Report of Independent Auditors

The Plan Administrator of
Shoe Palace 401(k) Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Shoe Palace 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, 2024, and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Shoe Palace 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025, 2024, and 2023, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Shoe Palace 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note 1 to the financial statements, the Plan merged into the JD Group North America, LLC 401(k) Plan effective December 31, 2025, and all assets were transferred to the JD Group North America, LLC 401(k) Plan on December 31, 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Shoe Palace 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the years ended December 31, 2025 and 2024, and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of Plan

The following description of the Shoe Palace 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document, as amended, for a more complete description of the Plan's provisions.

General – The Plan was a defined contribution plan covered substantially all employees of Shoe Palace Corporation (the Company) and was subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company was the Plan's sponsor and served as Plan Administrator.

The Plan was established effective September 25, 2020. The Company contracted with Empower Trust Company, LLC, and Empower Annuity Insurance Company of America (collectively, Empower), to act as the custodians, and an affiliate of Empower to process and maintain the records of participant data.

In December 2025, the Board of Directors approved the merger of the Plan into the JD Finish Line 401(k) Plan, which was restated and renamed the JD Group North America, LLC 401(k) Plan effective January 1, 2026. The Plan's net assets and related participant account information were transferred from the Plan as of December 31, 2025. Effective January 1, 2026, Shoe Palace Corporation became a participating employer in the JD Group North America, LLC 401(k) Plan.

Eligibility – Employees of the Company were eligible to participate in the Plan upon reaching age 18 and upon completing a year of service. Entry dates into the Plan were the first day of each Plan year quarter. Employees who worked less than 1,000 hours of service were not eligible to participate in the Plan.

Contributions

Participant contributions – Each year, participants were permitted to contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Participants could also elect to make Roth contributions on an after-tax basis. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund until otherwise elected by the participant. Unless otherwise elected by the participant, deferrals were automatically increased annually by 1%, up to a maximum auto-deferral of 10%.

Employer match and non-elective contributions – The Company could elect to make discretionary matching and non-elective contributions to the Plan. There were no discretionary match and non-elective contributions for the years ended December 31, 2025 and 2024.

Contributions were subject to regulatory limitations.

Participant accounts – Each participant's account was credited with the participant's contributions, Company discretionary contributions, if any, and an allocation of Plan earnings. Participant accounts were charged with an allocation of administrative expenses paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account. Participants directed the investment of their account into various investment options offered by the Plan.

Vesting – Participants were immediately vested in their contributions plus actual earnings thereon. Employer matching and nonelective contributions vested at 20% after one year of credited service and an additional 20% for each subsequent year of credited service, becoming 100% vested after five years. Participants also became fully vested upon attaining Normal Retirement Age while employed or upon termination due to death or disability.

Notes receivable from participants – Participants were permitted to borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans were issued by the Plan and secured by the balance in the participant's account. All loans were required to be repaid within a period of five years, unless the loan was used to purchase a principal residence, in which case, the loan was required to be repaid within a reasonable period of time not to exceed fifteen years. Under the terms of the Plan agreement, plan loans bore interest at the prime rate plus 1%.

As of December 31, 2024, interest rates on outstanding loans ranged from 8.50% to 9.50%, with various maturities through June 2029. There were no participant loans outstanding as of December 31, 2025.

Payment of benefits – On termination of service due to death, disability, retirement, or severance from employment, participants or beneficiaries could elect to receive a lump sum payment, installments, or partial distributions equal to the value of the participant's vested interest in his or her account. The Plan provided for automatic distributions of the participant's vested account balances that did not exceed $5,000.

Forfeitures – Forfeitures represented the nonvested portion of a participant's account that was forfeited upon termination of employment. Forfeitures could be used to pay the Plan's administrative expenses or reduce future Company discretionary contributions.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

Use of estimates – The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation – The investments are reported at fair value and contract value. The Plan's custodians, Empower Annuity Insurance Company of America certifies the contract value of the Key Guaranteed Portfolio Fund and Empower Trust Company, LLC certifies the fair value of all other investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the exit price) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Notes receivable from participants – Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2025, 2024, and 2023.

Payment of benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative expenses paid by the Plan may include notes receivable and distribution fees charged to participants' accounts and administrative Plan fees. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent events – Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The Plan has evaluated subsequent events through October 13, 2026, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 –Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the plan has the ability to access.

Level 2 –Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 –Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the technique used on December 31, 2024 and 2023. There were no investments held at December 31, 2025.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

The following table discloses the fair value hierarchy of the Plan's assets by level as of December 31, 2024 and 2023:

	Fair Value Measurements at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 4,613,242	$ -	$ -	$ 4,613,242
Total assets at fair value	$ 4,613,242	$ -	$ -	$ 4,613,242

	Fair Value Measurements at December 31, 2023			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 3,083,220	$ -	$ -	$ 3,083,220
Total assets at fair value	$ 3,083,220	$ -	$ -	$ 3,083,220

Note 4 – Guaranteed Investment Contract with Empower Annuity Insurance Company of America

The Plan invested in a fully benefit-responsive investment contract (FBRIC) with Empower Annuity Insurance Company of America (Empower Annuity). Empower Annuity maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The methodology for calculating the interest crediting rate was based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The guaranteed minimum interest rate will never be less than 0% and was reviewed on a quarterly basis for resetting. The FBRIC did not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract met the FBRIC criteria and was therefore reported at contract value. Contract value was the relevant measure for FBRICs because it represented the amount participants would have received if they had initiated permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower Annuity, represented contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants ordinarily could direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due was dependent on the issuer's ability to meet its financial obligations, which could have been affected by future economic and regulatory developments.

Certain events could have limited the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

Note 5 – Tax Status

The Plan had adopted a pre-approved plan document that received a favorable opinion letter from the Internal Revenue Service dated November 14, 2022, which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan had been amended since the date of the opinion letter, the Plan Administrator believes that the Plan was designed and operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan Administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Certified Investment Information

The following information related to investments was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity and Empower Trust Company, LLC, qualified institutions:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025, 2024 and 2023.
- Net appreciation in fair value of investments, dividends, and interest income reflected on the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2024.

Note 7 – Party in Interest Transactions

The Plan paid expenses related to the Plan's operations and investment management to various service providers. Certain Plan investments were managed by the custodians of the Plan and, therefore, transactions with these entities qualified as exempt party in interest transactions.

Empower received revenue from mutual fund service providers for services they provided to the funds. This revenue was used to offset certain amounts owed to Empower for its administrative services to the Plan. If the revenue received from such mutual fund service providers exceeded the amount due to Empower, they remitted the excess to the Plan's trust on a quarterly basis. Such amounts could be applied to pay Plan administrative expenses or allocated to the accounts of the participants.

Note 8 – Delinquent Participant Contributions

As disclosed in the accompanying supplemental schedules, certain employee deferrals in the 2021, 2022, and 2023 Plan year were not remitted to the Plan within the time frame required by the Department of Labor. The Company is in the process of determining the amount of related lost earnings to remit to participants' accounts.
