To the Trustees
Cohn Wholesale 401(k) Retirement Savings Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held for Investment Purposes as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or are derived from, in all material aspects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COHN WHOLESALE 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Cohn Wholesale 401(k) Retirement Savings Plan is provided for general information purposes only. Participants should refer to the plan document for more complete information.

[1] General

The plan is a defined contribution 401(k) profit-sharing plan covering all full-time employees who have one year of service and are age twenty-one or older. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan sponsor consists of the following affiliated companies:

Cohn Wholesale Fruit & Grocery Co., San Diego, California
Danimaxx of Colorado, Inc., Breckenridge and Winter Park, Colorado
Hi-Way 20 Investment Co., Inc., San Diego, California
Ideal Market of Gordon, Inc., Gordon, Nebraska
Ideal Market of Rushville, Inc., Rushville, Nebraska
Mission Shopping Center, Inc., Mission, South Dakota
Philcohn, Inc. of California, San Diego, California
Philcohn, Inc. of Nebraska, Winner, South Dakota
Wagner Super Foods, Inc., Wagner, South Dakota
Williams Brothers Supermarket, Inc., O'Neill, Nebraska

Aaron Cohn and David Cohn are the plan trustees. Empower Retirement, LLC is the plan custodian.

[2] Contributions

Participants may contribute up to 100% of annual compensation as defined by the plan, not to exceed the annual dollar limit established by the Internal Revenue Service. Participant rollover contributions from other qualified plans are permitted. The plan sponsor can make both discretionary matching contributions and discretionary profit-sharing contributions. Discretionary contributions are determined by appropriate action of the Board of Directors.

[3] Participant Accounts

Participant accounts are credited with participant, company and rollover contributions. Plan earnings are allocated to participants accounts based on each participant's investment election. Company matching contributions are allocated based on the participant's eligible elective deferrals, as defined by the plan. Company profit-sharing contributions are allocated based on each participant's compensation, as defined by the plan, compared to total recognized compensation. Participant accounts are charged for administrative expenses on a pro-rata basis.

[4] Vesting

Participants are immediately vested in their elective contributions and rollover contributions plus earnings thereon. Vesting in the remainder of their accounts is based on years of service, with a participant becoming fully vested after six years of credited service.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

[5] Investment Options

Upon enrollment in the plan and periodically as determined by the plan administrator and trustees, participants may direct contributions and account balances into any of the plan's investment options. A listing of these investment options and account descriptions can be obtained from the plan custodian.

[6] Payment of Benefits

Upon termination of service for any reason, a participant's vested account balance will be distributed in a single lump-sum amount as soon as administratively feasible following the event that entitles the participant to a distribution. In addition, the plan allows in-service distributions for those participants that qualify.

[7] Forfeited Accounts

Forfeitures of terminated participants' nonvested accounts may be applied against the employers' matching contributions and plan expenses. The forfeiture account balance was $21,038 at December 31, 2025 and $17,591 at December 31, 2024. No forfeitures were used in 2025 or 2024.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

[2] Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan's administrator determines the plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

[3] Payment of Benefits

Benefits are recorded when paid.

[4] Expenses

Certain expenses of maintaining the plan are paid by the plan, unless otherwise paid by the company. Expenses that are paid by the company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[5] Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets in active markets;
- quoted prices for identical or similar assets in inactive markets;
- inputs other than quoted prices that are observable for the asset;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds (Level 1): Valued at the quoted market value of shares held by the plan at year end.

Collective Trust Funds and Variable Annuities (Level 2): Valued at the quoted market value of the account's underlying assets from an actively traded exchange.

General Account Contract (Level 2): Insurance company contract valued at daily value of principal.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

		FAIR VALUE MEASUREMENTS USING	
	FAIR VALUE	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	QUOTED PRICES IN ACTIVE MARKETS FOR SIMILAR ASSETS (LEVEL 2)
December 31, 2025			
Mutual funds	$ 179,070	$ 179,070	$ --
Collective trust funds	2,992,058	--	2,992,058
General account contract	844,998	--	844,998
TOTAL	$ 4,016,126	$ 179,070	$ 3,837,056
December 31, 2024			
Variable annuities	$ 3,179,157	--	$ 3,179,157
General account contract	602,244	--	602,244
TOTAL	$ 3,781,401	--	$ 3,781,401

NOTE 4 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Retirement, LLC (the custodian of the Plan).

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain plan investments are mutual funds, collective trust funds and a general account contract with an insurance company managed by Empower Retirement, LLC, the plan custodian, and therefore these transactions qualify as party-in-interest transactions.

Certain administrative services are provided to the plan by Nova 401k Associates, the plan's third party administrator and Empower Retirement, LLC, the plan's custodian and services provider, and therefore qualify as party-in-interest transactions. Fees paid by the plan for administrative services were $20,020 in 2025 and $1,480 in 2024.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the sponsor has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participant accounts will become fully vested.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

A reconciliation of net assets available for benefits reported in the financial statements compared to Form 5500 is as follows:

	2025	2024
Net assets available for benefits per financial statements	$ 4,016,126	$ 3,781,401
Adjustments	--	--
NET ASSETS AVAILABLE FOR BENEFITS PER FORM 5500	$ 4,016,126	$ 3,781,401

A reconciliation of net increase of net assets available for benefits as reported in the financial statements compared to net income on Form 5500 is as follows:

	2025	2024
Net increase per financial statements	$ 234,725	$ 397,677
Adjustments:		
Corrective distribution adjustment	--	(3,823)
NET INCOME PER FORM 5500	$ 234,725	$ 393,854

NOTE 8 - TAX STATUS

The Internal Revenue Service has determined and informed the plan sponsor by a letter dated June 30, 2020, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 9 - RISKS AND UNCERTAINTIES

The plan invests in various investment securities and a general account contract. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

The plan has evaluated subsequent events through October 6, 2026, the date on which the financial statements were available to be issued, and represents that there are no subsequent events to be reported.
