Point University Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Point University Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Point University Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Kassouf & Co., Inc.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Point University Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Point University Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually, or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Point University Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Point University Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), Schedule H, line 4i – Schedule of Assets (Acquired and Disposed of Within Year), and Schedule H, Line 4j – Schedule of Reportable Transactions as of and for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan and Summary of Accounting Policies

Description of the Plan

The following description of the Point University Retirement Savings Plan (the Plan) provides general information. Participants should refer to the Summary Plan Description for a complete description of the Plan's provisions.

A. **General -** The Plan was created on January 1, 2008, and is a defined contribution plan covering all employees of Point University (Plan Sponsor) except those covered by a collective bargaining agreement, non-resident aliens, student workers, adjunct teachers, and part-time/temporary/seasonal employees. All eligible employees are eligible to participate after 30 days of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. **Contributions -** Participants may elect to make contributions to the Plan through salary deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan Sponsor made a discretionary contribution of 3% of the participant's compensation. Contributions to the Plan are subject to certain limitations imposed by the Internal Revenue Code (the Code).

C. **Participant Accounts -** Each participant's account is credited with the participant's contribution and allocation of (a) the Plan Sponsor's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. **Vesting -** All contributions by participants, as well as earnings on those contributions, are fully vested for participants in the Plan. The Plan Sponsor's matching contribution for participants is vested 50 percent per year and is 100 percent vested after two years of credited service. Participants whose employment commencement dates are prior to January 1, 2021, will be 100 percent vested at all times in all accounts.

E. **Investment Options -** Participants direct the investment of all contributions into various investment options offered by the Plan.

Note 1. Description of Plan and Summary of Accounting Policies - Continued

F. **Forfeited Accounts -** Forfeitures may be used to pay plan expenses or to reduce any company contributions. There was $21,196 and $12,805 in the unallocated forfeiture account at December 31, 2025 and 2024. There were no forfeitures used to reduce company contributions for the year ended December 31, 2025 and 2024.

G. **Participant Loans -** Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant's loan fund. Loan terms range from one to five years, unless the loan is used to acquire a dwelling unit to use as a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate of 4.25% to 9.50% for the years ended December 31, 2025 and 2024. Principal and interest is paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants on the statements of net assets available for benefits.

H. **Payment of Benefits -** Upon termination of service due to retirement, disability, or death, a participant may elect to receive the vested interest in his or her account as a lump-sum distribution, direct rollover to an IRA or qualified plan, or installments only if the participant is subject to lifetime required minimum distribution. In-service withdrawals are also allowed at retirement age. Terminated or retired participants are required to withdraw funds from their retirement immediately after severance from employment if their account balance is less than $7,000. Participants over the age of 70 and one-half years who are not terminated or retired are required to withdraw from their retirement accounts upon termination of service with the Plan Sponsor. Hardship withdrawals are allowed from participant accounts.

I. **Administration -** For the years ended December 31, 2025 and 2024, Empower Annuity Insurance Company of America and Empower Trust Company, LLC were appointed trustees of the Plan. Direct administrative expenses paid to the Plan's third-party administrator were $44,433 and $38,605 for the years ended December 31, 2025 and 2024, respectively. Routine legal, audit, and other costs are paid at the discretion of the Plan Sponsor.

Note 1. Description of Plan and Summary of Accounting Policies - Continued

Basis of Accounting

The Plan's policy is to prepare its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenues are recognized in the period in which they are earned. Expenses are recognized in the period in which they are incurred.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Sponsor determines the Plan's valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation in fair value of investments is the difference between the proceeds received or aggregate fair market value of investments determined at the end of the year and the aggregate fair value of investments determined at the beginning of the year or cost if acquired during the year. Dividends are recorded on the ex-dividend date.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal balance plus any accrued unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses are recorded as they are incurred.

Note 2. Information Prepared and Certified by Custodian (Unaudited)

The following is a summary of the investment information regarding the Plan as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included in the Plan's financial statements and supplemental schedule that was prepared or derived from information prepared by the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator obtained certification from the trustee that such information is complete and accurate.

The trustees providing such information were Empower Annuity Insurance Company of America and Empower Trust Company, LLC for the years ended December 31, 2025 and 2024.

		2025		2024

Total investments, at fair value	$	7,728,229	$	6,868,011

		2025

Net appreciation in fair value of investments	$	945,231
Dividends and interest		163,370
Interest - participant loans		11,708
Net investment income	$	1,120,309

Note 3. Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

Note 4. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 5. Party-in-Interest Transactions

The investments of the Plan are shares of mutual funds managed by the custodian, and therefore, these transactions qualify as party-in-interest transactions. Direct administrative expenses paid to the Plan's third-party administrator were $44,433 and $38,605 for the years ended December 31, 2025 and 2024, respectively.

Note 6. Tax Status

The Plan adopted a non-standardized pre-approved form of a plan sponsored by Empower Trust Company, LLC. The IRS has determined and informed an opinion letter, that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, Plan management and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, the accompanying financial statements do not include a provision for income taxes.

Generally Accepted Accounting Principles (GAAP) requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. ERISA Bond Requirement

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets, and is required to be the lesser of 10% of the Plan's assets at the beginning of the plan year but not more than $500,000. At December 31, 2025 and 2024, the Plan's sponsor maintained bond coverage in the amount of $1,000,000.

Note 8. Fair Value of Assets

The Plan accounts for fair value measurements in accordance with FASB ASC 820. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

Note 8. Fair Value of Assets - Continued

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies (mutual funds): Valued at the net asset value ("NAV") of shares held by the plan at year end, NAV equals fair value.

Common Collective Trust: Valued using net asset value per share/unit as a practical expedient. NAVs are generally obtained directly from the fund house or other investment provider.

Annuity Contract: Valued at fair value of the investment contract. Prior to contract termination, fair value equals contract value. Fair value is determined by using a discounted cash flow valuation methodology where the interest rate for the portfolio investment contract is reset at least as frequently as annually.

Note 8. Fair Value of Assets - Continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets itemized below were measured at fair value during the years ended December 31, 2025 and 2024, using the market and income approaches. The market approach and income approach was used for Level 1 assets.

		Assets at Fair Value as of December 31, 2025		
	Fair Value	Level 1	Level 2	Level 3
Registered investment companies	$ 7,179,638	$ 7,179,638	$ -	$ -
Annuity contract	322,483	-	322,483	-
Total	7,502,121	$ 7,179,638	$ 322,483	$ -
Investments measured at NAV (a):				
Common collective trusts	226,108			
Total	$ 7,728,229			

Note 8. Fair Value of Assets - Continued

		Assets at Fair Value as of December 31, 2024		
	Fair Value	Level 1	Level	Level 3
Registered investment companies	$ 6,253,972	$ 6,253,972	$ -	$ -
Annuity contract	409,894	-	409,894	-
Total	6,663,866	$ 6,253,972	$ 409,894	$ -
Investments measured at NAV (a):				
Common collective trusts	204,145			
Total	$ 6,868,011			

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value Estimated Using NAV Per Share as of December 31, 2025			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common Collective Trust	$ 226,108	None	Daily	30 days

	Fair Value Estimated Using NAV Per Share as of December 31, 2024			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common Collective Trust	$ 204,145	None	Daily	30 days

Kassouf & Co., Inc.

Note 9. Concentration of Investments

A single investment representing more than ten percent of the total Plan investments is considered a concentration. A significant decline in the market value of these funds would significantly affect the net assets available for benefits. Included in investments at December 31, 2025 and 2024, are:

	As of December 31, 2025	
Investment	Investment Amount	Percent of Total Investments
FXAIX-Fidelity 500 Index Fund	$ 3,584,171	46%
VBILX-Vanguard Intermediate-Term Bond Index Ad Fund	859,192	11%

	As of December 31, 2024	
Investment	Investment Amount	Percent of Total Investments
FXAIX-Fidelity 500 Index Fund	$ 3,392,594	49%

Note 10. Plan Amendments/Restatement

On July 15, 2024, the Plan executed a new Trust agreement, effective May 17, 2024.

Effective July 1, 2025, the Plan was amended to update the Plan trustees.

Note 11. Prohibited Transactions

The Plan Sponsor inadvertently failed to deposit $32 of participant contributions within the timeframe required by the DOL for the year ended December 31, 2024. The DOL considers late deposits to be nonexempt prohibited transactions. During the 2025 Plan year, the Plan Sponsor completed the necessary corrective actions these late remittances.

Note 12. Subsequent Events

The Plan Administrator of the Plan has evaluated events through October 13, 2026, the date which the financial statements were available to be issued.

Effective July 31, 2026, the Plan was amended to comply with enactment of SECURE 2.0 Act. These changes included the higher catch-up contributions at ages 60 to 63, age 50 catch-up contributions as roth deferrals for highly paid individuals, eligibility requirements of long-term part-time employees, the increase of involuntary cash-out distributions to $7,000 and rules surrounding requirement minimum distributions.
