INDEPENDENT AUDITOR'S REPORT

The Trustees
Clyde Companies, Inc. Welfare Benefits Plan and Trust

Opinion

We have audited the financial statements of Clyde Companies, Inc. Welfare Benefits Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial status of Clyde Companies, Inc. Welfare Benefits Plan and Trust as of December 31, 2025 and 2024, and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Clyde Companies, Inc. Welfare Benefits Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Clyde Companies, Inc. Welfare Benefits Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Clyde Companies, Inc. Welfare Benefits Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Clyde Companies, Inc. Welfare Benefits Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has

been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Clyde Companies, Inc. Welfare Benefits Plan and Trust (the Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan agreement for a more complete description of the provisions of the Plan.

General

The Plan is a health and welfare benefit plan covering all full-time employees of Clyde Companies, Inc. and subsidiaries (the Company). The Company is comprised of Clyde Companies, Inc. and its wholly-owned subsidiaries: W. W. Clyde & Co, DDF, Inc., Geneva Rock Products, Inc., Interstate Highway Construction, Bridgesource, LLC, Scott Contracting, Inc. (Scott), Sunroc Corporation, Beehive Insurance Agency, Inc., Sunpro Corporation, and GWC Capital. The Company primarily operates in construction services and as a materials manufacturer and supplier.

Certain Plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974, as amended (ERISA).

Contributions

The Plan is funded by the Company and participant contributions. Participants contribute specified amounts based on Company policy and respective benefit elections. The Company makes contributions to the Plan based on Company policy. The Company also contributes to the Plan as needed to fund claims in excess of participant contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Benefits

Effective June 1, 1979, the Company adopted a group insurance plan which covers medical, dental, vision, life, and accidental death and disability (AD&D) benefits for eligible employees. The Plan provides health, dental, and AD&D benefits to substantially all employees of the Company. The Plan was a partially self-insured program designed to pool and spread health care risks of participants from inception to January 31, 2005. The medical health plan was changed to a fully-insured plan and brought into the Trust from February 1, 2005 through December 31, 2011; the dental plan has always been self-insured and part of the Trust. Effective January 1, 2012, the insurance coverage for medical claims was changed from fully-insured to partially self-insured. There were no changes made to vision, life, and accidental death and disability benefits which remain fully-insured; dental claims remain self-insured. The plan agreement has no provision for postretirement benefits.

The Plan provides health benefits (medical, surgical, limited dental, vision, limited mental illness and hospital care benefits and benefits in the event of sickness, accident, or death) covering participants as described in the Plan's benefit provisions. Life insurance and AD&D coverage is provided by the Company – the benefit amount is based on whether the employee is a corporate officer, exempt employee, or non-exempt employee; additional coverage is available at an individual employee cost.

The claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services-only arrangements. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan's VEBA trust or the general assets of the Company. Despite the Plan's utilization of a third-party claims processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specified dollar amount, as well as its aggregate exposure for all claims).

Eligibility

For the entities included in the Company (other than Scott), exempt (salaried) employees become eligible to participate in the health plan and dental care benefits on the first day of full-time employment. Non-exempt (hourly) employees become eligible for benefits the first of the month following 60 days from their first day of full-time regular employment.

Employees of Scott who are scheduled to work at least 30 hours per week are eligible for benefits on the first day of the month following 60 days of employment.

Participant Termination

Participant coverage will terminate in accordance with the provisions of the Plan as follows: (1) on the day in which enrollment terminates, (2) when average hours worked falls below 30 hours per week, or (3) the date a spouse or child fails to meet the eligibility requirements or the employee is terminated.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by either the Company or the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits. Claim payments are recorded when paid by the third-party claims processor.

Administrative Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Stop Loss

Premiums for stop-loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop-loss refunds have been netted with claims paid in the accompanying statement of changes in net assets.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2026, the date the financials statements were available to be issued.

NOTE 3 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Regence BlueCross BlueShield of Utah (Regence) is the Plan claims processing service provider and has administrator responsibilities. These functions qualify as party-in-interest transactions of the Plan. Claims processing fees for the Plan related to Regence amounted to $3,006,312 and $2,063,887 during the years ended December 31, 2025 and 2024, respectively.

NOTE 4 – BENEFIT OBLIGATIONS

The Plan provides for no postretirement benefits. The amount of benefit obligations outstanding as of December 31, 2025 and 2024 was provided by third-party health and dental providers. The amounts were based upon information provided by their actuarial departments. The amount of obligation was equal to the actual claims paid during the seven-month period after year end plus an estimate for incurred but not reported (IBNR) claims. It is at least reasonably possible that these estimates of claim obligations will be different than the actual amount to be incurred. The IBNR claims at December 31, 2025 and 2024 relate to both the health and dental plans.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the plan subject to the provisions set forth in ERISA.

NOTE 6 – TAX STATUS

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service dated October 19, 2020, stating that the trust is tax-exempt under the provisions of 501(c)(9) of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in 2025 or 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan's benefit obligations are reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates in the near term could be material to the financial statements.
