INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Kongsberg 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kongsberg 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

6002 Rogerdale, Ste. 200 Houston, Texas 77072 Tel 281-759-1120 Fax 281-759-5500

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025 and schedule H, line 4a - schedule of delinquent participant contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KONGSBERG 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Kongsberg 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a multiple-employer defined contribution plan established to provide retirement benefits for all covered employees of participating employers that are members of the Kongsberg Network (collectively, the "Company"). Kongsberg Maritime, Inc. is the sponsor of the Plan. Effective May 14, 2025, the Plan was amended to add FutureOn LLC as a participating employer. Participating employers as of December 31, 2025 are as follows:

Kongsberg Defense & Aerospace Inc.
Kongsberg Defense & Aerospace Holding Inc.
Kongsberg Digital, Inc
Kongsberg Digital Simulation, Inc.
Kongsberg Discovery US, LLC
Kongsberg Integrated Tactical Systems, Inc.
Kongsberg GeoSpatial Corporation
FutureOn LLC

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In December 2022, SECURE 2.0 Act (SECURE 2.0) was enacted. SECURE 2.0 has many provisions, both mandatory and elective with various effective dates. The Plan has adopted certain provisions and will amend the Plan document by the applicable deadline (December 31, 2026).

Plan Merger

Effective May 14, 2025, the FutureOn LLC 401 (k) Plan was merged into the Plan, and $811,558 in net assets were transferred to the Plan on May 15, 2025.

Plan Administration

The Plan's investments are held by Principal Life Insurance Company ("PLIC"), custodian of the PLIC pooled separate accounts, Principal Global Investors Trust Company ("PGITC"), trustee of the collective investment trust funds, and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("PTC"), custodian of the mutual funds.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Eligibility

Eligible employees include all full-time employees except leased employees, independent contractors, and bargaining employees. Employees are eligible to participate in the Plan on the first day of employment and attainment of age 18. Employees are eligible for Company contributions on the first day of employment.

Contributions

Participants may elect to make pre-tax and/or Roth salary deferral contributions to the Plan of up to 100% of their eligible compensation, subject to certain limitations prescribed by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan allows rollover contributions from qualified retirement plans. The Company makes safe harbor matching contributions equal to 100% of the first 6% of each participant's annual eligible compensation contributed to the Plan including pre-tax, Roth, and catch-up contributions. The Plan is participant directed. Participants may change their contribution rates at the beginning of each payroll period and their investment options at any time.

The Company may also make a discretionary matching contribution for the plan year. Eligible participants must be an active participant on the last day of the plan year and have worked 1,000 hours during the year to be eligible for the discretionary matching contribution. The Company did not make a discretionary matching contribution for the year ended December 31, 2025.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) Plan earnings and charged with any applicable administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times fully vested in their contributions and safe harbor matching contributions and the appreciation or depreciation thereon. Vesting in the Company's discretionary matching contribution portion of their accounts plus earnings thereon is based on years of service. Participants vest 20% per year after one year of service and are 100% vested after five years of service.

Payment of Benefits

Normal retirement age under the Plan is 65. Upon a participant's retirement, death, or disability, the vested funds in the participant's account are available to be distributed in a lump-sum payment or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures

Forfeitures of nonvested employer contributions are used to pay the Plan's administrative expenses or reduce employer contributions. The forfeiture balance at December 31, 2025 was $19. There was no forfeiture balance at December 31, 2024. In 2025, no forfeitures were used to reduce employer contributions to the Plan or to pay the Plan's administrative expenses.

Notes Receivable from Participants

Plan participants may borrow a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance in the Plan. Loans are repaid in level installments through payroll deductions for periods ranging up to five years. The loans bear interest at reasonable rates as determined at the date of the loan and are secured by the participant's vested account balance to the extent of the principal amount of the loan plus accrued interest. Participants may have two loans outstanding at any time.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested and entitled to benefits based on their account balance accumulated to the date of termination of the Plan.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments

Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions from Plan participants and the Company safe-harbor matching contributions are recorded in the plan year in which the participant contributions are withheld from compensation.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to withdrawals, notes receivable from participants, Plan administration, and investment advisory are charged directly to the participant's account and are included in administrative expenses. Other investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

Various inputs are used in determining the fair value of the Plan's investments. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The three levels of the fair value hierarchy, including the types of Plan investments that fall under each category and the valuation methodologies used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - Inputs to the valuation methodology are other than quoted market prices in active markets that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices that are in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable inputs (i.e., projections, estimates, interpretations, etc.) that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Investments measured using the NAV as a practical expedient are described below:

Pooled Separate Accounts: Valued using NAV as a practical expedient to determine fair value as reported by the custodian based on the value of the underlying investments, which primarily consist of domestic stocks, bonds or fixed income securities, and mutual funds. The Plan has no unfunded commitments or contractual obligations to further invest in these accounts and there are no restrictions on redemption of these accounts.

Collective Investment Trust Funds: Valued using NAV as a practical expedient to determine fair value based on the value of the underlying investments, which primarily consist of a diversified portfolio of stable value investment contracts issued by life insurance companies, banks, and other financial institutions. The NAV is determined by PGITC and Principal Trust Company ("PTC"). The Plan has no unfunded commitments or contractual obligations to further invest in these funds and there are no restrictions on redemption of these funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities. There have been no changes in the methodologies used at December 31, 2025 or 2024.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	2025			
Description	Level 1	Level 2	Level 3	Total
Mutual Funds	$25,460,354			$ 25,460,354
Investments measured at net asset value:				
Pooled Separate Accounts*				76,496,885
Collective Investment Trust Funds*				6,925,940
Total investments at fair value				$108,883,179

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

	2024			
Description	Level 1	Level 2	Level 3	Total
Mutual Funds	$21,177,606			$21,177,606
Investments measured at net asset value:				
Pooled Separate Accounts*				65,840,693
Collective Investment Trust Funds*				6,841,653
Total investments at fair value				$93,859,952

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

NOTE 4 - INFORMATION CERTIFIED

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, PTC, the trustee of the Plan, Principal Life Insurance Company ("PLIC"), an insurance company, and PLIC on behalf of PGTIC, trustee of the collective investments trust funds, have certified to the completeness and accuracy of all investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, and the schedule H, line 4i - schedule of assets (held at end of year), excluding participant loans, as of December 31, 2025, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

NOTE 5 - TAX STATUS

The Plan has adopted a non-standardized pre-approved plan, which obtained its latest opinion letter dated June 30, 2020 in which the Internal Revenue Service (IRS) stated that the document satisfies the applicable provisions of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the IRC. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Plan investments are in pooled separate accounts and collective investment trust funds managed by PLIC and PGITC, respectively, which qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions. These transactions are covered by an exemption from the prohibited transaction provisions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan provides for various investments. In general, such investments are exposed to various risks such as significant world events, interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - DELINQUENT CONTRIBUTIONS

During 2025 and 2024, there were unintentional delays by the Company in submitting participant contributions to the Plan totaling $22,371 and $332,478, respectively. The Company intends to compensate the affected participants for lost earnings on the delinquent contributions in 2026.

NOTE 9 - SUBSEQUENT EVENTS

In accordance with SECURE 2.0, effective January 1, 2026, the Plan began administering catch-up contributions for participants with FICA wages in excess of $150,000 in the preceding calendar year (subject to indexing each calendar year) on a Roth basis. The Plan also implemented a provision from SECURE 2.0 increasing the catch-up contribution limit for eligible participants who attain ages 60 through 63 during the taxable year. In addition, the Plan added an automatic enrollment default elective deferral of 3% of Compensation for all employees hired in January 2026 and thereafter.

Effective January 1, 2026, the Plan was amended to add Kongsberg Nanoavionics US and Kongsberg Missile Systems, LLC as participating employers. Effective April 10, 2026, the Plan was amended to remove Kongsberg Digital Simulation, Inc. as a participating employer. Effective June 19, 2026, Kongsberg Digital, Inc. changed its name to Falkor Intelligence Inc.

Management has evaluated subsequent events through October 13, 2026, the date the financial statements were available to be issued.
