INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Communications Test Design, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Communications Test Design, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Communications Test Design, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Communications Test Design, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Communications Test Design, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Communications Test Design, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Communications Test Design, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

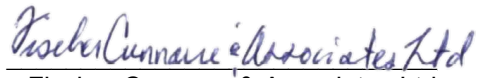

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for the purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. The Plan

The following description of Communications Test Design, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of Communications Test Design, Inc. (the "Company"). Effective April 15, 2024, the Plan was amended to permit participation by commonly owned employers, with their employees eligible for matching and nonelective contributions under the same formulas and allocation methods as the Company. Employees become eligible to participate in the Plan after one month of service. Additionally, the Plan recognizes the entry date on the first day of each month following the month the employee becomes eligible. The Plan allows participants to be credited for certain service with related and predecessor employers for all purposes under the Plan provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Plan Administration – The 401(k) Trustee Committee is responsible for the oversight of the Plan including the appropriateness of the Plan's investment offerings and the monitoring of investment performance. Empower Trust Company, LLC and Empower Life and Annuity Insurance Company collectively ("Empower") are the Plan's trustee and custodian, respectively, and Empower Retirement, a subsidiary of Empower & Annuity Insurance Company, is the Plan's recordkeeper.

Contributions – Each year, participants may contribute up to 100% of their annual compensation to the Plan, as defined in the Plan agreement, subject to applicable Internal Revenue Service ("IRS") limits. Contributions may be made on a pre-tax basis and, effective January 1, 2024, on a Roth (after-tax) basis. Participants who have attained age 50 before the end of the Plan year are also eligible to make catch-up contributions to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan is currently being operated to permit Roth contributions, and a conforming amendment will be adopted by the applicable IRS amendment deadline.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled into the Plan unless they opt out of participating in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation.

The Company may elect to make a discretionary profit sharing contribution, as well as a matching employer contribution to the Plan based on a discretionary percentage of base compensation that a participant contributes to the Plan. For the years ended December 31, 2025 and 2024, the Company declared employer profit sharing contributions of $13,752,914 and $13,875,786, respectively, which were allocated to the participants as described in the Plan agreement. During 2025 and 2024, the Company's matching contributions were 10% of the participant's contributions up to 5% of their eligible compensation. For the years ended December 31, 2025 and 2024, the Company matching contributions totaled $1,744,326 and $1,727,538, respectively. The discretionary profit sharing contributions and matching Company contributions are participant-directed. Contributions are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan and Plan losses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances among the investment options offered by the Plan, subject to the terms of the Plan.

Vesting – Participants are vested immediately in their contributions, including their rollovers, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Generally, a participant is 100% vested after six years of credited service. A participant shall become 100% vested upon death, disability, or normal retirement.

Forfeited Accounts – At December 31, 2025 and 2024, forfeited nonvested accounts totaled $1,856,571 and $1,748,545, respectively. These accounts may be used to reduce future employer contributions or pay administrative expenses. During 2025 and 2024, forfeitures of $44,514 and $67,033, respectively, were used to pay administrative expenses. The accrued employer discretionary profit sharing contributions for the year ended December 31, 2025, will be reduced by $1,778,587 when they are funded in 2026. The accrued employer discretionary profit sharing contributions for the year ended December 31, 2024, were reduced by $1,707,386 when they were funded during 2025.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Loans are secured by the vested balance in the participant's account and bear a rate of interest based on the prime interest rate plus 1%. The Plan does not allow for refinancing of notes receivable. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits – Upon termination of service due to death, disability or retirement, or upon termination of employment, a participant will generally receive a lump-sum payment equal to the value of the participant's vested interest in his or her account. Certain in-service distributions are permitted pursuant to the Plan document.

2. Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value, see Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Trustee Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, trustee, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees and administrative expenses are recorded when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. Delinquent notes receivable from participants are treated as distributions based upon the terms of the Plan document.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits – Benefits are recorded when paid.

Expenses – All expenses deemed allowable by the Plan agreement are paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. A portion of service fees are returned to the Plan based on a revenue sharing agreement with Empower Life & Annuity Insurance Company. The revenue sharing amounts received are credited to an administrative account, which is used to pay administrative expenses incurred by the Plan. Revenue sharing credits are included in other income. As of December 31, 2025 and 2024, the balance in the administrative account was $43,536 and $14,534, respectively.

3. Information Prepared and Certified by Trustee and Custodian

Certain information in the accompanying financial statements and ERISA-required supplemental schedules related to investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants, for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Life and Annuity Insurance Company of America (Collectively, "Empower"), a qualified institution.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active;

Level 3: Unobservable inputs for the asset or liability that are significant to the fair value measurement and reflect assumptions that market participants would use in pricing the asset or liability.

The asset or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued using the NAV as a practical expedient as determined by the issuer based on the fair value of the underlying assets within the fund and the present values of future cash flows using the current discount rate.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 377,919,273	$ -	$ -	$ 377,919,273
Total investments in the fair value hierarchy	$ 377,919,273	$ -	$ -	377,919,273
Collective trust funds measured at net asset value ("NAV") (a)				18,373,738
Total investments measured at fair value				$ 396,293,011

	Assets at Fair Value as of December 31, 2024

Mutual funds	$ 343,766,133	$ -	$ -	$ 343,766,133
Total investments in the fair value hierarchy	$ 343,766,133	$ -	$ -	343,766,133
Collective trust fund measured at net asset value ("NAV") (a)				11,937,817
Total investments measured at fair value				$ 355,703,950

(a) In accordance with ASC Subtopic 820-10, certain investments that are measured at NAV per share (or its equivalent) as a practical expedient to estimate fair value have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured at NAV – The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2025 and 2024, respectively.

5. Fully Benefit-Responsive Investment Contracts

The Plan invests in a fully benefit-responsive group annuity contract with Empower Annuity Insurance Company of America, consisting of two investment funds. Empower maintains the amounts allocated to the contract in its general account. The contract is reported at contract value, which is the relevant measurement attribute for fully benefit-responsive investment contracts because it represents the amount participants would receive if they initiated permitted transactions under the terms of the Plan. Contract value, as reported by Empower in accordance with the valuation provisions of the contract, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value at December 31, 2025 and 2024 was $29,842,688 and $32,056,357, respectively.

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include, but are not limited to: (1) amendments to the Plan agreement, including complete or partial Plan termination or merger with another Plan; (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan sponsor or other Plan sponsor events, for example, divestitures or spin-offs of a subsidiary, that cause a significant withdrawal from the Plan; (4) failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or (5) premature termination of the contract. The Plan Administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with Empower and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

The issuer does not have the right to unilaterally terminate the contract prior to the scheduled maturity date, except upon the occurrence of certain events described above.

6. Related-Party Transactions and Party in Interest Transactions

Certain Plan investments are managed by Empower, the trustee and custodian of the Plan, and therefore these transactions qualify as party-in-interest transactions. Additionally, certain administrative fees paid to Empower and other service providers are considered party-in-interest transactions. Certain administrative fees are paid through a revenue-sharing arrangement with Empower, as described in Note 2. Administrative fees paid by the Plan that were not covered by revenue sharing were $455,803 and $444,163 for the years ended December 31, 2025 and 2024, respectively. Participant loans are also considered party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction provisions of ERISA.

The Plan sponsor failed to remit certain participant contributions in a timely manner during the year ended December 31, 2025, as required by Department of Labor Regulation 2510.3-102 and are considered prohibited transactions. Contributions not corrected as of December 31, 2025 totaled $7,656.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Tax Status

The underlying volume submitter prototype plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is accepted under Section 401(a) of the Internal Revenue Code (“IRC”) for use by employers for the benefit of their employees. In accordance with Revenue Procedure 2011-49, 2011-44 I.R.B. 608, the Plan sponsor has adopted this Plan and may rely on the current qualifications of the IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan has been designed to comply with the requirements of the Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate uncertain tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

	2025	2024

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to net income per Form 5500 for the year ended December 31, 2025:

	2025
Net increase in Net Assets Available for Benefits per the Financial Statements	$ 39,145,196
Excess contributions payable – current year	14,565
Excess contributions payable – prior year	(111,973)
Change in deemed distributions of participant Loans	(278,273)
Net income per Schedule H of the Form 5500	$ 38,769,515

11. Subsequent Events

Plan management has evaluated all subsequent events through October 14, 2026, the date the financial statements were available to be issued.
