund(s) in which they would like their contributions to be invested, their funds will be invested in the appropriate target date fund.

Administration of Plan Assets

The Plan's assets are administered under a contract with Fidelity Management Trust Company, the trustee of the Plan ("Fidelity" or the "Trustee"). The Trustee invests funds received from contributions, investment sales, interest, and dividend income. The Trustee also makes distribution payments to participants.

Contribution Policy

Participants may make elective pre-tax and/or after-tax contributions through payroll reductions in whole increments from 1% to 70% of eligible compensation, as defined in the Plan document. This percentage is subject to adjustment daily upon notice from the participant. Participants may completely suspend contributions at any time. Participants satisfying certain criteria are permitted to make catch-up contributions. Participants may also have rollover contributions to the Plan. All contributions to the Plan are participant-directed.

The Company matches 100% of the first 6% of the participant's eligible compensation. Participants are eligible to receive a matching contribution upon entering the Plan. The Company may make discretionary profit sharing contributions for eligible participants who have completed one year of service, as defined by the Plan, and are employed at Plan year end, or separated from service during the Plan year on account of death, disability or retirement at or after the participant's normal retirement age. There were no discretionary profit sharing contributions made during the years ended December 31, 2025 and 2024.

All contributions by or on behalf of a participant for a plan year are subject to limitations set forth in the Internal Revenue Code ("IRC") and the regulations promulgated thereunder. For the years ended December 31, 2025 and 2024, the IRC employee elective deferral limit was $23,500 and $23,000, respectively. In addition, participants age 50 or older may contribute catch-up contributions of $7,500 in 2025 and 2024.

Vesting

Participants are immediately vested in their elective deferral contribution, employer match, rollover accounts, and earnings on those accounts.

Forfeited Accounts

Forfeitures may be used to reduce Company matching and discretionary contributions, restore forfeited account balances, or reduce plan expenses. Forfeitures of $771 and $130,507 remained available at December 31, 2025 and 2024, respectively. During the years ended December 31, 2025 and 2024, forfeitures of $173,042 and $1,062, respectively, were used to reduce employer contributions.

Participant Accounts

Participant accounts are credited with the participant's contributions, employer matching contributions and allocations of: (a) the Company's discretionary profit sharing contributions and (b) Plan earnings or losses. Allocations of discretionary profit sharing contributions are based on participant compensation, as defined by the Plan. Allocations of Plan earnings or losses are based on participant account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

Participants have the option of investing their contributions in one or any combination of the available funds, which includes a self-directed brokerage account. Participants can change their investment allocations at any time, however, investment elections for contributions and transfers into the Entegris, Inc. common stock fund are prohibited.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested account balance or roll over the vested account balance to an Individual Retirement Account ("IRA") or another qualified plan. Participants may also receive distributions upon death, disability, or reaching age 59½. If a participant's vested account balance does not exceed $1,000, the Plan Sponsor may require distribution of the participant's vested account balance. Distributions of vested accounts may include a rollover or an in-kind distribution of participant loan balances to another qualified plan. Hardship withdrawals are permitted by the Plan.

Notes Receivable From Participants

Participants may borrow from their vested fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the vested balance in their participant account. The notes bear interest at rates that are commensurate with local prevailing rates at the date of issuance. Principal and interest are paid ratably through payroll deductions. Participants are allowed a maximum of two loans outstanding at any one time.

The period of repayment may not exceed five years unless the loan is for the purchase of a principal residence, in which case the loan repayment period may not extend beyond 10 years from the date of loan issuance.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

Investments of the Plan are stated at fair value as of the end of the Plan year. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains (losses) on investments bought and sold, as well as held during the year.

Administrative Expenses

Recordkeeping and administrative expenses are assessed on participant accounts on a quarterly basis. Loan fees, QDRO expenses, in service withdrawals, minimum required distributions, and maintenance/ transaction fees for the participant-directed brokerage accounts are paid by the participant through deductions from their participant account balance. These fees are reflected in the accompanying Statements of Changes in Net Assets Available for Benefits. Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Reclassification

Certain items in the 2024 fair value hierarchy have been reclassified to conform to 2025 presentation. This reclassification does not impact the financial statements for any period.

NOTE C - TRUSTEE CERTIFICATION

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Non-interest bearing cash, investments at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net investment income and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.

NOTE D - FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to

maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used as of December 31, 2025 and 2024.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued based on quoted market prices in active markets.

Entegris, Inc. common stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Self-directed brokerage account: Consists of publicly traded common stock, bonds and other fixed income investments, money market funds and mutual funds valued at the closing price reported on the active market on which the individual securities are traded.

Collective trust funds: Valued at the net asset value (NAV) of units held, based upon the fair value of the underlying investments less liabilities. NAV is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participants may transact daily in these funds and there are no unfunded commitments, participant redemption restrictions, or redemption notice periods for these investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan's financial assets, including those within the fair value hierarchy, at fair value as of December 31, 2025:

	2025			
	Level 1	Level 2	Level 3	Total

The following table presents the Plan's financial assets, including those within the fair value hierarchy, at fair value as of December 31, 2024:

[(a)] In accordance with Accounting Standards Codification 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE E - INCOME TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by letter dated January 19, 2018, that the Plan and related trust are designed in accordance with applicable sections of the IRC and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently operating in compliance with the applicable provisions of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2025 and 2024, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan holds shares of Entegris, Inc. common stock, which qualify as party-in-interest investments. These shares are frozen, and participants are not permitted to purchase additional shares. In addition, certain investments held by the Plan are managed by the Trustee. The Plan also has notes receivable from participants, which qualify as parties-in-interest to the Plan. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibited transaction rules under ERISA.

NOTE G - TRANSFER IN

During 2024, the CMC Materials, Inc. 401(k) Plan merged into the Entegris, Inc. 401(k) Retirement Savings Plan. As a result, net assets of $237,478,164 transferred into the Plan.

NOTE H - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events for recognition or disclosure through September 3, 2026, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

    c. Others where the fraud could have a material effect on the financial statements.

15. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements received in communications from employees, former employees, participants, beneficiaries, regulators, service providers, third-party administrators, or others.

16. The Plan has no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

17. Related party relationships and transactions and related amounts receivable from or payable to related parties (including sales, purchases, loans, transfers, leasing arrangements, and guarantees) have been properly accounted for and disclosed in the financial statements in accordance with US GAAP.

18. Transactions with "parties in interest," as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, parties in interest have been appropriately disclosed in the financial statements and ERISA-required supplemental schedule in accordance with DOL rules and regulations.

19. There are no side agreements or other arrangements (either written or oral) that have not been disclosed to you.

20. There are no:
    a. Non-exempt party-in-interest transactions (as defined in ERISA Section 406-408 and regulations thereunder) that were not disclosed in the financial statements or ERISA-required supplemental schedules.
    b. Investments in default or considered to be uncollectible or loans or fixed income obligations in default or classified as uncollectible that were not disclosed in the ERISA-required supplemental schedules.
    c. Reportable transactions (as defined in ERISA Section 103(b)(3)(H) and regulations under that section) that were not disclosed in the ERISA-required supplemental schedules.

21. There are no guarantees, whether written or oral, under which the Plan is contingently liable. There were no amendments to the Plan instrument that require disclosure in the financial statements.

22. Significant estimates and material concentrations known to management that are required to be disclosed in accordance with US GAAP (*FASB Accounting Standards Codification*® (ASC) 275, *Risks and Uncertainties*) are properly disclosed in the financial statements.

    Significant estimates are estimates at the date of the financial statements that could change materially within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets or geographic areas for which events could occur that would significantly disrupt normal finances within the next year.

23. The Plan has satisfactory title to all owned assets. There are no liens or encumbrances on such assets nor has any asset been pledged as collateral.

24. There are no debt or other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

25. In connection with the preparation of the financial statements we evaluated, in accordance with US GAAP (*FASB Accounting Standards Codification*® (ASC) 205, *Presentation of Financial Statements*), whether there were conditions or events that, when considered in the aggregate, raised substantial doubt about the Plan's ability to continue as a going concern for a period not less than one year from the date the financial statements are issued

Docusign Envelope ID: DB0E5284-5F09-815E-8278-FCAE887DFCA7

or available to be issued. Our evaluation was based on relevant conditions and events known and reasonably knowable at that date.

26. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities, including those reported or disclosed at fair value, as well as information obtained from brokers, pricing services, or other third parties. The methods, significant assumptions, and data used in making accounting estimates and the related disclosures, including those measured at fair value, are reasonable, are consistently applied, and result in a measurement appropriate to achieve recognition, measurement, or disclosure for financial statement and disclosure purposes in accordance with the financial reporting framework. In addition, the data used in making accounting estimates is accurate and complete. No events have occurred subsequent to the date of the financial statements through the date of this letter that would require adjustment to these estimates and fair value measurements, or the related disclosures included in the financial statements.

27. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with US GAAP (*FASB Accounting Standards Codification*® (ASC) 820, *Fair Value Measurements and Disclosures*). In addition, in accordance with US GAAP, the Plan has categorized its financial instruments, based on the priority of inputs to the valuation technique, into a three-level fair value hierarchy. The fair value gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs that are used to measure the securities fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

28. There are no financial instruments with off-balance sheet risk or financial instruments with concentrations of credit risk.

29. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code and intend to continue as a qualified plan and trust. The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status, including complying with laws and regulations and preventing violations that may cause disqualification. We are not aware of any matters that would affect the continued qualified status of the Plan.

30. We are responsible for the preparation of Plan amendments necessitated by changes in law or regulation or required by changes in the operation of the Plan. All amendments required by such changes have been adopted by the Plan.

31. The Plan has complied with DOL regulations concerning the timely remittance of participants' contributions to the trusts containing assets for the Plan.

32. All required filings with the appropriate regulatory agencies have been made.

33. The Plan has complied with the fidelity bonding requirements of ERISA.

34. We have no intentions to terminate the Plan.

35. The Company matches participant contributions dollars on the first 6% of their contributions of eligible compensation.

36. You provided a nonattest service by assisting us with drafting the financial statements and ERISA-required supplemental schedule. In connection with this nonattest service, we confirm that:
    a. We made all management decisions and performed all management functions
    b. We have suitable skill, knowledge, and experience to evaluate the accuracy and completeness of the financial statements and ERISA-required supplemental schedule.
    c. We accept responsibility for such financial statements and ERISA-required supplemental schedule.

37. No events have occurred subsequent to the date of the financial statements through the date of this letter that would require, in accordance with US GAAP recognition or disclosure in the financial statements.

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
