INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
PSG/CIP 401(k) and Retirement Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of PSG/CIP 401(k) and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of PSG/CIP 401(k) and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PSG/CIP 401(k) and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PSG/CIP 401(k) and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PSG/CIP 401(k) and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PSG/CIP 401(k) and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTE 1 – DESCRIPTION OF PLAN

The following description of the PSG/CIP 401(k) and Retirement Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

*General*

The Plan is a defined contribution plan that covers substantially all nonunion employees of Professional Services Group, Inc. (Plan Sponsor) and its affiliated entity, Community Impact Programs, Inc. (CIP), (collectively, the Company) who are age 18 or older. Employees are allowed to defer into the Plan and receive an employer matching contribution after completing six months of service; however one year of service is required for participation in the profit-sharing portion of the Plan. The Plan was most recently restated effective September 1, 2025. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan Sponsor is responsible for oversight of the Plan, the appropriateness of the Plan's investment offerings, and monitoring investment performance.

*Contributions*

Each year, participants may contribute a percentage of their pretax annual compensation, as defined in the Plan. Roth contributions are also permitted. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

For each plan year, the Company may contribute a board of directors approved discretionary profit-sharing contribution and discretionary matching contribution to the Plan.

For 2025 and 2024, the approved matching formula was 50% of the first 6% of compensation contributed by participants, which is remitted to the Plan throughout the year along with participant contributions.

For 2025 and 2024, the approved profit-sharing contributions were $276,889 and $240,663, respectively. Employees who have completed one year of service and are employed on the last day of the plan year (unless due to death, disability, or retirement at normal retirement age of 65), receive an allocated share of the Company's contribution. Allocations of the Company's contribution are based upon each participant's eligible compensation and their group classification, as defined by the Plan. Profit-sharing contributions are deposited annually after the Plan's year end.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

*Participant Accounts*

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting*

Participants are vested immediately in their contributions and the Company's matching contributions plus actual earnings thereon. Vesting in the Company's profit-sharing contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service, or upon death or disability.

*Notes Receivable from Participants*

Participants may borrow from any of their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms may be up to 5 years, unless used for the purchase of a principal residence where the term, effective January 1, 2023, may be up to 10 years. No loan may have a term of less than one year and only one outstanding loan is permitted. The loan interest rate is set at 2% above the prime rate, as defined. Principal and interest are paid ratably through regular payroll deductions.

*Payment of Benefits*

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or partial lump sum distributions. In-service distributions are permitted for participants age 59½ or older who are fully vested, and hardship distributions are permitted under certain circumstances.

*Forfeited Accounts*

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $36,657 and $23,427, respectively. These accounts are used to pay administrative expenses of the Plan or to reduce employer contributions. In 2025 and 2024, forfeitures of $20,938 and $21,798, respectively, were used to pay administrative expenses, and forfeitures of $30,689 and $37,121, respectively, were used to reduce employer contributions.

## NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

*Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

*Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

*Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment adviser, trustee and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses was needed as of December 31, 2025 or 2024.

*Payment of Benefits*

Benefits are recorded when paid.

*Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are reflected in net appreciation in fair value of investments.

## NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

1. Quoted prices for similar assets or liabilities in active markets;
2. Quoted prices for identical or similar assets or liabilities in inactive markets;
3. Inputs other than quoted prices that are observable for the asset or liability;
4. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Demand Deposit Account: FDIC-insured omnibus demand deposit account for qualified retirement plans, providing preservation of capital, liquidity and income, and which pays interest at a variable rate tied to market rates.

Money Market and Mutual Funds: Valued at the daily closing price as reported by the fund. Money market and mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The money market and mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025.

| | Assets at Fair Value as of December 31, 2025 | | | |

NOTE 4 – CERTIFICATIONS FROM TRUSTEE AND CUSTODIAN

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, the Plan Administrator has obtained the following information included in the accompanying financial statements and supplemental schedule from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company, the current trustee, as of December 31, 2025: investments and notes receivable from participants, and investment income for the period from September 1, 2025 to December 31, 2025, and by Mid Atlantic Trust Company, the former custodian, from January 1, 2025 to August 31, 2025, and as of and for the year ended December 31, 2024. All Plan assets were held in trust pursuant to agreements between the Company and the trustee and custodian.

## NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

July Business Services LLC provided certain administrative services to the Plan. July Business Services LLC receives revenue from certain mutual fund service providers for services July Business Services LLC provides. This revenue was used to offset certain amounts owed to July Business Services LLC for its administrative services to the Plan. Fees paid to July Business Services LLC were $33,546 from January 1, 2025 to August 31, 2025, and $62,906 for the year ended December 31, 2024.

Fidelity Management Trust Company provides certain administrative services to the Plan. Fidelity Management Trust Company receives revenue from certain mutual fund service providers for services Fidelity Management Trust Company provides. This revenue was used to offset certain amounts owed to Fidelity Management Trust Company for its administrative services to the Plan. Fees paid to Fidelity Management Trust Company were $5,790 from September 1, 2025 to December 31, 2025.

HTLF Retirement Plan Services provided fiduciary and investment advisory services to the Plan. Fees paid to HTLF Retirement Plan Services were $5,571 from January 1, 2025 to August 31, 2025 and $42,230 for the year ended December 31, 2024.

UMB Bank provides fiduciary and investment advisory services to the Plan. Fees paid to UMB Bank were $8,631 from September 1, 2025 to December 31, 2025.

Notes receivable from participants are also defined by ERISA as party-in-interest transactions.

## NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer profit-sharing contributions.

## NOTE 7 – TAX STATUS

The Plan adopted the non-standardized pre-approved profit sharing plan with CODA of FMR LLC effective September 1, 2025. Prior to September 1, 2025, the Plan adopted the non-standardized pre-approved profit sharing plan with CODA of July Business Services. Both of the non-standardized pre-approved profit sharing plans with CODA received opinion letters from the IRS dated June 30, 2020, that the plans were designed in accordance with applicable sections of the Internal Revenue Code (IRC) and were, therefore, not subject to income tax under present tax laws. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

## NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 9 – PROHIBITED TRANSACTIONS

During 2023, the Company failed to timely remit $132,561 of participant contributions to the Plan pursuant to 29 CFR 2510.3-102 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Under the regulation, amounts paid by a Plan participant or withheld by an employer from a participant's wages for contribution to the Plan are Plan assets on the earliest date they can be reasonably segregated from the Company's general assets, but in no event later than the 15$^{th}$ business day of the month following the month in which the participant contributions are withheld or received by the Company. As a result, the Company engaged in nonexempt prohibited transactions under ERISA Section 406. The Company deposited lost earnings resulting from the delay in contributions in 2024.

## NOTE 10 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2026, the date that the financial statements were available to be issued, and determined that no events have occurred that would require adjustments or disclosure in the financial statements.
