Report of Independent Auditors

To the Participants and Trustees of
Fitch, Even, Tabin & Flannery Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Fitch, Even, Tabin & Flannery Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Fitch, Even, Tabin & Flannery Retirement Plan

Notes to Financial Statements

December 31, 2025 and 2024

Note 1. Description of the Plan

Fitch, Even, Tabin & Flannery Retirement Plan (the Plan) is a defined contribution retirement plan covering all full-time employees of Fitch, Even, Tabin & Flannery (the Employer) who have one month of service and are age 21 or older. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Contributions to the Plan, as authorized by participants, include elective salary deferrals on a pre-tax basis or on an after-tax basis as a Roth deferral. Participants' entry date to the Plan is the first day of the next month after they have completed one month of service. Participants are automatically enrolled in the Plan at a deferral rate of 6% of eligible compensation, increasing by 1% each year to a maximum of 12% of compensation, as defined by the Plan, unless the employee elects a different deferral rate or affirmatively elects not to participate in the automatic enrollment feature of the Plan. Participants may change elective salary deferrals on the first day of each Plan month. Elective salary deferral contributions are subject to Internal Revenue Code limitations. Contributions by participants may also include rollover and transfer contributions into the Plan.

In December 2022, the Setting Every Community Up for Retirement Enhancement (SECURE) Act 2.0 was enacted and increased the required minimum distribution age to 73 effective in 2023 and as late as 75 effective in 2033. The Plan also was amended pursuant to optional provisions of SECURE Act 2.0 to raise the required account balance threshold for an automatic lump-sum distribution to be made to a terminated participant from $5,000 to $7,000. The SECURE Act 2.0 also increased catch-up contribution limits in 2025 for individuals who have attained ages 60, 61, 62 and 63, which will be indexed for inflation after 2025.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also provides for a self-directed brokerage program whereby participants may invest their account balances in any investment desired, within certain Plan and ERISA limitations. In the absence of participant direction, contributions are invested in a qualified default investment alternative account until changed by the participant. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their account balance to be lower than contributions made to the Plan.

Note 1. Description of the Plan (continued)

The Employer may also make discretionary matching or profit sharing contributions on behalf of eligible participants. These participants must have completed one year of service and be employed on the last day of the Plan year. One year of service is earned upon completing 1,000 hours of service during the Plan year for the years ended December 31, 2025 and 2024, the Employer made discretionary matching contributions of $258,190 and $260,852 respectively, and profit sharing contributions of $622,956 and $606,875 respectively.

Individual accounts are maintained for each participant to reflect the participants' contributions and any rollover or Employer contributions, as well as allocations of investment earnings or losses and administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants are immediately and fully vested in elective deferral and rollover contributions, plus actual earnings thereon. The employer contributions become vested based on years of continuous service. The portion of the employer contributions that become vested is as follows:

Years of Service	Vesting Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures are retained in the Plan and may be used to reduce future employer contributions. As of December 31, 2025 and 2024, forfeited non-vested accounts totaled $20,761 and $32,234 respectively, and were used to reduce the Employer's contribution.

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants are allowed only three outstanding loans at a time. Loan terms range from one to five years unless the loan qualifies as a purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 10.50%, which are commensurate with local prevailing rates charged by commercial banks. Principal and interest are repaid ratably through monthly payroll deductions.

Upon termination of service due to death, disability or retirement, a participant may generally elect to receive a lump-sum amount equal to the value of their vested account, a joint and survivor annuity, or periodic payments. Participants may also withdraw their benefits under the hardship withdrawal provisions of the Plan.

Participants should refer to the Plan document for more complete information.

Note 2. Summary of Significant Accounting Policies

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2025 or 2024.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Revenue Sharing Income - Revenue sharing is paid from mutual fund companies at varying rates as determined by each mutual fund and based on the amount held in each fund. The amount paid is deposited into a separate account established within the Plan, net of the applicable fees charged by the Custodian. The amount that is deposited into the separate account is the net revenue sharing. In the event that net revenue sharing is greater than the actual fees, the excess funds will be maintained in the separate account to be used for the payment of administrative expenses or allocated to participant accounts. As of December 31, 2025 and 2024, the revenue sharing account balances totaled $138,972 and $126,684 respectively. During the years ended December 31, 2025 and 2024, revenue sharing account balances of $66,227 and $41,675 respectively, were used to pay administrative expenses.

Expenses - Certain expenses of maintaining the Plan are paid by the Employer or the Plan, as provided by the Plan document. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Note 2. Summary of Significant Accounting Policies (continued)

Subsequent Events - Subsequent events have been evaluated through October 13, 2026, which is the date the financial statements were available to be issued.

Note 3. Priorities upon Termination

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in the employer contribution portion of their account.

Note 4. Tax Status

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although, the Plan has been amended since adopting the pre-approved plan document, the Plan's administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified.

During the year ended December 31, 2025, it was determined that certain of the Plan's provisions were not properly applied in the daily operation of the Plan. The Plan administrator is determining the affected participants and has indicated that the steps necessary to maintain the tax qualified status of the Plan will be taken.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5. Fair Value Measurements

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following provides a description of the three levels of the fair value hierarchy.

Note 5. Fair Value Measurements (continued)

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025 and 2024. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		Fair Value Measurements at 12/31/25 Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Signficant Unobservable Inputs (Level 3)
Mutual funds	$ 43,779,918	$ 43,779,918	$ -	$ -
Self-directed brokerage accounts	11,371,260	10,451,048	920,212	-
	55,151,178	$ 54,230,966	$ 920,212	$ -
Investments measured at net asset value:				
Collective investment trust	9,042,076			
Total	$ 64,193,254			

Note 5. Fair Value Measurements (continued)

		Fair Value Measurements at 12/31/24 Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Signficant Unobservable Inputs (Level 3)
Mutual funds	$ 41,375,219	$ 41,375,219	$ -	$ -
Self-directed brokerage accounts	9,337,118	8,488,940	848,178	-
	50,712,337	$ 49,864,159	$ 848,178	$ -
Investments measured at net asset value:				
Collective investment trust	6,239,992			
Total	$ 56,952,329			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Self-directed brokerage accounts classified within Level 1 represent investment accounts primarily comprised of equities, unit investment trusts, common stocks, and mutual funds traded in active markets on national securities exchanges and valued at closing prices on the measurement date.

Level 2 Measurements

Certain self-directed brokerage accounts include certificates of deposit, U.S. Government and Government Agency obligations and money market funds. Money market funds are valued at cost, which approximates fair value. The fair values of the remaining assets are valued based on quoted market prices, or when no quoted prices are available, fair value is estimated to approximate the cost basis of the deposit account balance, based upon the liquidity of the account and the credit quality of the issuer.

Measurements Using Net Asset Value as a Practical Expedient

The collective investment trust is valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair values of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the trust will sell the investment for an amount different than the reported net asset value.

Note 5. Fair Value Measurements (continued)

Measurements Using Net Asset Value as a Practical Expedient (continued)

The collective investment trust is a direct filing entity (DFE) and files a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. Redemptions are available on a daily basis without notice.

Note 6. Information Certified by Plan Custodian

The following information as of December 31, 2025 and 2024, and for the years then ended, was obtained by management and agreed to or was derived from information certified as complete and accurate by Charles Schwab Trust Bank, a qualified institution:

	2025	2024
Investments - at fair value:		
Mutual funds	$ 43,779,918	$ 41,375,219
Self-directed accounts	$ 11,371,260	$ 9,337,118
Collective investment trust	$ 9,042,076	$ 6,239,992
Cash	$ 283,555	$ 249,092
Investment income:		
Net appreciation in fair value of investments	$ 6,531,724	$ 6,759,479
Dividends and interest	$ 1,028,002	$ 739,922

Note 7. Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

Note 8. Party-in-Interest Transactions

The Plan's assets are held Charles Schwab Trust Bank (Charles Schwab). Charles Schwab acts as the Custodian of the Plan's investments and also provides investment services to the Plan. Plan assets held at Charles Schwab include investments in self-directed investments.

Additionally, the Plan issues loans to participants, which are secured by the participant's account balance. The Employer is also a party-in-interest to the Plan.

These transactions are considered to be exempt party-in-interest transactions under ERISA.

Report of Independent Auditors on Supplemental Schedule Required by ERISA

To the Participants and Trustees of
Fitch, Even, Tabin & Flannery Retirement Plan

We have audited the financial statements of Fitch, Even, Tabin & Flannery Retirement Plan (the Plan) as of and for the years ended December 31, 2025 and 2024, and our report thereon dated October 13, 2026, appears on pages 1 through 3. Our audits were conducted in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP).

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
