CANON MEDICAL SYSTEMS USA, INC. SELF-INSURED SHORT-TERM DISABILITY PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Canon Medical Systems USA, Inc. Self-Insured
Short-Term Disability Plan

Opinion

We have audited the accompanying financial statements of the Canon Medical Systems USA, Inc. Self-Insured Short-Term Disability Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in benefit obligations and net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Canon Medical Systems USA, Inc. Self-Insured Short-Term Disability Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

The Plan was adopted effective January 1, 1994 as a short-term disability plan to cover all eligible employees of Canon Medical Systems USA, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

A. Eligibility

All employees of the Company who work in the United States of America (except for California) and who regularly work at least 20 hours per week are eligible to participate in the Plan. Eligible employees are automatically covered by the Plan as of the first day of employment unless they reject coverage in writing.

B. Contributions

The Plan is funded by participant contributions in amounts determined by the Plan administrator annually.

In 2025, the contribution rate was 1.2% of gross wages, less Section 125 deductions, subject to an annual maximum contribution of $1,837.97. In 2024, the rate was 1.1%, subject to an annual maximum contribution of $1,684.80.

C. Payments of Benefits

Benefits commence on the first compensable day of disability, as defined in the Plan, and benefits will be paid until disability ends, up to a maximum of 52 weeks.

In 2025 and 2024, benefits were 65% to 70% of gross weekly pay, with a minimum weekly benefit of $50 and a maximum weekly benefit of $4,312.50.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

C. Benefit Obligations

Benefit obligations include the estimated cost of claims incurred prior to year-end expected to be paid subsequent to year-end.

NOTE 3 - FUNDING POLICY

The Plan is funded by participant contributions. Eligible employees make contributions through payroll deductions, which are deposited in a checking account. The Company has agreed to advance any monies required to pay current benefits. These funds will be repaid from future participant contributions.

NOTE 4 - TAX STATUS

In September 1995, the Internal Revenue Service informed the Company that, as of January 1, 1994, the Plan's trust was designed to be qualified under Section 501(c)(9) of the Internal Revenue Code. The Company believes the Plan is being operated in accordance with applicable regulations and therefore is exempt from federal income taxes and is exempt from state taxes under similar statutes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - ADMINISTRATION OF THE PLAN

The Company is the plan sponsor and administrator and absorbs most expenses of the Plan. In 2025 and 2024, the Plan paid professional fees of $14,100 and $13,650, respectively.

NOTE 6 - PLAN TERMINATION

The Company has no present intent to terminate the Plan but reserves the right to terminate the Plan or change the funding method at any time. In the event of Plan termination, all remaining assets shall be used to provide allowable welfare benefits to the Plan's participants.

NOTE 7 - CONCENTRATION OF CREDIT RISK

The Plan maintains cash on deposit at Bank of America, which is insured by the Federal Deposit Insurance Corporation ("FDIC") up to $250,000. As of December 31, 2025, the Plan's bank account balance exceeded the FDIC limit by approximately $2,550,630.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
