Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of the Agile Defense LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statement, performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report —

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Agile Defense LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of these 2025 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Agile Defense LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Agile Defense LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Agile Defense LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2025 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets Held (End of Year) as of December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2024 Financial Statements

The financial statements of the Agile Defense LLC 401(k) Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 15, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by qualified institutions agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of the Agile Defense LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing plan, which was established on January 1, 2003 by Agile Defense LLC. The Plan includes employees of Agile Defense LLC and effective January 1, 2026 the employees of IntelliBridge LLC, which includes the subsidiaries Alethix, LLC, Altech Services, Inc., ByteCubed, LLC, Intelliware Systems, and Revacomm, Inc. as participating employers of the Plan, (collectively, the Company). Employees of the Company not excluded from participation are eligible to enter the Plan the first day of the calendar month upon reaching 18 years of age and completing 1 hour of service.

Effective December 31, 2025, the Intellibridge 401k Plan merged into the Plan. As a result of this merger, assets totaling $98,434,743 and loans totaling $652,726 were transferred from the Intellibridge 401k Plan to the Agile Defense LLC 401(k) Plan, which is included as transfer in on the accompanying statement of changes in net assets available for benefits as of December 31, 2025.

In conjunction with the change in recordkeeper (Note 7), the Plan was amended and restarted effective January 1, 2026. As part of this amendment and restatement, various changes were made to the Plan including the Plan name changing to Agile Defense 401(k) Plan and an addendum added related to the merger of the Intellibridge 401k Plan. The Plan was most recently amended July 20, 2026, to allow participants to enter the Plan immediately upon reaching all eligibility requirements and allow prospective deferral elections to be effective at the beginning of the next payroll period.

Participant Contributions

Participants may contribute up to 80% of their eligible compensation, as defined by the Plan, on a pre-tax or Roth basis. Participant contributions may not exceed the maximum allowable contribution limit under the Internal Revenue Service Code (the Code), which totaled $23,500 for the year ended December 31, 2025. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to limitations imposed by the code, which totaled $7,500 for the year ended December 31, 2025. Effective January 1, 2025, participants aged 60 through 63 are eligible to make super catch-up contributions totaling $11,250 instead of $7,500, subject to limitations imposed by the Code, for the year ended December 31, 2025. Participants making super catch-up contributions cannot also make traditional catch-up contributions. Participant's Roth elective contributions are allocated to a separate account maintained for such contributions. Participants are also permitted to make rollover contributions into the Plan.

Company Contributions

The Company provides a safe harbor matching contribution which is equal to 100% of each participant’s deferral contributions not to exceed 6% of the participant’s eligible compensation. Participants become eligible to participate in safe harbor matching contributions upon entering the Plan. Company safe harbor matching contributions are calculated each pay period. The Company’s safe harbor matching contributions totaled $5,728,793 for the year ended December 31, 2025. The Company may make discretionary employer matching contributions or non-elective contributions to the Plan. The Company did not make any discretionary employer matching contributions or non-elective contributions to the Plan during the year ended December 31, 2025.

1. DESCRIPTION OF THE PLAN – cont'd.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and Company contributions in accordance with the investment options selected by the participants. Plan earnings, losses, and administrative expenses are allocated to each participant's account based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions and Company safe harbor matching contributions, plus earnings thereon. Participants vest in Company discretionary employer matching contributions and Company nonelective contributions on a 3-year cliff vesting schedule. Upon retirement from the Company, death, or disability during employment at the Company, a participant becomes 100% vested in their Company discretionary employer matching contributions and Company nonelective contributions.

Payment of Benefits

Upon termination of service, retirement, death, disability, or attainment of 59 1/2, a participant or their beneficiary, in the event of death, is entitled to a distribution of their vested account balance. Distributions from the Plan are payable in the form of a lump sum or installment payments equal to the value of the participant's vested interest in his or her account. Upon termination, if a participant's account balance is less than $5,000, the Plan administrator may elect to automatically distribute the participant's account balance. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed by the participant may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 ½. There were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan that had not received such distributions as of December 31, 2025 and 2024.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance, not to exceed $50,000, without regard to the intended use of the funds. The minimum note amount is $1,000 and only one note may be outstanding at any given time. The notes are collateralized by a participant's vested account balance. Note repayments are to be made through payroll deductions each pay period with interest based on the prime rate as published by the Wall Street Journal at the time of note origination plus one percent. Notes are to be repaid within five years. Certain loans initiated under plans that merged into the Agile Defense LLC 401(k) Plan have a longer repayment period in accordance with the loan provisions in effect at the time of origination.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid by a trustee with assets of the Plan unless the Company, at its discretion, elects to pay them. During the year ended December 31, 2025, the Plan paid direct expenses totaling $288,000 related to the Plan's operations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities and changes therein at the date of the financial statements and reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in assets that, in general, are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement* (ASC 820), defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price reported on the active market on which the funds are traded.

Interest-bearing cash: Valued at amortized cost using the effective interest method, which approximates fair value.

Interests in common/collective trust: Valued using the net asset value (NAV) practical expedient of units held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2025 and 2024.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 37,095	$ -	$ -	$ 37,095
Interests in registered investment companies	12,013,555	-	-	12,013,555
Total investments in the fair value hierarchy	12,050,650	-	-	12,050,650
Investments valued using the NAV practical expedient - interests in common collective trust [(a)]	-	-	-	178,390,787
Total Investments, at fair value	$ 12,050,650	$ -	$ -	$ 190,441,437

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	$ 74,684,118	$ -	$ -	$ 74,684,118
Total Investments, at fair value	$ 74,684,118	$ -	$ -	$ 74,684,118

(a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

In accordance with the fair value measurement and disclosure guidance, the following table presents the category, fair value, redemption frequency, redemption notice period, and unfunded commitments for Plan investments, the fair value of which are estimated using the net asset value per share practical expedient as of December 31,:

	2025	2024	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Interests in common collective trust [(b)]	$ 178,390,787	$ -	Daily	Daily	None

(b) Funds in this category invest in a range of investments to achieve balanced investment growth while maintaining preservation of capital.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Notes become due immediately upon termination of a participant's employment. Delinquent notes are treated as distributions based on the terms of the Plan agreement.

Payment of Benefits

Benefit payments are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 12, 2026, the date the financial statements were available to be issued and determined that there were no material subsequent events that warranted disclosure, except as disclosed within Note 1 and Note 7.

3. INVESTMENTS

All investment information contained in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2025 and 2024, and interest and dividend income and net realized and unrealized appreciation in the fair value of investments for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Inspira Financial Trust LLC (Inspira), the Trustee of the Plan. Investment information as of December 31, 2025 was also certified by Fidelity Management Trust Company as of December 31, 2025.

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Betterment for Business, LLC, affiliates of Inspira as of December 31, 2025, and 2024, and Fidelity Management Trust Company as of December 31, 2025. The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

5. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. INCOME TAX STATUS

The volume submitter document, upon which the Plan was designed, received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and therefore is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan was amended subsequent to receiving the opinion letter; however, the Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, these provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2025 and 2024. The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits in progress for any open periods.

7. CHANGE IN RECORDKEEPER AND TRUSTEE

During the year ended December 31, 2025, the Plan transitioned recordkeeping and trustee services from Betterment for Business, LLC and Inspira, respectively, to Fidelity Management Trust Company. A blackout period was in effect from December 19, 2025 through February 1, 2026 for loans, distributions, and investment allocation changes. During this time, participants were unable to access their accounts, request a loan, obtain a distribution, or diversify their investments from the Plan. Participants were, however, able to make contributions during the blackout period.
