INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Butler Snow LLP Health Plan
Ridgeland, Mississippi

Opinion

We have audited the accompanying financial statements of Butler Snow LLP Health Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and of benefit obligations of Butler Snow LLP Health Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and of changes in benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Butler Snow LLP Health Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Butler Snow LLP Health Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Butler Snow LLP Health Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Butler Snow LLP Health Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - PLAN DESCRIPTION

This description of the Butler Snow LLP Health Plan (Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan provides health and other benefits upon hire to all full-time employees and partners of Butler Snow LLP (Sponsor) and its subsidiary, Butler Snow Advisory Services, LLC. Retired employees are entitled to benefits if they are at least 62 years of age, have 10 years of service, and enroll in Medicare when eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is self-insured and purchases insurance policies to cover excess medical expense indemnity.

Contributions

Premium rates are determined annually by the claims administrator and approved by the Sponsor. The Sponsor contributes premiums in the amount of a monthly allowance specified under the Plan for individual employee coverage for both medical and dental expenses incurred. Partners of the Sponsor contribute premiums for both individual and dependent coverage. Premiums in excess of the monthly allowance are the responsibility of participants as specified in the Plan agreement and are paid by the participants through payroll withholding. Retired participants contribute 100% of premiums for both individual and dependent coverage. Any deficiency of the Plan's net assets over benefit obligations is funded by the Sponsor on a pay-as-you-go basis.

Receivables

Contributions withheld before year end and remitted the following year are reported as receivables on the statements of net assets available for benefits.

Benefits

The Plan provides health benefits (medical, dental, hospital, surgical, and prescription drug) to full-time participants and their covered dependents. The Plan also provides health benefits to participants during periods of employer-certified disability, leave of absence or layoff, and during periods of family medical leave subject to the provisions of the Family and Medical Leave Act of 1993. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Reconciliation Act (COBRA).

Health, dental, and prescription claims of active participants and covered dependents are processed by the claims administrators, but the responsibility for payments to participants and providers is retained by the Plan.

NOTE 1 - PLAN DESCRIPTION - Continued

Benefits - Continued

Retired participants not yet eligible for Medicare are entitled to similar benefits. Retired participants enrolled in Medicare are entitled to benefits to the extent they exceed Medicare coverage.

Reinsurance

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual claims over a specific dollar amount, as well as its aggregate exposure for all claims). Premiums for stop-loss insurance are included in the accompanying statements of changes in net assets available for benefits. Stop-loss proceeds have been netted with claims paid in the accompanying statements of changes in net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Receivables

The carrying amounts of the various receivables are a reasonable estimate of the fair value because of the short maturity of these instruments.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims administrator. Amounts due to the claims processor that have yet to be reimbursed by the Plan are recorded as claims payable in the accompanying statements of benefit obligations. Stop-loss proceeds netted against health claims totaled $1,020,933 and $1,549,499 for the years ended December 31, 2025 and 2024, respectively. Pharmacy rebates netted against health claims paid totaled $961,844 and $888,401 for the years ended December 31, 2025 and 2024, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements.

Subsequent Events

Plan management has evaluated subsequent events through October 14, 2026, the date the financial statements were approved by plan management and thereby available to be issued and has determined that there are no significant events that would require adjustment to or disclosure in the financial statements.

NOTE 3 - BENEFIT OBLIGATIONS

Benefit obligations include benefit claims that have been incurred and reported prior to year-end, but not yet paid as of that date. Benefit obligations for health, dental, and prescription claims incurred by participants prior to year-end, but not reported at that date, are estimated by the Sponsor based on the Plan's subsequent payments made for such claims. Such estimated amounts are reported in the accompanying statements of benefit obligations as of December 31, 2025 and 2024, net of any reinsurance due or collected subsequent to year-end.

As discussed in Note 1, retired employees are allowed to participate in the Plan if they meet certain requirements. Retired participants in the Plan totaled 1.4% and 1.3% of total plan participants at December 31, 2025 and 2024, respectively. In the opinion of plan management, any postretirement benefit obligation is not material to the Plan's financial statements as of December 31, 2025 and 2024.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants, or to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 5 - ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses to the third-party claims administrator for administering the Plan. The Plan also pays other operating expenses primarily related to wellness and preventative programs offered to participants. These expenses are reported on the statements of changes in net assets available for benefits as administrative and operating expenses. All other administrative expenses, such as professional fees, are paid by the Sponsor on behalf of the Plan.

NOTE 6 - INCOME TAX STATUS

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Sponsor believes that the trust, as amended, continues to qualify, and operate as designed in accordance with applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025 and 2024, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per financial statements	$ 706,840	$ 455,167
Less benefits obligations currently payable	(639,626)	(561,061)
Net assets available for benefits (deficit) per Form 5500	$ 67,214	$ (105,894)

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 - Continued

The following is a reconciliation of claims paid for participants per the financial statements for the years ended December 31, 2025 and 2024, to Form 5500:

	2025	2024
Claims paid for participants per financial statements	$ 5,525,698	$ 4,800,181
Add amounts currently payable at end of year	639,626	561,061
Less amounts currently payable at beginning of year	(561,061)	(724,903)
Benefits paid to participants per Form 5500	$ 5,604,263	$ 4,636,339

Claims that have been processed and approved for payment at year-end but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims paid in the accompanying financial statements but are recorded on Form 5500 as a liability.

NOTE 8 - CONCENTRATIONS OF CREDIT RISK

Funds are held in certain banks which, at times, exceed the limits insured by the Federal Deposit Insurance Corporation. No losses have been experienced on these accounts. As of December 31, 2025 and 2024, the Plan had no cash deposits in excess of federally insured limits.

NOTE 9 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan has several arrangements with service providers. Fees paid by the Plan to these service providers represent party in interest transactions under ERISA. Such transactions, while considered party in interest transactions, are exempt from the prohibited transaction rules under ERISA.

NOTE 10 - RISKS AND UNCERTAINTIES

The liability for health claims incurred, but not reported, is estimated based upon certain assumptions. Due to the uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near-term could be material to the financial statements.
