Independent Auditors' Report

To the Plan Administrator of Crumdale Partners, LLC 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Crumdale Partners, LLC 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Crumdale Partners, LLC 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained a certification from qualified institutions as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Crumdale Partners, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Crumdale Partners, LLC 401(k) Retirement Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Crumdale Partners, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Crumdale Partners, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2024 Financial Statement

Management is responsible for the accompanying 2024 financial statement of Crumdale Partners, LLC 401(k) Retirement Plan, which comprises the statement of net assets available for benefits as of December 31, 2024, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2024 financial statement.

1. Description of Plan

The following description of the Crumdale Partners, LLC 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective February 1, 2018, and restated effective January 1, 2022. The Plan covers eligible employees of Crumdale Partners, LLC (the "Employer") and affiliated employers that have adopted the Plan. During 2025, all participating employees were employed by Crumdale Partners, LLC.

Employees covered by collective bargaining agreements are excluded when retirement benefits were the subject of good faith bargaining and the agreements do not provide for participation in the Plan. Leased employees and nonresident aliens without earned income from services performed within the United States are also excluded. The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Eligible employees may participate on the first day of the calendar month coincident with or next following the date they first perform an hour of service as eligible employees. There is no minimum age or additional service requirement.

Contributions

Participants may contribute up to 100% of their compensation, as defined in the Plan Document, subject to applicable Internal Revenue Code ("IRC") limitations. Participants may designate all or a portion of their elective deferrals as after-tax Roth contributions. Participants who attain age 50 by the end of the calendar year may make catch-up contributions, subject to applicable IRC limitations. The Plan also permits rollover contributions from other qualified retirement plans.

The Employer makes safe harbor nonelective contributions equal to 3% of eligible compensation, as defined in the Plan Document. These contributions are made without regard to whether an eligible participant makes elective deferrals and are not subject to additional hours-of-service or year-end employment conditions. For the year ended December 31, 2025, the Employer's safe harbor nonelective contributions totaled $684,468, which was included in employer contributions receivable at year-end.

1. Description of Plan (Continued)

Contributions (Continued)

The Employer may also make discretionary matching contributions, allocated as a uniform percentage of eligible participant contributions, including Roth and catch-up contributions, at a rate determined by the Employer. No additional hours-of-service or year-end employment condition applies to discretionary matching contributions. For the year ended December 31, 2025, the Employer did not make any discretionary matching contributions.

The Employer may make additional discretionary nonelective or profit-sharing contributions, which are allocated in proportion to eligible participants' compensation. Participants generally must complete 1,000 hours of service during the Plan year and be employed on its last day to receive these allocations. These requirements are waived for participants whose employment terminates during the year because of death, disability or attainment of normal retirement age. There were no discretionary profit-sharing contributions for the year ended December 31, 2025. All contributions are subject to applicable IRC limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of applicable Employer contributions, and Plan earnings or losses. Participant accounts are charged with allocations of administrative expenses incurred by the Plan. Allocations are based on participant compensation, account balances or specific transactions, as provided by the Plan Document.

Participants direct the investment of their account balances among the investment options offered by the Plan and may change their investment elections subject to the terms of those options. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting

Participants are fully vested immediately in their contributions, rollover contributions and safe harbor nonelective contributions plus actual earnings thereon. Participants vest in discretionary and profit sharing contributions based on the following table:

Years of Service	Vested Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

1. Description of Plan (Continued)

Participants become fully vested upon attaining normal retirement age of 65 while employed, or upon termination of employment due to death or disability.

Forfeitures

Following termination of employment, the nonvested portion of a participant's account generally is forfeited after distribution of the entire vested portion of the account.

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $189 and $0, respectively. These accounts will be used to reduce future Employer contributions or to pay Plan administrative expenses. During 2025, no forfeitures were used.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum amount of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested balance. The loans are secured by the participant's vested account balance and bear interest at the prime rate plus one percent. Loan repayments must be made through payroll deductions over a term not to exceed 5 years unless the proceeds of the loan are used to purchase the participant's principal residence, in which case the plan administrator may permit a longer repayment period. Principal and interest are paid ratably through periodic payroll deductions.

Payment of Benefits

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. Participants may elect a lump sum distribution. A participant may also request a withdrawal upon attainment of age 59½ or upon demonstration by the participant to the Plan Administrator that the participant is suffering from a hardship.

The Plan provides for distributions without participant consent following termination of employment when the participant's vested account balance, excluding rollover contributions and related earnings, does not exceed $5,000. If the participant does not elect to receive the distribution or direct it to an eligible retirement plan, a force-out distribution exceeding $1,000 is automatically rolled over to an individual retirement plan designated by the Plan Administrator.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

At December 31, 2025 and 2024, all of the Plan's investments, which were valued at fair value, were valued using Level 1 inputs.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive Guaranteed Interest Fund ("GIF"), which is reported at contract value.

The mutual funds held by the Plan are deemed to be actively traded and valued at fair value based on the daily closing price as reported by the funds. These funds are open-ended and are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price and are deemed actively traded.

The GIF is a group fixed deferred annuity contract issued by Empower Annuity Insurance Company of America. Contract value represents contributions and deposits plus credited interest, less distributions, transfers and applicable charges. The GIF is excluded from the fair value hierarchy. Additional information regarding the contract is provided in Note 5.

2. Summary of Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and Contributions Receivable

Participant contributions are recognized in the period in which they are withheld from participant compensation. Employer safe harbor nonelective and matching contributions are recognized for the Plan year to which they relate in accordance with the Plan's provisions. Employer corrective contributions are recognized when a legal or contractual requirement or formal commitment attributable to the reporting period exists and the amount can be reasonably estimated. Contributions receivable represent recognized contributions that had not been received by the Plan at year-end.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest.

A deemed distribution of a participant loan for income tax purposes does not, by itself, extinguish the loan receivable. A loan offset is recorded as a benefit payment when the participant's account balance is reduced in accordance with the Plan's provisions.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 14, 2026.

3. Information Certified by Custodian

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, qualified institutions.

4. Investments

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025	**Level 1**	**Total**
Mutual funds	$ 8,191,104	$ 8,191,104
Total assets in the fair value hierarchy	$ 8,191,104	$ 8,191,104

Assets at Fair Value as of December 31, 2024 (Compiled)	**Level 1**	**Total**
Mutual funds	$ 5,468,425	$ 5,468,425
Total assets in the fair value hierarchy	$ 5,468,425	$ 5,468,425

The Guaranteed Interest Fund is a fully benefit-responsive investment contract reported at contract value and is excluded from the fair value hierarchy. Contract value was $49,392 and $15,116 at December 31, 2025 and 2024, respectively. See Note 5.

5. Insurance Company General Account

The Plan invests in the Guaranteed Interest Fund (“GIF”), a fully benefit-responsive group fixed deferred annuity contract issued by Empower Annuity Insurance Company of America (“Empower”). Contributions are maintained in Empower’s general account. Empower is contractually obligated to repay principal and credit interest in accordance with the contract. Permitted participant-initiated withdrawals, transfers and loan funding are processed at contract value, subject to the provisions of the Plan and the contract.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for the portion of net assets available for benefits attributable to the GIF. Accordingly, the contract is presented at contract value in the statements of net assets available for benefits and is excluded from the fair value hierarchy.

5. Insurance Company General Account (Continued)

Contract value represents contributions and deposits plus credited interest, less distributions, transfers and applicable charges. The contract value was $49,392 and $15,116 at December 31, 2025 and 2024, respectively. Interest is compounded daily. Credited interest rates are declared in advance and reset at least quarterly. The minimum effective annual interest rate under the contract is 0%.

The Plan's ability to receive amounts due under the contract is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the Plan's ability to transact at contract value or result in transfer restrictions or market value adjustments. These events include sponsor-initiated sales, mergers, spin-offs, full or partial Plan termination, and layoffs of at least 20% of the workforce within a twelve-month period. Unapproved competing investment options and certain trading activity may also result in transfer restrictions. Management considers events that would limit the Plan's ability to transact at contract value probable of not occurring.

Either Empower or the Plan Sponsor may terminate the contract by providing advance written notice in accordance with its provisions. Available settlement alternatives include a lump sum payment subject to a market value adjustment, payment at contract value no later than 12 or 36 months after termination subject to contractual conditions and restrictions, or payment in 20 quarterly installments. The contract's termination provisions govern the timing and amount of settlement.

6. Related-Party and Party In Interest Transactions

The Plan's Guaranteed Interest Fund is issued by Empower Annuity Insurance Company of America, the parent company of the Custodian, Empower Trust Company, LLC. Transactions involving this contract qualify as party in interest transactions.

Fees incurred by the Plan for investment management services are included in net appreciation in the value of the investments, as they are paid through revenue sharing rather than a direct payment. Empower Trust Company, LLC receives revenue from investment fund service providers for services Empower Trust Company, LLC provides to the funds. This revenue is used to offset certain amounts owed to Empower Trust Company, LLC for its administrative services to the Plan. If the revenue received by Empower Trust Company, LLC from such investment fund service providers exceeds the amount owed for its services, Empower Trust Company, LLC remits the excess to the Plan's trust on a quarterly basis. The Plan or Plan Sponsor may make a payment to Empower Trust Company, LLC for administrative expenses not covered by revenue sharing.

6. Related-Party and Party In Interest Transactions (Continued)

For the year ended December 31, 2025, revenue-sharing credits of $19,770 were credited to the Plan expense account. The entire amount was used to pay investment advisory fees to Kathmere Capital Management, LLC. The Plan expense account had no balance at December 31, 2025 and 2024.

Additionally, the Plan issues loans to participants, which are secured by the participants' account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of full or partial termination of the Plan or complete discontinuance of Employer contributions, affected participants would become 100% vested in their account balances.

8. Tax Status

The Plan uses a pre-approved plan document for which the Internal Revenue Service ("IRS") issued a favorable opinion letter dated June 30, 2020. The opinion letter addresses the form of the pre-approved plan document. The Plan is intended to qualify under Section 401(a) of the IRC, and its related trust is intended to be exempt from federal income taxes under Section 501(a) of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	(Compiled) 2024
Net assets available for benefits per the financial statements	$ 9,129,210	$ 6,163,180
Less: Employer contributions receivable, including corrective contributions	(816,984)	(599,348)
Less: Participant contributions receivable	(979)	(57,456)
Net assets available for benefits per Form 5500	$ 8,311,247	$ 5,506,376

The following is a reconciliation of the increase in net assets available for benefits per the financial statements for the year ended December 31, 2025, to Form 5500:

	2025
Increase in net assets available for benefits per the financial statements	$ 2,966,030
Add: Contributions receivable at December 31, 2024	656,804
Less: Contributions receivable at December 31, 2025	(817,963)
Increase in net assets available for benefits per Form 5500	$ 2,804,871

11. Delinquent Participant Contributions

For the year ended December 31, 2025, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions totaled $979. The Company remitted these contributions to the Plan in April 2026. Related lost earnings remain unpaid, and the Company intends to compensate affected participants for lost earnings resulting from the delay.

12. Bonus and Commission Deferrals

The Plan's compensation provisions include eligible bonuses and commissions for purposes of participant elective deferrals. Management identified instances in which participant deferral elections were not applied to eligible bonus and commission payments. Management implemented a payroll processing change in April 2026 to apply the applicable elections to variable pay. This payroll change addresses ongoing processing; correction of the affected historical periods remains in progress.

12. Bonus and Commission Deferrals (Continued)

The estimated Employer corrective contributions represent 50% of estimated missed participant deferrals, calculated using affected bonus and commission compensation, estimated participant deferral rates and applicable statutory limits. Final corrective funding may differ from these estimates.

The Plan recognized estimated Employer corrective contributions of $55,237, $48,784 and $28,195 related to 2025, 2024 and 2023, respectively. These amounts are included in other Employer corrective contributions. Management is in the process of determining earnings attributable to the corrective contributions. Other employer corrective contributions receivable totaled $132,216 and $76,979 at December 31, 2025 and 2024, respectively.

As of the date the financial statements were available to be issued, no corrective contributions had been funded.
