INDEPENDENT AUDITORS' REPORT

Plan Administrator
ThedaCare Retirement and 403(b) Savings Plan
Appleton, Wisconsin

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of ThedaCare Retirement and 403(b) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ThedaCare Retirement and 403(b) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of ThedaCare Retirement and 403(b) Savings Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

ThedaCare Retirement and 403(b) Savings Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Further, as described in Note 2 to the financial statements, the ThedaCare Retirement and 403(b) Savings Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ThedaCare Retirement and 403(b) Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

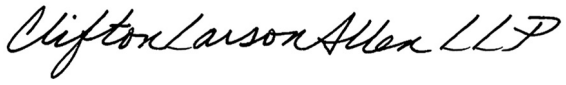

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of ThedaCare Retirement and 403(b) Savings Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of ThedaCare Retirement and 403(b) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

NOTE 1 DESCRIPTION OF PLAN

The following description of the ThedaCare Retirement and 403(b) Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of ThedaCare, Inc. (Company or Employer). Employees are eligible to participate in salary deferrals upon hire. Employees must reach 19 years of age to participate in Company contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may contribute pretax and Roth elective deferrals to the Plan up to the annual Internal Revenue Service (IRS) limit. The Plan also includes a provision for automatic pretax elective deferral contributions that applies to new employees. The automatic deferral is 4% of compensation. Every January 1st, if eligible employees are contributing at least 4%, but less than 15%, the deferral percentage will be increased by 1% each year up to a maximum of 15%. Employees have the right to change their deferral percentage or elect not to make contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company made a discretionary matching contribution of 75% of participant contributions up to 4% of their compensation during the year ended December 31, 2025. The Company may also make a discretionary retirement contribution to those participants that work over 975 hours during the year and are employed at year end. No discretionary retirement contribution was made during the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's matching contribution along with an allocation of the Company's discretionary retirement contribution, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant accounts are allocated to the various investment options offered by the Plan as directed by the participants. In addition, participants have a self-directed investment option that allows them to direct purchases and sales of a broad range of investments within a brokerage account.

Vesting

Participants are vested immediately in their contributions and Company matching contributions plus actual earnings thereon. Vesting in the Company's discretionary retirement contributions portion of their accounts is based on years of continuous service. Participants become 100% vested after completing three years of service.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans can only be taken from employee 403(b) pre-tax deferrals, Roth 403(b) deferrals, and rollover contributions. Loan terms generally range from one to five years. The loans are secured by the vested balance in the participant's account and bear interest at prime plus 2% at the date originated. Principal and interest is paid ratably through biweekly payroll deductions.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $19,694 and $306,129, respectively. These accounts will be used to reduce future Company contributions. Forfeited nonvested accounts were used to reduce Company contributions by $306,132 for the year ended December 31, 2025.

Transfers from Qualified Plans (Rollovers)

At the discretion of the plan administrator, participants may be permitted to deposit distributions received from other qualified plans into the Plan. Such a deposit is referred to as a "rollover". Participants are always 100% vested in their "rollover" account.

Also, the Plan has excluded from investments in the statements of net assets available for benefits certain custodial accounts issued to current and former employees prior to January 1, 2009. The Plan allows participants to transfer the amounts in these custodial accounts to the Plan's current custodian, State Street Bank and Trust Company. Any such transfers are shown as rollover contributions on the statement of changes in net assets available for benefits.

Benefit Payments

Plan benefits are available at retirement, disability, death, financial hardship, and termination of employment with vested interests. Benefits are generally paid as a lump sum distribution. The Plan also allows for in-service distributions upon attaining age 59½.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions

Contributions from participants and Company matching contributions are recorded in the year in which the employee contributions are withheld from compensation. The discretionary retirement contribution is recorded in the year in which participants earn the contribution based on service or other eligibility criteria under the terms of the Plan.

Benefit Payments

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Excluded Contracts and Accounts

Information relative to Plan activity and balances prior to January 1, 2009 could not be obtained from the Plan's third-party administrators. The Plan administrator believes a good faith effort was made to obtain all relevant information prior to January 1, 2009. However, as a result of the lack of historical Plan level financial reporting, the Plan administrator is unable to obtain Plan level information prior to January 1, 2009.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Excluded Contracts and Accounts (Continued)

Prior to 2009, the Plan's third-party administrators, State Street Bank and Trust Company and Transamerica Financial Life Insurance Company, tracked contributions, investment earnings, distributions, and other activity on a "contract" basis. Each participant was set up as having a separate "contract" and Plan level activity was not captured. This method of administration was utilized prior to January 1, 2009, as the regulations governing 403(b) plans did not require Plan level reporting.

The Plan administrator has elected to exclude certain contracts and accounts from Plan assets in accordance with Department of Labor Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans* due to the fact that:

- the contract or account was issued to a current or former employee before January 1, 2009;
- the employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact, stopped making contributions to the contract or account before January 1, 2009;
- all the rights under the contract or account are legally enforceable against the insurer by the individual owner of the contract or account without any involvement by the employer; and
- the individual owner of the contract should be fully vested in the contract or account.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investment presented in the accompanying statements of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through October 12, 2026, the date on which the financial statements were available to be issued.

NOTE 3 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

Level 1– Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Participant-Directed Brokerage Accounts: The fair value of the participant-directed brokerage accounts is based on the fair value of their underlying assets. These underlying assets consist of interest bearing cash and mutual funds which are valued at readily determinable market prices.

Guaranteed Investment Contract: The guaranteed investment contract is part of the general assets of Transamerica Financial Life Insurance Company. The investment is reported at contract value, which approximates fair value.

Registered Variable Annuity Funds: The fair value of the registered variable annuity funds is based on the fair value of their underlying assets. These underlying assets are primarily composed of investments that have quoted market prices in active markets or are valued with observable inputs other than quoted prices for identical assets.

NOTE 3 FAIR VALUE OF INVESTMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 880,112,851	$ -	$ -	$ 880,112,851
Participant-Directed Brokerage Accounts	6,162,821	-	-	6,162,821
Guaranteed Investment Contract	-	260,417	-	260,417
Registered Variable Annuity Funds	-	526,979	-	526,979
Total Investments at Fair Value	$ 886,275,672	$ 787,396	$ -	$ 887,063,068

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 758,510,845	$ -	$ -	$ 758,510,845
Participant-Directed Brokerage Accounts	5,013,206	-	-	5,013,206
Guaranteed Investment Contract	-	511,551	-	511,551
Registered Variable Annuity Funds	-	460,338	-	460,338
Total Investments at Fair Value	$ 763,524,051	$ 971,889	$ -	$ 764,495,940

NOTE 4 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan holds a fully benefit-responsive investment contract with Empower Annuity Insurance Company (Empower). Empower maintains the contributions in general accounts. As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contracts. Contract values, as reported to the Plan by Empower, represent contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula with the issuer and is declared at the beginning of each calendar quarter. The investment contract has a minimum guaranteed interest rate of 2.0%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) discontinuance of this investment contract option by the Plan, (2) failure of the Plan to appropriately fund the investment contract, (3) bankruptcy of the plan sponsor or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Certain administrative expenses relating to the Plan are paid by the Company.

Certain plan investments are a guaranteed investment contract and registered variable annuity funds managed by Transamerica Financial Life Insurance Company, who is the insurance company of the Plan. Transamerica Financial Life Insurance Company is an affiliated company of Transamerica Retirement Solutions Corporation. Administrative expenses paid by the Plan to Transamerica Retirement Solutions Corporation for recordkeeping services amounted to $783,326 for the year ended December 31, 2025. Administrative expenses paid by the Plan to various companies for investment advisory and audit services amounted to $118,884 for the year ended December 31, 2025.

These transactions qualify as party-in-interest transactions.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 8 PLAN TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 CERTIFICATION OF INVESTMENT INFORMATION

State Street Bank and Trust Company, the custodian of the Plan, and Transamerica Financial Life Insurance Company and Transamerica Life Insurance Company, the insurance companies of the Plan, have supplied the Plan administrator with a certification as to the completeness and accuracy of investments (except the participant-directed brokerage accounts) and notes receivable from participants as of December 31, 2025 and 2024, and investment income (except investment income related to participant-directed brokerage accounts of $1,028,264) and interest income on notes receivable from participants for the year ended December 31, 2025, in the accompanying financial statements and ERISA-required supplemental schedule.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan's Schedule H of Form 5500 reports any receipt from a qualified 403(b) plan as a transfer of assets to this plan rather than a rollover contribution. Rollover contributions shown as a transfer of assets to this plan on Schedule H of Form 5500 amounted to $41,142 for the year ended December 31, 2025.
