INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Patel, Greene & Associates, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Patel, Greene & Associates, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

One Tampa City Center • 201 N. Franklin St., Suite 2200 • Tampa, Florida 33602 • 813-875-7774 fax 813-874-6785 • www.rgcocpa.com

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audits evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

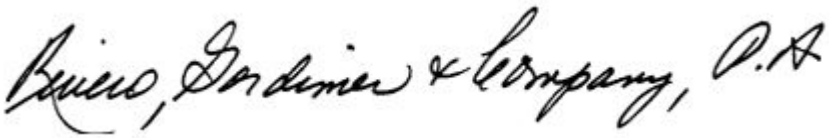

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Patel, Greene & Associates, LLC 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2025

NOTE A - DESCRIPTION OF THE PLAN

The following description of Patel, Greene & Associates, LLC (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of the Company who have completed one month of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The plan administrator is responsible for oversight of the Plan.

2. Plan Sponsor and Administrator

Patel, Greene, and Associates, LLC (the "Sponsor") serves as the Plan sponsor and administrator. No officer or employee of the Sponsor receives compensation from the Plan.

3. Participation

After one month of employment, employees are eligible to participate in the Plan.

4. Contributions

The Company will contribute an amount equal to the sum of 100% of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceeds 3% of the participant's compensation but does not exceed 5% of the participant's compensation.

The Company may also make a profit-sharing contribution at the discretion of the Company. During 2025, the Company did not make any profit-sharing contributions to the Plan. Contributions are subject to certain Internal Revenue Service limitations.

5. Participant's Investment Options

Participants direct the contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year.

6. Vesting

Participants are vested immediately in their contributions, safe harbor matching contributions, and rollovers plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution portion of a participant's account is based on participant's years of service, according to the following schedule: 0% through one year of service, 20% after two years, 40% after three years, 60% after four years, 80% after five years, and 100% after six years.

NOTE A - DESCRIPTION OF THE PLAN - Continued

7. Participant Accounts

Each participant's account is credited with the participant's contributions and matching contributions, as well as allocations of the Company's profit-sharing contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

8. Forfeitures

Forfeited non-vested account balances are used to reduce employer contributions and to reduce plan expenses paid by the Sponsor. During the year ended December 31, 2025, no forfeitures were used to reduce employer contributions or pay plan expenses.

9. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is determined by the Plan Administrator. Principal and interest is paid through payroll deductions. The Plan had notes receivable from participants of $106,337 and $136,394 at December 31, 2025 and 2024, respectively.

10. Payments of Benefits

On termination of service due to death, disability or normal retirement age, a participant becomes fully vested in employer contributions subject to the Plan's vesting provisions and may receive a lump-sum distribution. For termination of service due to other reasons, a participant may receive a lump-sum distribution of the participant's vested account balance. In-service distributions are only permitted from fully vested accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

2. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

3. Investment Valuation and Income Recognition

Investments are valued as follows:

- Pooled separate accounts are valued at the net asset value ("NAV") (fair value) of shares held by the Plan at year-end. Investments in certain restricted funds are valued at quoted market prices of the issuer.

- Guaranteed interest account is valued at contract value.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan presents the net appreciation or depreciation in the fair value of its investments in the Statement of Changes in Net Assets Available for Benefits, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

4. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

5. Benefit Payments

Benefits are recorded when paid.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

7. Concentration of Credit Risk

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE C - INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

All investment information regarding the Plan as of December 31, 2025 and 2024 included in the Plan's financial statements and supplementary schedule was derived from information provided by Transamerica Financial Life Insurance Company, Inc., the trustee of the plan, and furnished to the plan administrator.

The plan administrator has obtained certification from the trustee that such information is complete and accurate for the periods presented.

NOTE D - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

> Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
>
> Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
>
> Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE D - FAIR VALUE MEASUREMENTS - Continued

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024:

Pooled separate accounts: Valued at the net asset value ("NAV") of shares held by the Plan at year end. Investments in certain restricted funds are valued at quoted market prices of the issuer.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31,:

December 31, 2025	Fair Value	Level 1	Level 2	Level 3
Pooled separate accounts	$ 15,591,151	$ 15,591,151	$ -	$ -
Total	$ 15,591,151	$ 15,591,151	$ -	$ -

December 31, 2024	Fair Value	Level 1	Level 2	Level 3
Pooled separate accounts	$ 11,546,083	$ 11,546,083	$ -	$ -
Total	$ 11,546,083	$ 11,546,083	$ -	$ -

In accordance with the adoption of Accounting Standards Update (ASU) No. 2015-12, if an investment is measured using the NAV per unit (or its equivalent) as the practical expedient in Accounting Standards Codification (ASC) Topic 820 and that investment is in a fund that files a Form 5500, Annual Return/Report of Employee Benefit Plan, as a direct filing entity, disclosure of that investment's strategy will no longer be required. As such, it is no longer required to disclose the investment strategy of the Plan's investment in the fixed income account.

NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintains a fully benefit-responsive guaranteed investment contract with the Trustee as of and during the year ended December 31, 2025 and 2024. The Trustee maintained the contributions in a general account. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the statement of net assets available for benefits at contract value.

NOTE E - INVESTMENT CONTRACT WITH INSURANCE COMPANY - Continued

Contract value, as reported to the Plan by Transamerica Financial Life Insurance Company, Inc. (the "Trustee"), represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a semi-annual basis for resetting. The contract value of the investment contracts was $879,067 and $760,409 at December 31, 2025 and 2024, respectively.

Certain events limit the Plan's ability to transact at contract value with the Trustee. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for examples, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE G - TAX STATUS

The IRS has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2022.

NOTE H - PARTY-IN-INTEREST TRANSACTIONS

The plan paid a third party administrator and Transamerica Financial Life Insurance Company, Inc. $20,158 for investment advisory and recordkeeping services during the year ended December 31, 2025.

NOTE I - SUBSEQUENT EVENTS

The Plan's management has evaluated events and transactions occurring subsequent to December 31, 2025 as of September 28, 2026 which is the date the financial statements were available to be issued.
