INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
The Ford Meter Box Company, Inc.
Employee Benefit Plan

Opinion

We have audited the accompanying financial statements of The Ford Meter Box Company, Inc. Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in plan benefit obligations for the years then ended December 31, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held for Investment purposes at End of Year and Reporting Requirements Under Department of Labor's Rules for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE 1 PLAN DESCRIPTION

The following description of The Ford Meter Box Company, Inc. Employee Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan provides health benefits covering substantially all employees and qualifying retired employees of The Ford Meter Box Company, Inc. (the Employer). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits

The Plan provides medical, dental, vision, and prescription drug benefits covering full-time employees of the Employer who have completed eligibility requirements and provided that such benefits are not payable by any other plan or policy. In addition, the Plan provides group life and accidental death and dismemberment insurance, long-term disability insurance and business travel accident insurance under a flexible benefit plan. The Plan also covers dependents of eligible employees. Employees whose service with the Employer has been temporarily or permanently terminated may continue to receive benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) by paying monthly premiums to the Plan. Retired employees and their spouses are entitled to health benefits provided they are between 60 and 65 years of age and meet certain plan requirements.

The Plan has acquired specific excess liability insurance that covers claims in excess of $275,000 per family, with an aggregating specific deductible of $330,000. There is no lifetime maximum coverage per person.

The Plan records estimated recoveries under terms of the insurance coverage when receivable and reasonably determinable. Estimated recoveries from stop-loss carriers are reported as a separate addition to net assets rather than a net reduction of benefit claims paid. All other refunds, including subrogation refunds, are reported as a net reduction of benefit claims paid. As of December 31, 2025 and 2024, the estimated amount of recoveries receivable was $48,719 and $31,660, respectively.

Contributions

An employee of the Employer can elect coverage when the employee becomes eligible under the Plan. Employee contributions are based on the employee's desired coverage. Contributions range from $18 to $158 per week before receiving any lifestyle reduction credits. Employer contributions to the Plan are made periodically as monies are needed to cover claims. Participants can also acquire supplemental life insurance for themselves and their spouses through additional contributions based on their desired level of coverage.

NOTE 2 SUMMARIES OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

NOTE 2 SUMMARIES OF ACCOUNTING POLICIES - continued

Cash and Cash Equivalents
Cash and cash equivalents are all highly liquid debt instruments purchased with a maturity of three months or less and include bank accounts and money market accounts.

Certificates of Deposit
Certificates of deposit are valued based on original cost plus accrued interest.

Funding Policy
The Plan is funded through a separate trust with general assets of the Employer and authorized payroll deductions withheld from employees as well as premiums received from retired employees and employees electing coverage under COBRA. The contributions are made by the Employer and employees to cover benefit payments. The Employer's policy is to fund current medical benefits for employees and retirees as incurred and to fund reserves for accumulated postretirement benefits as allowed under Internal Revenue Code Section 419A, but will not exceed IRS limits.

Significant Accounting Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Employer to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Plan obligations at December 31 for benefit claims incurred, but not reported at that date, are estimated based on experience factors compiled by the Plan. The estimated amounts reported in the accompanying financial statements have not been discounted because it has been the Plan’s experience that substantially all claims are remitted to the Plan for processing within three months after the related health care services have been rendered.

Income Taxes
The Internal Revenue Service has determined and informed the Company by a letter dated August 24, 1977, that the trust established under the Plan is tax-exempt under Internal Revenue Code Section 501(c)(9). The Plan has been amended since that time (most recently the Plan's Summary Plan Description was restated with an effective date of January 1, 2019) and the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable provisions of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

According to the Financial Accounting Standards Board's guidance on accounting for uncertainty in income taxes, management evaluated the Plan’s tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 2 SUMMARIES OF ACCOUNTING POLICIES - continued

Plan Receivables

The Plan's financial assets subject to the guidance of ASC 326 primarily consist of interest, employer and participant contribution, and insurance recovery receivables. Receivables are recorded at the amounts due to the Plan and are generally expected to be collected within a short period of time.

In estimating expected credit losses, the Plan considers historical collection experience, the current financial condition of the Plan sponsor, the aging of outstanding receivables, and current and reasonable and supportable forecasts that may affect collectability.

Based on management's assessment of these factors, including the short-term nature of the receivables and the history of collections from the Plan sponsor and others, the Plan determined that any expected credit losses were immaterial as of December 31, 2025 and 2024. Accordingly, no allowance for credit losses was recorded.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation.

Evaluation of Subsequent Events

The Plan has evaluated subsequent events through October 14, 2026, which is the date the financial statements were available to be issued.

Effective January 1, 2026, the Plan was amended to modify its benefit schedules to add an additional medical travel provider option for cardiovascular care. The Plan was also amended to modify the dental care benefit schedule with respect to preventative and restorative services, as well as orthodontia benefits. Additionally, the amendment modified its maximum annual benefits for essential health benefits with respect to inpatient hospital stay coverage and skilled facility care coverage and related general provisions. Furthermore, certain definitions for specialty intensive care unit and essential health benefit were amended.

NOTE 3 PLAN AMENDMENTS

Effective January 1, 2024, the Plan was amended to modify its general limitations for anti-amyloid therapies for Alzheimer's disease. Furthermore, the amendment also modified the Plan's medical benefits schedule with respect to prescription drug costs and out-of-pocket maximums for medical coverage.

Effective January 1, 2025, the Plan engaged Allied Benefit Systems, LLC as its new third-party administrator.

NOTE 3 PLAN AMENDMENTS - continued

Effective January 1, 2025, the Plan was amended to modify its medical benefits schedule with respect to medical deductible, co-insurance, and out-of-pocket maximums for medical coverage, as well as specialty drugs. The Plan was also amended to modify the prescription drug benefits schedule related to deductibles, retail pharmacy benefit schedules, and mail order benefit schedules. Additionally, the amendment modified the Plan's general limitations for cell therapy, certain glucagon-like peptide-1 (GLP-1) medications except for the treatment of diabetes, and specialty drugs. Furthermore, the amendment allows for access to a telehealth service provider.

NOTE 4 POSTRETIREMENT BENEFITS

The Plan provides postretirement medical benefits to retired employees and spouses who have completed ten years of service with the Employer and attained the age of 60. The benefit expires at age 65 or when the retiree obtains coverage from another source. The postretirement health care plan is contributory, with retiree contributions adjusted annually.

The postretirement benefit obligation represents the amount that is to be funded by contributions from the Employer. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service with the Employer rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is the amount that results from applying actuarial assumptions to historical claims-cost data to estimated future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

For measurement purposes, the weighted-average assumptions used to determine the accumulated postretirement benefit obligation are as follows:

	2025	2024
Participant group covered	Early retirees and their spouses	Early retirees and their spouses
Trend rates	9% in 2026, decreasing by 1% per year 2027 through 2029, and decreasing to 5.5% in 2030, and then 5% thereafter	9% in 2025, decreasing by 1% per year 2026 through 2028, and decreasing to 5.5% in 2029, and then 5% thereafter
Discount rates	4.09% per annum (3.25% per annum for purposes of IRC Section 419A)	4.80% per annum (3.80% per annum for purposes of IRC Section 419A)
Per capita claims cost, per individual per month	$ 1,159	$ 1,159

NOTE 4 POSTRETIREMENT BENEFITS - continued

	2025		2024	
	Wabash Retirees	Pell City and Sales Retirees	Wabash Retirees	Pell City and Sales Retirees
Contributions per month per person for retirees ages 63 - 65; or ages 60 - 62 with more than 20 years of service	$ 234	$ 182	$ 214	$ 182
Contributions per month per person for retirees ages 60 - 62 with less than 20 years of service	448	363	428	363

The foregoing assumptions are based on the presumptions that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligations.

The weighted-average health care cost-trend rate assumption has a significant effect on the benefit obligations reported in the accompanying financial statements. If the assumed rates increased by one percentage point in the next year, it would increase the obligation as of December 31, 2025 and 2024 by approximately $70,962 and $66,971, respectively.

The following benefit payments, which reflect estimated future employee service, expected to be paid over the ten years subsequent to the balance sheet dates are as follows:

Estimated at December 31, 2025		Estimated at December 31, 2024	
2026	$ 470,640	2025	$ 333,207
2027	451,223	2026	400,223
2028	372,588	2027	364,855
2029	252,853	2028	276,229
2030	194,534	2029	241,480
2031 - 2035	1,232,624	2030 - 2034	1,128,705

The Employer's policy is to fund current medical benefits for employees and retirees as incurred and to fund reserves for accumulated postretirement benefits as allowed under Internal Revenue Code Section 419A.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE 5 PARTIES-IN-INTEREST

There were no non-exempt transactions during the year between the Plan and any parties-in-interest as defined by ERISA. The Employer's personnel, at no charge to the Plan, perform basic accounting functions for the Plan. In addition, the Employer pays for certain expenses of the Plan. Management estimates these costs for the years ended December 31, 2025 and 2024 to be $462,000 and $478,000, respectively.

NOTE 6 CONCENTRATIONS OF CREDIT RISK

The Plan maintains its cash at high credit quality financial institutions. The Wells Fargo debt rating is one of the highest ratings of any financial services company and Crossroads Bank, part of the Promontory Interfinancial Network, which manages the CDAR's program is a leading provider of FDIC-insured deposit placement services. The balances, at times, may exceed federally insured limits, though to date, no losses have been incurred.

NOTE 7 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	2025	2024
Net assets available for benefits per financial statements	$ 1,760,232	$ 2,754,737
Less: claims incurred but not reported	(2,129,000)	(1,532,000)
Net assets (deficit) available for benefits per the Form 5500	$ (368,768)	$ 1,222,737

The following is a reconciliation of benefits paid per the financial statements to the Form 5500 for the year ended December 31, 2025:

Benefits paid per financial statements	$ 13,210,222
Less: insurance recoveries	(203,440)
Add: benefit obligations - end of year	2,129,000
Less: benefit obligations - beginning of year	(1,532,000)
Benefits paid per Form 5500	$ 13,603,782

Postretirement benefit obligations, as reported on the Statements of Plan's Benefit Obligations, are not required to be reported on the Form 5500.
