Independent Auditors' Report

To the Plan Administrator of
Main Street Bank 401(k) and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Main Street Bank 401(k) and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Main Street Bank 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Main Street Bank 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Main Street Bank 401(k) and Profit Sharing Plan’s ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Main Street Bank 401(k) and Profit Sharing Plan’s internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Main Street Bank 401(k) and Profit Sharing Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Main Street Bank 401(k) and Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan established effectively January 1, 1996, covering substantially all eligible employees of Main Street Bank (the "Bank" or "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Bank is the Plan administrator and Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC) and Empower Annuity Insurance Company of America (formerly known as Great-West Life & Annuity Insurance Company) (collectively "Empower") are the Plan's trustees. The Plan's Governance Committee members are responsible for the oversight of the Plan, determining the appropriateness of the Plan's investment offerings, monitoring investment performance and reporting to the Bank.

Effective January 1, 2022, the Plan was amended and restated to update it with required regulatory requirements. No significant changes were made to the plan as this restatement was part of the Internal Revenue Service ("IRS") third cycle restatement process for pre-approved plan documents.

ELIGIBILITY

Effective January 1, 2023 to become eligible for participation, an employee must be at least age 18, have completed one month of service and be scheduled to work more than 20 hours a week ("Participants"). Prior to January 1, 2023, an employee must have been at least age 21 to become eligible.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT CONTRIBUTIONS

Participants may contribute to the Plan a percentage (up to 75%) of pretax or post-tax (Roth) annual compensation, as defined in the Plan, up to the maximum amount allowable under the provisions of the Internal Revenue Code ("IRC") ($23,500 in 2025 and $23,000 in 2024). Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions ($7,500 in 2025 and $7,500 in 2024). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions and the Bank's safe harbor and additional matching contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, increased annually by 1% up to a maximum of 6% of eligible compensation.

EMPLOYER SAFE HARBOR CONTRIBUTIONS

The Plan has a safe harbor contribution equal to 3% of the participant's compensation. Employees are required to be 21 years old, have completed one month of service and be scheduled to work more than 20 hours a week in order to be eligible for an employer safe harbor contribution. Total safe harbor contributions made by the Bank to the Plan were $433,503 and $416,020 in 2025 and 2024, respectively.

ADDITIONAL EMPLOYER MATCHING CONTRIBUTIONS

The Bank may also make additional discretionary matching contributions. If the Bank makes an additional discretionary matching contribution, the match will not apply to elective deferrals exceeding 6% of the participant's compensation. Employees are required to be 18 years old, employed by the Bank on the last day of the Plan year-end and have completed at least 1,000 hours of service in order to be eligible for an additional discretionary matching contribution. The Bank elected to make additional matching contributions amounting to 50% of participants' elective deferral not exceeding 6% of the participants' compensation during both years ended December 31, 2025 and 2024. Total additional matching contributions made by the Bank to the Plan were $371,201 and $354,278 in 2025 and 2024, respectively.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

EMPLOYER NONELECTIVE CONTRIBUTIONS

The Bank may also make discretionary nonelective contributions to the Plan. Employees are required to be 18 years old, employed by the Bank on the last day of the Plan year-end and have completed at least 1,000 hours of service in order to be eligible for a discretionary employer nonelective contribution. Discretionary non elective contributions are allocated on a pro-rata basis as a percentage of participant compensation. During the years ended December 31, 2025 and 2024, the Bank made no discretionary nonelective contributions to the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and the Bank's safe harbor and additional discretionary matching contributions as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specified participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in their salary-deferred contributions, safe harbor contributions and rollovers, plus actual earnings thereon. Vesting in the additional discretionary matching contributions, nonelective contributions and earnings thereon is based on continuous service. A participant is 100% vested after two years of service, as defined in the Plan. Participants and terminated participants whose employment commencement date is on or prior to January 1, 2018 are 100% vested at all times in all accounts.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Interest rates ranged from 4.25% - 9.50% at both December 31, 2025 and 2024.

Principal and interest is paid ratably through payroll deductions over a one to five year period, except for loans for the purchase of a principal residence, which may be repaid over a period of up to 30 years. If any scheduled loan payment is not made by the end of the calendar quarter in which the missed payment was due, the loan is considered in default and will be deemed a distribution from the Plan.

During the years ended December 31, 2025 and 2024, there were $0 and $32,040 loans in default that were deemed distributions.

PAYMENT OF BENEFITS

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, installment payments or partial payments. In-service withdrawals from the participant's account are available upon reaching age 59-½. A participant may withdraw from their rollover account at any time. If a participant's vested account balance is $7,000 or less, the Plan administrator can distribute the entire balance in a lump-sum amount.

Under the provisions of Secure Act 2.0, effective January 1, 2024, the automatic force out distribution was increased from $5,000 to $7,000. The Plan implemented this change and will be amended for this provision by the time prescribed.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

HARDSHIP WITHDRAWALS

The Plan allows participants to make hardship withdrawals, provided certain conditions are met, as defined in the Plan agreement.

FORFEITED ACCOUNTS

At December 31, 2025 and 2024, forfeited nonvested accounts amounted to $640 and $536, respectively. The amount may be used to reduce future Bank safe harbor and nonelective contributions or pay administrative expenses. For the years ended December 31, 2025 and 2024, administrative expenses were reduced by $15,650 and $15,555, respectively, in accordance with plan provisions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value except for fully benefit-responsive insurance contracts described below. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Governance Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The investment in the general account of unallocated contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

CONTRIBUTIONS

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain administrative expenses relating to the Plan are paid by the Bank and are excluded from these financial statements. However, certain expenses, including loan processing fees are paid for by the individual participant. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included as administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

OTHER INCOME

The Plan's Trustee may receive revenue sharing payments from mutual funds in which Plan assets are invested, either directly or indirectly from alliance organizations. The administrative services agreement between the Plan and Empower provides that, to the extent revenue sharing payments received by Empower exceed administrative fees charged to the Plan by Empower, the excess will be credited to the Plan. For the years ended December 31, 2025 and 2024, $7,087 and $4,262, respectively, was credited to the Plan under this agreement, such amounts were used for other administrative expenses incurred by the Plan in 2025 and 2024, respectively.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2026, which is the date the financial statements were available to be issued. Other than the disclosure below, no events requiring recognition or disclosure in the financial statements were identified.

Effective October 1, 2026 the Plan merged into the Pentegra Strategic Retirement Program, a pooled employer plan sponsored and administered by Pentegra Services, Inc. As a result of the merger, participant account balances and related Plan assets were transferred to the pooled employer plan and the Plan ceased maintaining separate operations subsequent to the merger date.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEES

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower, the trustee. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification 820, *Fair Value Measurements (ASC 820)* are described as follows:

LEVEL 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in these methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Investments in these mutual funds can be redeemed daily upon request.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2025 and 2024:

	2025 Fair Value Measurements			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 30,369,939	$ --	$ --	$ 30,369,939

	2024 Fair Value Measurements			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 26,393,550	$ --	$ --	$ 26,393,550

There were no transfers between the levels during 2025 and 2024.

NOTE 5 – INSURANCE COMPANY GENERAL ACCOUNT

The Plan invests in the Empower Annuity Insurance Company of America EI Fixed Account – Series Class III (the "Fund"). The Fund is a general account product which is included in the insurance company general account on the statements of net assets available for benefits.

As described in Note 2, because the Fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Fund. Empower Annuity Insurance Company of America (the "Contract Issuer") is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.5 percent. The crediting rate is reviewed on a semi-annual basis for resetting. The contracts have no scheduled maturity date.

NOTE 5 – INSURANCE COMPANY GENERAL ACCOUNT (CONTINUED)

The Plan's ability to receive amounts due in accordance with the Fund is dependent on the third-party Contract Issuer's ability to meet its financial obligations. The Contract Issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. Amendments to the Plan documents including complete or partial termination or merger with another plan;

2. Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions;

3. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that significantly affect the Plan's normal operations and;

4. The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Plan management believes no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the Contract Issuer and that also would limit the ability of the Plan to transact at contract value with the participants. The Fund does not permit the Contract Issuer to terminate the agreement prior to the scheduled maturity date.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 – TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Bank's contributions.

NOTE 7 – TAX STATUS

The Bank adopted a prototype Plan, which received an opinion letter from the Internal Revenue Service ("IRS"), dated November 14, 2022, stating that the Bank may rely on the opinion letter with respect to the qualification of the plan and also informed the Bank that the prototype plan will not receive a determination letter. The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

INVESTMENTS

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investment in the EI Fixed Account is issued by Empower Annuity Insurance Company of America, an affiliate of Empower Trust Company, LLC. Transactions with these entities qualify as party-in-interest transactions. Fees paid by the Plan to Empower Trust Company, LLC are reported as administrative expenses in the statements of changes in net assets available for benefits.

Additionally, the Plan extends loans to participants, who are considered parties-in-interest.

Certain administrative functions of the Plan are performed by officers or employes of the Bank. No such officer or employee receives compensation from the Plan.
