Independent Auditor's Report

To the Participants and Retirement Board of
The Jockey Club 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Jockey Club 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matter - Supplemental Schedule Required by ERISA, continued

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

THE JOCKEY CLUB 401(K) PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of The Jockey Club 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan's adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a multiple-employer defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and intended to qualify under Section 401(a) of the Internal Revenue Code. The Plan became effective January 1, 1998 and was restated effective April 19, 2022. Participating Employers are: Equibase Company, LLC, Axcis Information Network and Blood-Horse, LLC. The Jockey Club and all Participating Employers (collectively, the Employer, Plan Sponsor and Plan Administrator) are bound by the terms of the Plan and Trust Agreement.

Eligibility

Employees who are at least 21 years of age are eligible to participate in the Plan on their hire date. Eligible participants can enter the Plan on the first day of the quarter on or following their date of hire. Participants are eligible for safe harbor and discretionary matching contributions after one year and 1,000 hours of service. Participants are eligible for discretionary non-elective matching contributions after one year and 1,000 hours of service as long as they complete at least 1,000 hours of service during the plan year.

Contributions

Participants may contribute up to the maximum allowable contribution, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute Roth 401(k) elective deferrals on a post-tax basis, as well as amounts representing distributions from other qualified defined contribution plans. Employer safe harbor contributions are equal to 3% of eligible compensation, as defined in the Plan adoption agreement. The employer safe harbor contributions totaled $443,327 for the year ended December 31, 2025. During the year ended December 31, 2025, the Plan Sponsor made a discretionary matching contribution equal to 50% of the participant's elective contributions, up to 6% of eligible compensation, as defined in the Plan adoption agreement. The discretionary matching employer contribution totaled $562,422 for the year ended December 31, 2025. There was no discretionary nonelective contributions for the year ended December 31, 2025. Contributions are subject to Internal Revenue Service (IRS) limitations.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contribution, the Plan Sponsor's contributions, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan adoption agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. Description of the Plan, continued

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Vesting

Participants are vested immediately in their contributions and safe harbor matching contributions plus actual earnings thereon. Participants are vested in the Plan Sponsor's discretionary nonelective and discretionary matching contributions according to the following schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5 or more	100%

If a participant dies or becomes disabled, he or she is automatically 100% vested in all accounts.

Notes Receivable from Participants

Participants may borrow up to a maximum of the lesser of $50,000 or 50% of their vested balance, reduced by the highest outstanding loan balance in the preceding 12 months, with a minimum of $1,000. Loan terms can be up to 5 years for general purposes, or 20 years for the purchase of a residence. The loans are secured by the balance in the participant’s account and bear interest at rates commensurate with local prevailing rates at the time funds are borrowed, as determined by the Plan Sponsor. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant whose vested account balance is greater than $5,000 (excluding amounts attributable to rollover contributions) is permitted to leave their account balance in the Plan until they elect to receive benefits or to roll it over into an Individual Retirement Account or other qualified retirement plan. On termination of service, a participant whose vested account balance is not greater than $5,000 (excluding amounts attributable to rollovers) will receive his or her benefits as a single lump sum payment.

1. Description of the Plan, continued

Forfeited Accounts

The Plan allows forfeitures to reduce Plan Sponsor contributions and administrative expenses. As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $15,748 and $7,482, respectively. During 2025, forfeitures totaling $9,714 were used to reduce matching contributions. There were $15,748 of forfeited participant balances during 2025.

Revenue Credit Program

The Plan provides for a revenue credit program in connection with revenue sharing with certain investment managers. The amounts may be used to pay Plan expenses or allocated to eligible participant accounts. During 2025, the Plan received $2,045 from the revenue credit program, which was placed in an ERISA account. Unused revenue credit program accounts totaled $7,749 and $5,442 at December 31, 2025 and 2024 respectively.

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies, continued

Contributions

Contributions from Plan participants and the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based on the terms of the Plan adoption agreement.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of distributions and notes receivables from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through October 12, 2026, the date that the financial statements were available to be issued.

3. Information Certified and Provided by Trustee

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by Fidelity Management Trust Company (Fidelity), the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that asset information provided to the Plan Administrator by the trustee is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and the ERISA-required supplemental schedule.

3. Information Certified and Provided by Trustee, continued

The following table presents the fair value of assets in the Plan that were certified by Fidelity as of December 31:

	2025	2024
Mutual funds	**$ 49,911,467**	$ 43,247,470
Money market fund	**8,007**	5,689
Collective trust	**1,404,054**	1,449,796
Total investments	**$ 51,323,528**	$ 44,702,955
Notes receivable from participants	**$ 412,712**	$ 473,969

Fidelity also certified to the completeness and accuracy of $5,712,403 of net realized and unrealized appreciation in the fair value of investments, $1,634,306 of interest and dividends related to the investments, and $40,178 of interest income on notes receivable from participants for the year ended December 31, 2025.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at cost which approximates fair value.

Collective trust: Valued based on the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

4. Fair Value Measurements, continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Level 1	Level 2	Level 3	Total
2025				
Investments measured at fair value:				
Mutual funds	**$ 49,911,467**	**$ -**	**$ -**	**$ 49,911,467**
Money market fund	**8,007**	**-**	**-**	**8,007**
Total investments in fair value hierarchy	**$ 49,919,474**	**$ -**	**$ -**	**49,919,474**
Investments measured at NAV:				
Collective trust				**1,404,054**
Total investments at fair value				**$ 51,323,528**

	Level 1	Level 2	Level 3	Total
2024				
Investments measured at fair value:				
Mutual funds	$ 43,247,470	$ -	$ -	$ 43,247,470
Money market fund	5,689	-	-	5,689
Total investments in fair value hierarchy	$ 43,253,159	$ -	$ -	43,253,159
Investments measured at NAV:				
Collective trust				1,449,796
Total investments at fair value				$ 44,702,955

In accordance with accounting standards, investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified as Level 1, 2 or 3 in the fair value hierarchy, but are included to permit reconciliation of the fair value hierarchy tables to the amounts presented on the statements of net assets available for benefits.

4. Fair Value Measurements, continued

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

The following table summarized investments measured at fair value based on NAV per share as of December 31:

2025	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective trust fund:				
Reliance Stable Value Fund	**$ 1,404,054**	N/A	Immediate	None

2024	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective trust fund:				
Reliance Stable Value Fund	$ 1,449,796	N/A	Immediate	None

5. Exempt Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity was the trustee throughout the year ended December 31, 2025 as defined by the Plan and therefore, these transactions qualify as party-in-interest. Administrative expenses of $72,751 for the year ended December 31, 2025 are comprised of fees paid by the Plan to Fidelity Investments Institutional Operations Company, LLC for recordkeeping services, TRG Advisors, Inc. for investment advisory services, and Dean Dorton Allen Ford, PLLC for audit services. These transactions qualify as party-in-interest.

Additionally, indirect fees are paid to the trustee based on investment account values; therefore, these transactions qualify as party-in-interest. For the year ended December 31, 2025, indirect fees paid to the trustee ranged from 0.01% and 0.58% of the investment account. The fees are included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

The Plan uses a volume submitter plan document sponsored by the Plan Sponsor. An opinion letter was received from the IRS, dated June 30, 2020, which states that the volume submitter plan document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

7. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their accounts.
