INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed the audits of the financial statements of the Rockwood Capital 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

An independent member of Baker Tilly International

Frank Rimerman + Co. LLP is a member of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to the participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

Rockwood Capital, LLC (the Company and Employer) established the Rockwood Capital 401(k) Retirement Plan (the Plan), effective January 1, 1993, to provide participants with a means to fund their retirement on a tax-deferred basis. The following description of the Plan, as amended and restated, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan under the related provisions of the Internal Revenue Code (the Code) and relevant state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. The Plan Committee, comprised of Company employees, is responsible for administration of the Plan. Empower Trust Company, LLC and Empower Retirement, LLC (collectively, Empower) serve as the Plan's trustee and recordkeeper, respectively. Empower holds, invests and reinvests Plan assets in the interest and direction of the participants and their beneficiaries. The Company has engaged California Retirement Plans, Inc. as the Plan's third-party administrator to provide plan administration and plan document services. The Company has engaged Global Retirement Partners, LLC as an investment advisor to assist the Plan Committee in selecting investment options offered under the Plan and monitoring investment performance. The Company has also engaged Johnson & Dugan as the Plan's employee benefits consultant.

Eligible Participants:

Employees, as defined by the Plan agreement, are eligible to participate in the Plan immediately upon hire.

Contributions:

Participants are permitted to make voluntary pre-tax salary deferral and Roth post-tax contributions up to 100% of their annual compensation, as defined in the Plan agreement. Participants who have reached the age of 50 can elect to withhold additional "catch-up" contributions under the Code. Participants may also contribute amounts representing distributions from other qualified plans (rollovers), subject to Code regulations.

The Company may make matching and nonelective contributions at the discretion of the Company's Board of Directors. Participants become eligible for discretionary matching and nonelective contributions after completing one year of service. The Company made nonelective contributions of $1,047,489 to the Plan in 2025.

1. Description of the Plan (continued)

Contributions: (continued)

Contributions are subject to certain limitations under the Code.

In-Plan Roth Conversions:

The Plan allows participants who are active employees of the Company to convert any portion of their pre-tax contributions to Roth contributions. There were no pre-tax deferral contributions converted to Roth contributions in 2025.

Participant Accounts:

Participant accounts are credited with participant contributions and rollovers, an allocation of Company contributions, plus earnings (less any losses) thereon. Allocations are based on participant earnings or account balances, in accordance with the Plan agreement. The benefit to which participants are entitled is the benefit that can be provided from the participants' vested accounts.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

Participants can also choose to invest in and manage a broader range of investments through participant-managed Schwab self-directed brokerage accounts. Investment choices offered to participants in these self-directed brokerage accounts include most equity securities listed on major stock exchanges in the United States of America (U.S.), additional mutual funds, over-the counter equity securities, bonds, and other fixed-income securities.

Vesting:

Participants are immediately vested in their contributions, plus actual earnings (less any losses) thereon. Participants vest in Company contributions 25% after the first year of service and continue to vest 25% annually, becoming fully vested after four years of service. Participants also become fully vested in Company contributions upon death or disability.

Forfeitures:

Forfeitures of non-vested Company contributions may be used to offset future Company contributions or to pay Plan expenses. As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $87,495 and $48,405, respectively. During 2025, forfeitures of $840 were used to pay Plan administrative expenses.

1. Description of the Plan (continued)

Notes Receivable from Participants:

Participants may borrow up to one-half of their vested account balance, for a minimum of $1,000 and a maximum of $50,000, for a period not to exceed five years, except for notes used to purchase a primary residence for which terms of up to 15 years may be granted. Participants may have one note outstanding at any time. Participant notes are evidenced by a written note, secured by the vested balance in the participant's account, and bear interest at 1% over the Prime Rate published in the Wall Street Journal on the first business day of the month the note was originated. The interest rate on the notes outstanding at December 31, 2025 is 8.50%. Repayment of principal and interest is made through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement. Notes receivable transactions with participants qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Payment of Benefits:

On termination of service, participants may elect to leave their account balance in the Plan or receive benefits. Benefits are paid in a lump-sum cash distribution equal to the value of the participant account balances or installments for certain participants. Distributions will be paid as soon as administratively feasible. Terminated participant accounts below $1,000 may be automatically distributed directly to participants without participant approval. Terminated participant accounts with balances between $1,000 and the involuntary distribution limit specified by the Code may be automatically distributed to individual retirement accounts on behalf of the participants without participant approval. The Plan agreement also allows for certain in-service and hardship withdrawals of benefits to participants who are current employees. Benefits are recorded when paid.

Administrative Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the financial statements. Certain account maintenance fees are charged to the Plan and allocated to participant accounts. All other administrative expenses related to the Plan are paid by the Company and are not reflected in the Plan's financial statements.

1. Description of the Plan (continued)

Risks and Uncertainties:

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various market conditions, such as interest rate, market fluctuation, and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the Plan's financial statements.

Plan Merger:

Effective September 30, 2026, the Plan was merged with and into the Harrison Street Real Estate Capital 401(k) Profit Sharing Plan. Upon the merger, all Plan assets and liabilities were transferred to the surviving plan, and participants became participants in the surviving plan in accordance with the applicable merger agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The Plan's financial statements are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments:

The Plan's investments include mutual funds, participant-directed brokerage accounts, and a common collective trust. These investments are accounted for as follows:

Mutual Funds: These funds are valued at the quoted closing prices reported on the active market on which the individual securities are traded.

2. Summary of Significant Accounting Policies (continued)

Investments: (continued)

Participant-Directed Brokerage Accounts: These participant-managed Schwab self-directed brokerage accounts may consist of shares in various interest-bearing cash and other cash equivalents, publicly traded securities, mutual funds, money market funds, over-the-counter equity securities, bonds, and other fixed-income securities valued based on quoted prices in active markets.

Common/Collective Trusts (CCTs): The Plan invests in common/collective trust funds (CCTs), which is valued using the net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund, less its liabilities.

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability at the measurement date. The three-level hierarchy prioritizes, within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with those instruments.

The three-level hierarchy for fair value measurement is defined as follows:

- **Level I:** Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

- **Level II:** Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

- **Level III:** Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement: (continued)

The Plan's investments, set forth by level within the fair value hierarchy as of December 31, 2025, are summarized as follows:

Investments	Level I	Level II	Level III	Total
Mutual funds	$ 52,198,862	$ -	$ -	$ 52,198,862
Participant-Directed Brokerage Accounts	14,130,139	-	-	14,130,139
Total	$ 66,329,001	$ -	$ -	66,329,001
Investments measured at NAV CCTs				4,029,035
Total investments, at fair value				$ 70,358,036

The Plan's investments, set forth by level within the fair value hierarchy as of December 31, 2024, are summarized as follows:

Investments	Level I	Level II	Level III	Total
Mutual funds	$ 46,153,831	$ -	$ -	$ 46,153,831
Participant-Directed Brokerage Accounts	11,225,727	-	-	11,225,727
Total	$ 57,379,558	$ -	$ -	57,379,558
Investments measured at NAV CCTs				3,720,654
Total investments, at fair value				$ 61,100,212

The CCTs, valued based on the NAV practical expedient, are excluded from the fair value hierarchy under GAAP. There are no redemption restrictions related to the CCTs.

Income Recognition:

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on the Plan's investments bought, sold, or held during the year.

3. Information Prepared and Certified by the Qualified Institution

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, the qualified institution of the Plan, has certified to the completeness and accuracy of the:

- investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 **and 2024**.
- net income on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.
- investment information included in the footnotes and on the supplemental schedule of assets (held at end of year) as of December 31, 2025.

4. Income Tax Status

The Plan administrator has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable provisions of the Code. The Plan document has been amended and restated since receipt of the letter. However, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified, and the trust that forms a part of the Plan is exempt from federal and state income taxes.

GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded, as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

5. Subsequent Events

Effective September 30, 2026, the Plan was merged into the Harrison Street Real Estate Capital 401(k) Profit Sharing Plan and Trust. In connection with the merger, all Plan assets and participant account balances were transferred to the Harrison Street Real Estate Capital 401(k) Profit Sharing Plan and Trust.

Subsequent events have been evaluated through October 13, 2026, which is the date the financial statements were approved by the Plan administrator and available to be issued.
