Report of Independent Auditors

To the Administrator of RTX Employee Health & Welfare Plan

Opinion

We have audited the accompanying financial statements of RTX Employee Health & Welfare Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan's benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in plan's benefit obligations for the year ended December 31, 2025, including the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its plan benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

PricewaterhouseCoopers LLP, 101 Seaport Boulevard, Suite 500, Boston, MA 02210 T: (617) 530 5000

www.pwc.com/us

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. Schedule H - Line 4a - Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2025 ("supplemental schedule") is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Plan Description

General
The following description of the RTX Employee Health & Welfare Plan (the "Plan"), is for general information purposes only. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

The Plan is a welfare benefit plan sponsored and administered by RTX Corporation ("RTX", the "Company", the "Plan Sponsor", or the "Plan Administrator") which provides benefits to certain full-time active U.S. employees of RTX and covered dependents, including certain active and retired participants eligible for retiree life benefits. Qualified participants also include those participating under the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

In the normal course of business, the Plan Sponsor restructures its operations and employee benefit offerings. These decisions may result in, but are not limited to, a curtailment of future benefits, accelerated vesting of benefits and/or transfers of benefit obligations and assets to other plans. The impact of any change on the Plan's benefit obligation and assets is recorded as of the date that the change takes place.

The Plan is subject to a wrap document, which includes non-ERISA benefits with employee pre-tax payroll deductions. These non-ERISA benefits include, but are not limited to, Health Savings Accounts offered to employees and an employee vacation purchase program. The employer and employee contributions to, distributions from, and investment returns, where applicable, associated with the Health Savings Accounts are excluded from the Plan's financial statements and Form 5500 filings.

In September 2024, the RTX Corporation's Benefit Design and Administration Committee ("BDAC") approved the name change of the Plan to the RTX Employee Health & Welfare Plan, effective retroactively to January 1, 2024.

Benefits
The Plan provides flexible benefits to participants in accordance with their respective elections under the Plan, which is intended to qualify as a cafeteria plan under Section 125 of the Internal Revenue Code (IRC). The Plan provides both self-insured and fully-insured health and welfare benefits that are paid from the Company's general assets. The Plan had two Voluntary Employees' Beneficiary Association ("VEBA") trusts, which were funded by RTX and employee contributions. The VEBAs included the UTC Employee Benefit Plan Trust master trust (the "Master Trust") held at JPMorgan Chase ("JPM") Bank and the UTC Welfare Benefit Plan Trust ("United Trust") held at United Bank. Both the Master Trust and the United Trust were terminated in the fourth quarter of 2025. Following the closures, no additional assets were contributed to the trusts and all remaining Plan-related benefit payments previously funded through the trusts were transitioned to payment from the Company's general assets.

Self-insured medical, dental, prescription drug, and certain long-term and short-term disability benefits offered under the Plan are administered by various third parties under administrative services only contracts. These administrators include Anthem, CVS Caremark, Delta Dental, and MetLife. Fully-insured benefits include life insurance, certain long-term disability insurance, accidental death and dismemberment insurance, medical benefits for certain populations or regions, vision insurance, and business travel accident insurance, which are insured by various insurance companies such as New York Life, AIG, Kaiser Permanente, MetLife, and VSP. The Plan also provides active employees with access to health care and dependent care reimbursement accounts administered by Alight Solutions.

Contributions
Employee contributions are based on employee benefit elections made during the annual enrollment period. Contribution rates for self-insured coverages are actuarially determined and based on expected claims and expenses for the plan year. Certain benefits, including the health care and dependent care reimbursement accounts, are funded solely through employee contributions. Terminated employees electing continuation coverage under the COBRA program pay the full cost of coverage.

The Company contributes to the Plan as needed to fund benefits in excess of participant contributions. To the extent assets in the VEBA trusts, prior to their closures, are not sufficient to fund benefits under the Plan, such

benefits shall be paid from other funding vehicles the Company may establish, or in the absence of such other funding vehicles, directly by the Company's general assets.

Transfer of Benefit Obligation
The Plan transfers certain postretirement benefit obligations annually to the RTX Retiree Health Plan ("Retiree Plan") for benefits insured with premiums paid during the year by the Retiree Plan.

Other
Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to modify benefits provided to participants and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, all eligible claims incurred by the Plan prior to termination would be considered for payment, and the Plan Sponsor would be required to fund any deficit in net assets.

Note 2 - Summary of Accounting and Reporting Policies

The significant accounting and reporting policies followed by the Plan are summarized below.

Basis of Presentation
The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Prior to the closure of the Master Trust and United Trust, the Plan's investment assets were held in the Master Trust and the United Trust. The trustees acted as investment managers for their respective trusts. The investments in the trusts generally consisted of money market mutual funds that were stated at fair value. As mentioned in Note 1, both the Master Trust and the United Trust terminated in the fourth quarter of 2025.

Purchases and sales of securities are recorded on trade date basis. Interest income is recorded as earned.

Benefits
Benefits are recorded when paid by the Plan and are reduced by refunds and pharmacy rebates, which are recorded as earned. Rebates and refunds totaling $21,796,979 have been netted with Claims paid on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

Postretirement Benefits
The amount reported as the postretirement benefit obligation represents the actuarial present value of estimated future benefits that are attributed by the terms of the Plan to employees' service rendered. Postretirement benefits include future life insurance benefits expected to be paid to certain active and terminated employees' beneficiaries. The postretirement benefit obligation represents the amount that is to be funded by contributions from RTX and from existing Plan assets. The actuarial present value of the expected postretirement benefit obligation is determined by an actuary. The valuation applies actuarial assumptions to historical claims data to estimate future annual incurred claims per participant and adjusts such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death or withdrawal) between the valuation date and the expected date of payment. Retirees' claims payable and claims incurred but not reported at year end were included in the Postretirement benefit obligation.

The weighted average discount rates used in the valuation as of December 31, 2025 and 2024 were 5.14% and 5.53%, respectively.

The assumed retirement age used in the valuation varies between 55 and 70.

The mortality table and mortality projection scale used in the valuation as of December 31, 2025 was Pri-2012, mixed collar adjustments with 10% decrease in rates; MP-2021 generational projection applied from 2012. Separate contingent mortality election following death of retiree.

The mortality table and mortality projection scale used in the valuation as of December 31, 2024 was Pri-2012, mixed collar adjustments with 5% decrease in rates; MP-2021 generational projection applied from 2012. Separate contingent mortality election following death of retiree.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

Administrative and Other Expenses
Expenses paid by the Plan primarily include administrative, audit, actuarial, and consulting fees.

Fair Value Measurements
The accounting standard for fair value measurements provides a framework for measuring fair value and requires expanded disclosures regarding fair value measurements. Fair value is defined as the price that would be received for an asset or the exit price that would be paid to transfer a liability in the principal or most advantageous market in an orderly transaction between market participants on the measurement date. The accounting standard established a fair value hierarchy which requires an entity to maximize the use of observable inputs, where available. The following summarizes the three levels of inputs required:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or have been corroborated by observable market data for substantially the full term of the related assets or liabilities.

Level 3: Unobservable inputs supported by little or no market activity that are significant to the fair value of the assets or liabilities.

A financial instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions may require the transfer of financial instruments from one fair value level to another.

Note 3 - Plan Benefit Obligations
As of December 31, 2025 and 2024, the Plan had benefit obligations greater than its net assets. The deficit is expected to be funded on a pay-as-you-go basis by the Plan Sponsor.

The benefit obligation, net of amounts currently payable, as of December 31, 2025 and December 31, 2024 in the accompanying financial statements is limited to life insurance benefits, and therefore, the health care cost-trend rate assumption does not affect the benefit obligation amounts reported.

Note 4 - Interest in Master Trust
As discussed in Notes 1 and 2, a portion of the Plan's investments were in the Master Trust, which was established for the investment of assets of the Plan and the Retiree Plan. The Master Trust was terminated in the fourth quarter of 2025. Prior to its closure, the two participating health and welfare plans had an undivided interest in the Master

Trust. Investment income and administrative expenses relating to the Master Trust were allocated to the plans on a pro-rata basis based on each plan's activity within the respective sub-account.

The following is a summary of the net assets held in the Master Trust as of December 31, 2024:

	December 31, 2024	
	Master Trust Balances	Plan's Interest in Master Trust Balances
Assets		
Money market funds	$ 66,327	$ 3,317
Net Assets	$ 66,327	$ 3,317
Percentage of Plan's interest in the Master Trust		5.0 %

The following is a summary of the change in net assets held in the Master Trust for the year ended December 31, 2025:

	2025
Additions	
Interest income	$ 14,205
Total additions	14,205
Net investment income (loss)	14,205
Net transfers including contributions, distributions and other activity	(80,532)
Net decrease in net assets	(66,327)
Beginning of year Master Trust net assets	66,327
End of year Master Trust net assets	$ —

The following is a description of the valuation methodologies used for assets measured at fair value:

Money market funds are valued at their last reported net asset value.

Fair value information for the investments that are measured at fair value on a recurring basis is as follows as of December 31, 2024:

	Fair Value Measurements as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money market funds	$ 66,327	$ —	$ —	$ 66,327

Note 5 - Investments

The following is a summary of the amounts held in the United Trust as of December 31, 2025 and 2024:

	2025	2024
Money market funds	$ —	$ 5,440,885

The following tables summarize the fair value of investment assets held in the United Trust as of December 31, 2024:

	Fair Value Measurements as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money market funds	$ 5,440,885	$ —	$ —	$ 5,440,885

The following is a description of the valuation methodologies used for assets measured at fair value:

Money market funds are valued at their last reported net asset value.

There were no changes in methodologies to determine the fair value of investments as of December 31, 2025 and 2024 and no transfers among levels for the years ended December 31, 2025 and 2024.

Note 6 - Income Taxes

The Internal Revenue Service has determined and informed the Plan Administrator by a letter dated December 6, 1979, that the Master Trust is exempt from income taxes in accordance with the applicable sections of the Internal Revenue Code (“IRC”). The Master Trust has been amended since receiving the notification of tax exemption. The Plan Administrator believes that the Master Trust and the Plan are designed and were operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. However, to the extent the Master Trust recognizes any "unrelated trade or business" income as defined in Section 512 of the Code, the Master Trust is required to pay tax at trust income tax rates on any such income. The Master Trust paid no unrelated business income tax for the 2025 and 2024 tax years.

The Internal Revenue Service has determined and informed the Plan Administrator by a letter dated November 1, 2016 that, effective June 7, 2016, the United Trust is exempt from income taxes in accordance with the applicable sections of the IRC. The Plan Administrator believes that the United Trust and the Plan are designed and are currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. However, to the extent the United Trust recognizes any "unrelated trade or business" income as defined in Section 512 of the Code, the United Trust is required to pay tax at trust income tax rates on any such income. The United Trust paid no unrelated business income tax for the 2025 and 2024 tax years.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to federal tax examination for years prior to 2022.

Note 8 - Related Party and Party-In-Interest Transactions

The Plan incurred expenses in connection with services provided by JPM and United Bank as the Trustees and Custodians of the Plan, and JPM and United Bank are therefore parties-in-interest with respect to the Plan. Certain investments within the Master Trust and United Trust were advised by or affiliated with JPM and United Bank, respectively. The Plan also incurs expenses in connection with the administration of the Plan and Master Trust by RTX, the Plan Sponsor, and therefore RTX is a party-in-interest with respect to the Plan.

In 2022, 2023, and 2024, the Company failed to remit $3,206,342, $1,200,949 and $382,313 respectively, in employee contributions to the United Trust within the time period described in the Department of Labor's (DOL's) Regulation 2510.3-102 due to an administrative error. The late contributions were remitted to the United Trust in 2022, 2023 and 2024. Consistent with Voluntary Fiduciary Correction Program ("VFCP") requirements, lost earnings were remitted to the Plan by August 1, 2025. The Company submitted a VFCP filing with the DOL on April 10, 2026. The DOL provided a response on August 7, 2026 of acceptance and closure of the VFCP application.

The Plan also incurs certain administrative and investment expenses related to the Plan's operations, which are paid to parties-in-interest. All of these transactions, with the exception of the 2022, 2023, and 2024 late remittance of employee contributions mentioned above, either fall outside the scope of or are exempt from ERISA's prohibited transaction rules.

Note 9 - Risks and Uncertainties

The Plan invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates and employee demographics, both of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term would be material to the financial statements.

Note 10 - Subsequent Events

The Plan has evaluated subsequent events from December 31, 2025 through October 13, 2026, the date at which the financial statements were available to be issued, and determined that there are no additional items to disclose.

RTX Employee Health & Welfare Plan

Supplemental Schedule

Schedule H – Line 4a – Schedule of Delinquent Participant Contributions
