Report of Independent Auditors

To the Administrator of L&R Distributors, Inc. 401(k) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of L&R Distributors, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 ("supplemental schedules"), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. 1. Description of Plan

The following description of the L&R Distributors, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of L&R Distributors, Inc. (the "Company" or the "Plan Sponsor") who are eligible for elective deferral contributions and to receive matching contributions and profit-sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Prior to May 1, 2024, employees were eligible to make elective deferral contributions and to receive matching contributions and profit-sharing contributions upon attaining age 21 and completing one consecutive month of service. Eligible employees entered the Plan on the first day of the month following satisfaction of the applicable age and service requirements. Effective May 1, 2024, the age requirement was reduced from age 21 to age 18; the service requirement and entry date provisions remain unchanged.

Plan Administration

The Plan is administered by members of Company management. Ascensus Trust Company ("Ascensus") serves as the Trustee and custodian of the Plan's assets, and The Vanguard Group, Inc. ("Vanguard") serves as the Plan's recordkeeper.

Trust funds have been established by the execution of agreements with Ascensus and are maintained for the purpose of this Plan. The assets of the Plan are held by Ascensus and are invested and disposed of in accordance with the directions of the Plan Administrator and participants, as communicated through Vanguard, for the benefit of the participants and their beneficiaries. Plan assets are primarily invested in a lineup of Vanguard mutual funds made available through Vanguard's recordkeeping platform.

Investments

Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

Contributions

Participants may elect to contribute up to 92% of eligible compensation on a pre-tax and/or Roth basis, subject to applicable Internal Revenue Code ("IRC") limitations. The IRC sets dollar limits on the amount that may be contributed to the Plan each tax year. The combined pre-tax and/or Roth 401(k) contributions by participants for 2025 were limited to $23,500. In addition, participants who were at least 50 years of age at December 31, 2025 were generally allowed to make an additional pre-tax and/or Roth 401(k) catch-up contribution of up to $7,500. Participants who attained ages 60 through 63 during 2025 were allowed to make a higher catch-up contribution of up to $11,250 in lieu of the $7,500 catch-up limit. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary matching contributions to the Plan. During the year ended December 31, 2025, the Company matched 50% of the first 6% of each participant's compensation contributed as elective deferrals.

The Plan includes an automatic enrollment provision whereby all newly hired eligible employees who do not make an affirmative election are automatically enrolled at a 4% pre-tax contribution rate. Participants may opt out or change their contribution rate and may withdraw automatic contributions and related earnings within 90 days of the first automatic contribution.

The Company may make discretionary profit-sharing contributions to the Plan in an amount determined from year to year. If made, profit-sharing contributions are allocated among qualifying participants on each participant's eligible compensation relative to the total eligible compensation of all qualifying participants. To be eligible to receive a profit-sharing contribution, a participant generally must complete at least 1,000 hours of service during the Plan year and be employed by the Company on the last day of the Plan year. No discretionary profit-sharing contributions were made for the year ended December 31, 2025.

During 2025, the Company identified two instances in which participant contributions, for a total of $174, were not remitted to the Plan in a timely manner and were in violation of Department of Labor ("DOL") regulations. The Company remediated the total delinquent contributions together with the lost earnings outside of the DOL Voluntary Fiduciary Correction Program ("VFCP") during the year ended December 31, 2025.

Vesting
Vested benefits are those amounts participants are entitled regardless of future services to the Company. Participants are vested immediately in their contributions plus actual earnings thereon. Participants' employer contribution account balances become 20% vested after two years of service, and vest an additional 20% for each additional year of service. Consequently, after six years of service, account balances are fully vested. If a participant's employer contribution account is not already 100% vested pursuant to the aforementioned terms, such account shall become fully vested upon the earliest of the participant's attainment of normal retirement age, disability, or death.

Forfeited Accounts
At December 31, 2025 and 2024, forfeited nonvested accounts totaled $159,254 and $40,027, respectively. These accounts may be used to pay Plan administrative expenses or reduce future employer contributions in accordance with the Plan. In 2025, $34,000 from forfeited nonvested accounts was used to pay Plan expenses.

Notes Receivable from Participants
Participants may borrow an amount up to the lesser of 50% of their vested account balance or $50,000, subject to certain DOL and IRC requirements. The Plan provides that loan amounts must be a minimum of $1,000. The loans are secured by the balance in the participants' vested account balances and bear fixed interest at the prime rate at the time the loan is made. The terms may not exceed five years.

Participant Accounts
Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and is charged with distributions and an allocation of any administrative expenses paid by the Plan. Company contributions are allocated in accordance with the provisions of the Plan. Earnings of each investment fund are allocated among the accounts of all participants invested in each fund in the ratio each participant's account balance in the fund bears to the total account balance of the fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Benefit Payments
A participant's vested interest in the Plan is generally distributable upon termination of employment, disability, retirement, or death. Payment may be made in either a lump-sum distribution or a nonrecurring partial payment, subject to the terms of the Plan.

Administrative Expenses
Plan administrative fees may include recordkeeping, legal, accounting, trustee, and other administrative fees and expenses associated with maintaining the Plan.

Plan Termination
Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates
The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments and Investment Income
Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

The Plan presents in the statement of changes in net assets available for benefits the net appreciation in the fair value of its investments, which consists of the realized gains and losses and unrealized appreciation and depreciation in these investments.

Payment of Benefits
Benefits are recorded when paid.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Contributions
Contributions from employees are recorded as they are withheld from the participant's wages.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

3. Fair Value Measurement

Financial Accounting Standards Board Accounting Standards Codification 820 ("ASC 820"), Fair Value Measurements and Disclosures, defines fair value, establishes a framework for measuring fair value, gives guidance regarding the methods used for measuring fair value, and expands disclosures about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1 measurements") and the lowest priority to unobservable inputs ("Level 3 measurements"). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024, respectively:

	2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market fund	$ 284,605	$ -	$ -	$ 284,605
Mutual funds	18,578,870			18,578,870
Total assets at fair value	$ 18,863,475	$ -	$ -	18,863,475
Common collective trust				21,330
Total investments at fair value				$ 18,884,805

	2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market fund	$ 256,298	$ -	$ -	$ 256,298
Mutual funds	17,460,729			17,460,729
Total assets at fair value	$ 17,717,027	$ -	$ -	17,717,027
Common collective trust				23,948
Total investments at fair value				$ 17,740,975

Mutual Funds and Money Market Funds
Valued at the net asset value ("NAV") of shares held by the Plan at year end. The NAV of the mutual funds is based on prices in active markets. Participants can redeem shares from the mutual funds and money market fund on a daily basis.

Common Collective Trust
Valued daily at NAV, with the year-end balance based on the NAV in effect at year end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV. Certain events may limit the ability of the Plan to transact at NAV with the issuer. The Plan Administrator does not believe that the Plan's participants would be subject to any event that would limit their ability to transact at NAV.

4. Information Certified by Trustee

Certain information presented below and disclosed in the accompanying financial statements and supplemental schedules, including cash, investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividend income and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus, LLC, an authorized representative of Ascensus Trust Company (the Trustee of the Plan), in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

	2025	2024
Assets		
Cash, noninterest bearing	$ 47	$ -
Investments, at fair value	18,884,805	17,740,975
Notes receivable from participants	474,053	311,554
Net assets available for benefits	$ 19,358,905	$ 18,052,529

	2025
Investment income	
Net appreciation in fair value of investments	$ 2,603,639
Interest and dividend income	435,377
Interest income on notes receivable from participants	28,522
Total investment income	$ 3,067,538

5. Related Party and Party-in-Interest Transactions

Certain Plan investments are in investment funds affiliated with Vanguard, the Plan's recordkeeper, and therefore qualify as party-in-interest transactions. The Plan also holds notes receivable from participants, which qualify as party-in-interest transactions under ERISA. The Company is the Plan Administrator and provides certain administrative services to the Plan at no charge.

6. Tax Status

The underlying pre-approved plan document has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the underlying prototype document is qualified under Internal Revenue Code ("IRC") Section 401(a) ("Section 401"). Any employer adopting this form of the plan will be considered to have a plan qualified under Section 401 of the IRC and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022 for which the statutes of limitations have passed.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued. No additional subsequent events that would require disclosure in these financial statements have been identified as of this date.
