# Independent Auditors' Report

To the Plan Administrator
of Camillo Companies 401(k) Retirement Savings Plan:

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Camillo Companies 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental schedules of Assets Held for Investment Purposes at End of Year as of December 31, 2025 and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Note 1 – Description of the Plan

The following description of the Camillo Companies 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

### General

Camillo Companies LTD. (the "Plan Sponsor") adopted the Camillo Companies 401(k) Retirement Savings Plan effective October 15, 2023. The assets of the Plan were part formerly a part of Associates of Texas MEP plan. The Plan is a defined contribution plan covering all eligible participants of the Plan Sponsor, as defined by the Plan Document, with exception of certain classes of participants identified in the Plan Document. Participation in the Plan is at the election of the participant. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

### Eligibility

Substantially all employees of the Plan Sponsor are eligible to participate in the Plan upon attaining age of 21 and completing one month of service, with certain exceptions as defined in the Plan Document. Eligible employees become participants in the Plan monthly upon meeting eligibility requirements.

### Administration

The Plan is administered by the Plan Sponsor (the "Plan Administrator"). The Plan assets are held by Principal Trust Company (the "Trustee").

### Participant Contributions

Contributions are made to the Plan by the Plan Sponsor on behalf of each eligible participant based upon the participant's elected compensation deferral through payroll deductions. The Plan Sponsor funds the contributions at the end of each payroll period. Eligible participants may elect to contribute 1% to 100% of their eligible compensation, in whole percentages, to the Plan up to the statutory limit, as permitted by the Internal Revenue Code of 1986, as amended ("IRC"). Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants age 50 and older as of December 31 of the Plan year are permitted to make elective catch-up deferrals in accordance with Section 414(v) of the IRC.

The Plan includes an automatic enrollment provision allowing newly eligible employees to be automatically enrolled in the plan at a 6% deferral rate after meeting the eligibility requirements.

### Employer Contributions

The Plan provides for Plan Sponsor discretionary matching contributions. The Plan Sponsor is permitted to change the amount or percentage of matching contributions when needed. For the period January 1, 2025 through September 30, 2025, the Plan Sponsor made discretionary matching contributions of 3.5% of the participant's eligible compensation. For the period October 1, 2025 through December 31, 2025, the Plan Sponsor made discretionary matching contributions of 4.0% of the participant's eligible compensation.

**Note 1 – Description of the Plan (continued)**

**Participant Accounts**
Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Rollovers and Transfers**
Participants who have a balance in another qualified employee benefit plan, as described in Section 401(a) of the IRC, may transfer or rollover the lump sum values of their account directly into the Plan, provided it meets the requirements of the Internal Revenue Code.

**Vesting**
Participants are immediately and fully vested in their contributions plus actual earnings thereon. The participants are vested in the Plan Sponsor's discretionary matching contributions and earnings in accordance with the following schedule:

| Years of Service | Vesting Percentage |
|---|---|
| less than 1 | 0% |
| 1 | 20% |
| 2 | 40% |
| 3 | 60% |
| 4 | 80% |
| 5 | 100% |

**Notes Receivable from Participants**
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000 reduced by the highest outstanding loan balance during the prior twelve-month period. Notes receivable are secured by the balance in the participant's account and bear interest at a rate which is commensurate with prevailing rates as determined by the Plan Administrator. All notes must be repaid in equal installments of principal and interest over a period to be determined by the Plan Administrator, but such period shall not exceed five years unless the purpose of the loan is for the purchase of the principal residence of the Participant in which case the repayment period shall not exceed 10 years. In all cases, repayment of the note will be made through after-tax payroll deductions.

**Payment of Benefits**
Benefits become available to participants on the earliest of four events: (1) termination of employment, (2) death of the participant (benefits are payable to the participants' spouse or beneficiary), (3) disability of the participant, or (4) the participant's retirement.

A participant may receive the value of the vested balance in his or her account as a lump-sum distribution, installment distributions, or may roll the amount over into another qualified plan.

**Note 1 – Description of the Plan (continued)**

If a participant's vested account balance is greater than $5,000 and employment is terminated other than due to retirement or death, the account may not be distributed before normal retirement without the participant's consent. Participant's account balances that are less than $5,000, but in excess of $1,000 (the involuntary cash-out amount) will be paid as a direct rollover to an individual retirement account. However, regardless of participant election as to the payment, the Plan may, upon termination of service of a participant for any reason, pay the benefits owed in a lump sum if the account balance is less than the involuntary cash-out amount.

Active participants can withdraw benefits once they reach 59 ½ years of age. In-service distributions are permitted due to hardship, as defined in the Plan and subject to the satisfaction of the Plan Administrator.

On termination of employment due to death prior to retirement, 100% of the Plan Sponsor contributions become immediately vested. The value of the account shall be paid in accordance with the above-stated distribution procedure.

Upon a participant obtaining the normal retirement age, while still employed, 100% of the Plan Sponsor contributions become immediately vested. Should a participant reach normal retirement age and not elect to terminate employment, the participant can take an in-service distribution from the vested account balance.

**Forfeited Accounts**
The portion of the participant's employer contribution accounts that are not vested upon termination of service shall be forfeited as of the earlier of (i) the date the vested portion is distributed or (2) the date the participant incurs a five-consecutive-year period of severance from his or her original termination date.

As of December 31, 2025 and 2024, the available forfeited non-vested accounts totaled $708,563 and $458,333, respectively. These accounts may be used to reduce future plan administrative expenses and employer contributions. During the year ended December 31, 2025, $0 of forfeitures were used to reduce employer contributions and employer expenses.

**Plan Termination**
Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and distributions would be made as soon as administratively practical after the Plan terminates.

**Note 2 – Summary of Significant Accounting Policies**

**Basis of Accounting**
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**Use of Estimates**
The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Note 2 – Summary of Significant Accounting Policies (continued)**

**Investment Valuation and Income Recognition**
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**
Benefits are recorded when paid.

**Notes Receivable from Participants**
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and Plan management deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

**Administrative Expenses**
Certain expenses for maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

**Risks and Uncertainties**
Financial instruments which potentially subject the Plan to concentrations of credit risk consist primarily of investment securities in which the Plan invests. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Note 3 – Information Certified by the Trustee**

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits, as of December 31, 2025 and 2024.
- Net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits, for the year ended December 31, 2025 and 2024.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2025 and 2024.

**Note 3 – Information Certified by the Trustee (continued)**

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

**Note 4 – Tax Status**

The Plan Sponsor has not applied for a determination letter from the Internal Revenue Service ("IRS") to determine if the Plan is designed in accordance with applicable sections of the IRC. The Plan Document is based upon non-standardized pre-approved profit sharing plan with CODA from Principal Life Insurance Company, which received an IRS opinion letter dated June 30, 2020. The plan instrument has been updated for legislative and regulatory changes. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan Administrator believes it is subject to income tax examinations for three years.

**Note 5 – Fair Value Measurements**

The Plan follows a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are described as follows:

- Level one — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level two — Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level three — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**Note 5 – Fair Value Measurements (continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Mutual funds*: Mutual funds are valued at the daily closing price as reported by the fund. The mutual funds are registered with the Securities and Exchange Commission and are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust fund*: This investment is a stable value fund that invests in a variety of high-quality stable value investment contracts as well as cash and cash equivalents and is valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | $ 30,093,547 | $ - | $ - | $ 30,093,547 |
| Total assets in the fair value hierarchy | $ 30,093,547 | $ - | $ - | 30,093,547 |
| Investments measured at net asset value | | | | 398,077 |
| Investments at fair value | | | | $ 30,491,624 |

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

| | Level 1 | Level 2 | Level 3 | Total |
|---|---|---|---|---|
| Mutual funds | $ 23,652,302 | $ - | $ - | $ 23,652,302 |
| Total assets in the fair value hierarchy | $ 23,652,302 | $ - | $ - | 23,652,302 |
| Investments measured at net asset value | | | | 362,105 |
| Investments at fair value | | | | $ 24,014,407 |

**Note 5 – Fair Value Measurements (continued)**

The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

| | Fair Value as of December 31, 2025 | Fair Value as of December 31, 2024 | Unfunded Commitments | Redemption Frequency (if Currently Eligible) | Redemption Noticed Period |
|---|---|---|---|---|---|
| Common collective trust fund | $ 398,077 | $ 362,105 | Not applicable | Daily | None |

**Note 6 – Investment in Fully Benefit-Responsive Investment Contracts**

The Plan offers a capital preservation investment option known as the Principal Guaranteed Option, which is a group annuity contract issued by Principal Life Insurance Company ("Principal Life"). The contract is designed to provide a conservative foundation of the retirement program's investment line-up. Principal Life maintains the contributions in a pooled account.

Under the terms of the contract, Principal Life guarantees the payment of principal and interest for participant-initiated withdrawals and transfers in accordance with Plan provisions. The investment is considered a fully benefit-responsive investment contract and is reported and included in the accompanying Plan financial statements at contract value, which is the relevant measurement attribute as it represents the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

As of December 31, 2025, the contract and fair value were $41,009 and $41,009, respectively. As of December 31, 2024, the contract and fair value were $13,841 and $13,841, respectively. The crediting interest rate was 4.95% as of year-end and is subject to periodic adjustment by the issuer but is guaranteed not to be negative.

There are no reserves against contract value for credit risk or other potential losses. The investment is backed by the general account of Principal Life, and participants bear the credit risk of the issuer.

The contract meets the criteria for full benefit responsiveness as defined in ASC 962-325-25, and the Plan has no intent to terminate the contract or take any action that would limit its benefit-responsive status.

**Note 6 – Related-Party and Parties in Interest Transactions**

Certain plan investments are shares of mutual funds managed by the Trustee or its affiliates. Fees incurred by the Plan for related investment management services are included in administrative expenses and net appreciation in fair value of investments. Certain fees incurred by the Plan for recordkeeping and audit fees are included in administrative expenses. Transactions such as these qualify as party-in-interest transactions. The Plan Sponsor pays directly certain other fees related to the Plan's operations.

## Note 7 – Prohibited Transactions

During 2024, the Plan Sponsor failed to remit participant contributions in a timely manner. The Plan Sponsor identified two instances during the year ended December 31, 2024, where $81,091 in participant contributions, $2,679 in loan repayments, and $28,659 in employer contributions were remitted to the Plan in violation of DOL regulations. The missed earnings and interest are in process of being corrected by the Plan Sponsor using a self-correction method outside of the DOL's Voluntary Fiduciary Correction Program ("VFCP") as of the date the report was available for issuance.

During 2023, the Plan Sponsor failed to remit participant contributions in a timely manner. The Plan Sponsor identified four instances during the period October 15, 2023 through December 31, 2023, where $7,290 in loan repayments were remitted to the Plan in violation of DOL regulations. The missed earnings and interest are in process of being corrected by the Plan Sponsor using a self-correction method outside of the DOL's VFCP" as of the date the report was available for issuance.

## Note 8 – Operational Errors

During 2025, the Plan Sponsor identified an operational error related to the application of the Plan's eligibility provisions. Certain part-time employees who satisfied the Plan's eligibility requirements were not enrolled in the Plan, resulting in missed contributions for affected participants.

In September 2026, the Plan Sponsor made corrective contributions of $2,727, including applicable lost earnings, for affected participants who remain employed by the Plan Sponsor. The Plan has recorded a corrective employer contributions receivable of $2,727 as of December 31, 2025.

As of the date the Plan's financial statements were available to be issued, corrections for former part-time employees had not yet been completed. The Plan Sponsor is in the process of identifying all additional affected participants, including former employees, and determining and making the required corrective contributions, including applicable lost earnings. The Plan Sponsor does not believe the additional correction will be significant to the financial statements.

## Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2025 and 2024:

| | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 31,006,441 | $ 24,511,009 |
| Corrective employer contributions receivable | (2,727) | - |
| Net assets available for benefits per Schedule H on Form 5500 | $ 31,003,684 | $ 24,511,009 |

The following is a reconciliation of net increase per the financial statements to net income per Form 5500 for the year ended December 31, 2025:

| | |
|---|---|
| Net increase per financial statements | $ 6,495,402 |
| 2025 corrective employer contributions receivable | (2,727) |
| Net income per Form 5500 | $ 6,492,675 |

## Note 10 - Subsequent Events

The Plan evaluates events that occur subsequent to the date of the statement of net assets available for benefits, but before the financial statements are issued, for possible adjustment to the financial statements or other disclosure. This evaluation generally occurs through the date at which the Plan's financial statements are available to be issued, which was October 13, 2026, for the financial statements as of and for the year ended December 31, 2025. There were no subsequent events that required adjustment to or disclosure in the financial statements, except as described below.

Effective January 1, 2026, the Plan was amended/updated to incorporate various legislative and regulatory changes, including provisions of SECURE 2.0. Significant changes include the enhanced catch-up contribution limit for participants ages 60 through 63, revised eligibility provisions for long-term part-time employees, and new distribution provisions for emergency personal expenses, domestic abuse victims, and federally declared disasters. The Plan was also updated for applicable 2026 IRS contribution and compensation limits.
