Independent Auditors' Report

Plan Administrator
Revco Solutions 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Revco Solutions 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Revco Solutions 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section;

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Revco Solutions 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Revco Solutions 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Revco Solutions 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Revco Solutions 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of Revco Solutions 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General – The Plan is a defined contribution plan established on April 1, 2008. The Plan is designed to conform to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of Professional Recovery Consultants, Inc. (the "Company" and “Plan Sponsor”) are eligible to participate in the Plan.

On January 1, 2021, the Plan was amended and restated to change the name from Professional Recovery Consultants 401(k) Profit Sharing Plan to Revco Solutions 401(k) Plan (002) and no longer exclude employees that were not formerly employed by Professional Recovery Consultants. On January 20, 2021, plan assets from the Revco Solutions 401(k) Plan (001), formerly known as the CBCS 401(k) Plan, were merged into the Plan. On April 1, 2022, the Plan was amended to recognize service with ARMC Financial Services, LLC and General Service Bureau, Inc. On April 4, 2022 and May 5, 2022, plan assets from the ARMC Financial Services, LLC 401(k) Profit Sharing Plan and the General Service Bureau and Early Out Services Employees Savings Plan, respectively, were merged into the Plan. Effective July 31, 2022, the plan was restated through the adoption of a Non-Standardized Pre-Approved Profit Sharing Plan containing substantially all the same provisions as the previously adopted Non-Standardized Profit Sharing Plan.

Effective May 1, 2024, the Plan was restated through the adoption of a John Hancock defined contribution pre-approved plan containing substantially all the same provisions as the previously adopted ADP Preapproved Profit Sharing Plan, with the exception of the addition of break in service rules and change in vesting schedule from a 5-year graded schedule to a 2-year cliff schedule. In conjunction with the restatement, the Plan selected John Hancock as its insurance company and recordkeeper.

As a result of an acquisition of Wakefield and Associates, LLC, effective July 15, 2025, the Wakefield and Associates, LLC Tax Favored Savings Plan assets of $13,703,243 were merged into the Revco plan. The merged assets are reported as transfers in on the statement of changes in net assets available for benefits for the year ended December 31, 2025. Plan management is responsible for oversight of the Plan and determine the appropriateness of the Plan’s investment offerings and monitors investment performance.

b. Contributions – Participants may contribute up to the maximum amount allowed by law of pretax and or after tax annual compensation each year, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan document provides for a discretionary matching contribution by the Company. The Company elected to contribute 50% of the first 6% contributed to the Plan through August 2025. In September 2025 the Company elected to contribute 33 1/3% of the first 6% contributed to the Plan, not to exceed 2% of compensation. The Plan document also provides for discretionary profit sharing contribution. The Company did not elect profit sharing contributions for the years ended December 31, 2025 and 2024. Participants direct the investment of all contributions made on their behalf into various investment options offered by the Plan. Contributions are subject to annual limits established by the Internal Revenue Service.

1. DESCRIPTION OF PLAN (Continued)

c. Participant Accounts – Each participant's account is credited with (1) the participant's contribution, (2) the company's contributions, and (3) allocation of (a) plan earnings and (b) administrative expenses that are paid by the Plan. Allocations are based on participant's plan compensation or participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Prior to May 1, 2024, vesting of the Company's discretionary matching and profit sharing contributions portion of their accounts was based on a 5-year graded schedule. Effective May 1, 2024, vesting on employer contributions is based on a 2-year cliff schedule. The Company has elected special vesting provisions in which active participants with 1 year of service as of May, 1, 2024 will vest in employer contributions under a 2-year graded vesting schedule. Terminated participants as of May 1, 2024 will vest in employer contributions under a 5-year graded vesting schedule.

Participants will automatically become 100% vested upon attainment of normal retirement age (65) or retirement due to disability or death.

e. Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of $1,000 and up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. A Participant may only have one outstanding loan from the Plan at a time. The loans are secured by the balance in the participant's account and bear interest at prime plus 1.00% at the date of the loan issuance. Interest rates on the outstanding loans as of December 31, 2025 and 2024, range from 4.25% to 9.50% and these loans mature at varying dates from 2026 through 2030. Loans must be repaid within 5 years except for loans for the purpose of acquiring a principal residence whose term shall be determined by the Plan administrator. Generally, principal and interest is paid ratably through biweekly payroll deductions.

f. Payment of Benefits – Upon termination of service due to death, disability, retirement, or any other reason, the participant or beneficiary may elect to receive a lump-sum payment equal to the value of the participant's vested interest in his or her account. Partial withdrawals or installments are only permitted for participants or beneficiaries who must receive a required minimum distribution under IRS Code Section 401(a) (9). In addition, during active service, a participant can take hardship distributions if certain conditions are satisfied, and a participant, upon the attainment of age 59 ½, can take in-service distributions from their accounts in which they are vested.

g. Forfeited Accounts – Forfeitures of terminated participants' non-vested accounts are held in a common collective trust fund by the custodian. At December 31, 2025 and 2024, there were $14,666 and $43,647, respectively in forfeited non-vested accounts. Forfeitures are used to reduce employer contributions or pay Plan expenses. In 2025, $27,145 of forfeited funds were used to reduce employer contributions, $13,662 were used to pay Plan expenses and an additional $24,353 was used to fund the 2024 employer match true up. Forfeited funds of $14,409 will be used in 2026 to fund the 2025 employer match true up.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

All investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the custodian and trustee. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. Delinquent participant loans are reclassified as deemed distributions based upon the terms of the Plan document and loan agreement.

Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

3. TRUSTEE AGREEMENT

The appointed trustee of the Plan's assets is John Hancock Trust Company LLC as of May 1, 2024. Prior to May 1, 2024, the appointed trustee of the Plan's assets was Reliance Trust Company. The trustee has the authority and power to purchase and sell securities as directed by the Plan's participants. They also authorize benefit payments under the provisions of the Plan.

4. FAIR VALUE MEASUREMENTS

The Plan follows FASB ASC 820, *Fair Value Measurements*, which defines fair value as the price that would be received from selling an asset in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

FASB ASC 820 also establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The categorization of each investment type within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

FASB ASC 820 establishes three levels of inputs that may be used to measure fair value: Level 1: Quoted prices in active markets for identical assets or liabilities at the measurement date; Level 2: Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active market for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or Level 3: Unobservable inputs that are supported by little or no market activity and that reflect the Plan's own assumptions about market participants and prices. However, in accordance with ASC 820-10, certain investments are measured at fair value using the net asset value per share (or its equivalent) practical expedient are not classified in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds

Funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

4. FAIR VALUE MEASUREMENTS (Continued)

Collective Investment Trusts

Collective Investment Trusts (CITs) are valued at the net asset value (NAV) of units held by the plan at year-end. The NAV is used as a practical expedient to estimate fair value. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

December 31, 2025	Fair Value	Level 1	Level 2	Level 3
Mutual funds	$ 28,890,982	$ 28,890,982	$ -	$ -
Collective investment Trusts (NAV)	952,634			
Total assets at fair value	$ 29,843,616			

December 31, 2024	Fair Value	Level 1	Level 2	Level 3
Mutual funds	$ 14,053,515	$ 14,053,515	$ -	$ -

5. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by John Hancock Trust Company LLC and Reliance Trust Company, trustees of the plan, except for comparing such information certified by the custodian and trustee to information included in the Plan's financial statements and supplemental schedule.

	2025	2024
Investments at fair value	$ 29,843,616	$ 14,053,515
Notes receivable from participants	761,553	335,460
Net investment income	3,297,644	N/A
Interest income on notes receivable from participants	50,384	N/A

6. PLAN TERMINATION

Although the Company intends to continue the Plan, it reserves the right to amend or terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

7. TAX STATUS

On June 30, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401 of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Transactions between the Plan and the Plan's recordkeeper qualify as party-in-interest transactions. For the year ended December 31, 2025, John Hancock was paid direct compensation of $44,090 for services.

Marsh McLennan Agency (MMA) is the Plan's retirement plan advisor. Transactions between the Plan and the retirement plan advisor qualify as party-in-interest transactions. For the year ended December 31, 2025 MMA was paid direct compensation of $39,935, for plan services.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

10. CONCENTRATIONS

At December 31, 2025, 16%, 16% and 12% of investments were held in the American Funds 2030, 2040 and 2045 Target Date Funds, respectively.

At December 31, 2024, 19% and 17% of investments were held in the American Funds 2035 and 2060 Target Date Funds, respectively.

11. SUBSEQUENT EVENTS

The Plan has evaluated events and transactions that occurred between December 31, 2025 and October 14, 2026 which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.
