# INDEPENDENT AUDITORS' REPORT

**To the Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates:**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements***

We have performed an audit of the accompanying financial statements of Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion on the 2025 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section -

- the amounts and disclosures in the 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

***Opinion on the 2025 Financial Statements (Continued)***

- the information in the accompanying 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2025 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2025 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the 2025 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - 2025 Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule of Assets (Held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2024 Financial Statements***

The financial statements of Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates, an employee benefit plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 7, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO THE FINANCIAL STATEMENTS

---

## NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Simpson Thacher & Bartlett LLP (the "Firm") Cash or Deferred Plan for Senior Counsel, Counsel and Associates (the "Plan") provides only general information. Participants should refer to the amended and restated Plan document effective December 29, 2014 for a more complete description of the Plan's provisions. The Plan was amended in December 2025 to make certain amendments and clarifications to the existing Plan provisions effective January 1, 2026. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

### Summary

The Plan is a defined contribution plan which provides benefits to participants based upon amounts voluntarily contributed to a participant's account by the participant.

The Plan is sponsored by the Firm and is administered under the oversight of the Investment & Pension Committee of the Firm (the "Plan Administrator"). The assets of the Plan are held by Fidelity Management Trust Company (the "trustee" or "Fidelity") in a Master Trust, which includes the assets of the Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates, the Simpson Thacher & Bartlett LLP Profit Sharing Plan for Partners and Non-Legal Employees, the Simpson Thacher & Bartlett LLP Supplemental Profit Sharing Plan for Partners and the Simpson Thacher & Bartlett LLP Retirement Plan for Legal and Other Personnel.

### Eligibility and Vesting

Those who are employed by the Firm as an income partner, senior counsel, counsel or associate attorney, including for the purpose of becoming an associate attorney upon admission to the bar, are eligible to participate in the Plan on the first day of each month following their completion of one month of service with the Firm. Each participant's account is fully vested and non-forfeitable at all times.

## NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

### Employee Contributions

Participants may contact the trustee, either by phone or online, and provide instructions regarding the percentage to be withheld from their pay and contributed to the Plan under the following contribution types: Pre-tax 401(k), pre-tax catch-up, Roth 401(k), Roth catch-up or post-tax contributions. Participants aged 60-63 are eligible to make additional catch-up contributions. Contributions are subject to the maximum allowable limits set by the Internal Revenue Code ("IRC").

Under the Plan, the participant is not provided with any fixed benefit. Contributions are made to the trust fund and are credited to an individual account in the name of each participant. The ultimate benefit to be received by the participant depends on the aggregate amount contributed by them over the years and on the investment results allocated to the individual account. Each participant shall direct the trustee in which investment options to invest the assets in the participant's individual accounts. In the event that a participant fails to provide the trustee with investment direction, the participant's contributions are placed in a default fund as designated by the Plan Administrator.

### Payment of Benefits

A participant's interest is distributable upon termination of employment or death in one of the following optional forms: (i) one lump sum or (ii) ratable annual installments over a period not to exceed ten years or iii) in installments including: annual, semi-annual, quarterly, monthly, or semi-monthly payments. If the participant's account is less than $1,000 and the participant does not submit a distribution election form, then the participant's distribution automatically shall be made in the form of a lump sum payment.

### Plan Transfers

A participant's account balance is transferred from the Plan to the Profit Sharing Plan for Partners and Non-Legal Employees if an associate, Counsel, Senior Counsel or Income Partner has a job title change and they are paid on the Firm's Non-Legal Payroll, or if they are promoted to Equity Partner.

## NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

### Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Each loan is for a maximum term of five years, unless it is for the purchase of a principal residence, in which case the loan term may be up to 10 years. No participant may have more than two loans outstanding. Participant loans are issued at an interest rate of prime plus 1%, which remains in effect for the entire loan period. Loan repayments are made through payroll deductions. Interest paid by the participants is credited to their accounts.

### Plan Termination

While the Firm has not expressed intent to terminate the Plan, it has the right under the Plan to do so at any time, subject to the provisions set forth in the IRC and ERISA. In the event of termination of the Plan, the Plan provides that the assets in the trust shall be distributed to the participants or beneficiaries entitled thereto by payment in one lump sum equal to the balance in the participant's account, or the assets may be transferred for the benefit of the participants to any other plan qualified under Section 401(a) of the IRC, of which the participants are members.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

These financial statements are prepared under the accrual basis of accounting.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

### Payment of Benefits

Benefits are recorded when paid.

### Investments in Master Trust

The assets of the Plan are principally invested in the Master Trust, which is held by Fidelity as trustee. The Plan holds a specific interest in the Master Trust and its investment is presented at fair value, which has been determined based on the fair value of the underlying investments of the Master Trust, as described in Note 3. The Plan's participation in the Master Trust is determined by adding to its beginning investment balance all contributions, deducting all benefit payments made and recording the Plan's changes in the Master Trust's net assets related to investment activities.

The Plan's investments are stated at fair value. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation in the fair value of investments in the Master Trust consist of realized gains and losses and unrealized appreciation and depreciation on those investments.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Administrative Expenses

Substantially all administrative expenses are paid by the Firm, at its option.

The Plan's trust agreement effective provides for a participant revenue credit to be allocated to eligible participants in the plans covered by the Master Trust pro rata across current investments and sources on a quarterly basis. The revenue credit program allocates a revenue credit to participants who invest in mutual funds for which Fidelity receives revenue. The revenue credit is allocated to the participants quarterly and is reinvested in the fund that generated the credit. Any remaining revenue credit will be available to the Plan to pay fees or other expenses.

## NOTE 3 - PLAN'S INTEREST IN MASTER TRUST (UNAUDITED)

Fidelity holds the Plan's investment assets and executes transactions thereon. Financial information relating to those assets is included in the accompanying financial statements, based on information provided by the trustee, which was certified as complete and accurate. That information, which is unaudited, consists of substantially all of the Plan's assets as of December 31, 2025 and 2024 and investment income for the year ended December 31, 2025.

The Plan's investments are in the Master Trust which was established for the investment of assets of the Plan and the Firm's other sponsored retirement plans as described in Note 1. Each participating retirement plan reports its interest in the Master Trust. Investment income and administrative expenses are allocated at the underlying plan level based upon the assets invested in the plan and rolled up to the Master Trust level.

The following table presents the assets, including investments for the Master Trust at December 31, 2025 and 2024:

| | **2025** | | 2024 | |
|---|---|---|---|---|
| | **Master Trust** | **Plan's Interest** | Master Trust | Plan's Interest |

## NOTE 3 - PLAN'S INTEREST IN MASTER TRUST (UNAUDITED) (CONTINUED)

The following table presents the changes in net assets for the Master Trust for the year ended December 31, 2025:

| | |
|---|---|
| Net appreciation in fair value of investments: | |
| Mutual funds | $ 80,704,338 |
| Common/collective trusts | 65,386,332 |
| Total net appreciation in fair value of investments | 146,090,670 |
| Interest and dividends | 15,109,561 |
| Net investment gain of Master Trust | 161,200,231 |

| Increase in net assets | 149,695,580 |
| Net Assets: | |
| Beginning of year | 999,744,029 |
| End of year | $1,149,439,609 |

## NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan also utilizes a practical expedient to estimate the fair value of investments that have calculated net asset value ("NAV") per share. Accordingly, the Plan estimates the fair value of an investment using the NAV of the investment (or its equivalent) without further adjustment unless the Plan determines that the NAV is deemed to be not reflective of fair value.

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

**NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)**

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In evaluating the level at which the Plan's investments have been classified, the Plan has assessed factors including, but not limited to price transparency, the ability to redeem at NAV at the year-end and the existence or absence of certain restrictions at year-end.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

***Mutual Funds and Money Market Fund:***
Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

***Common/Collective Trusts:***
These investments are measured at NAV per share (or its equivalent) as a practical expedient.

## NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

***Stable Value Fund:***
The stable value fund is valued based on the NAV of the collective trusts' underlying investments as based on information reported by the trustee and its investment objective is to maintain a constant net asset value. There are no unfunded commitments. Generally, there are no restrictions on participants' ability to redeem their investments in the stable value fund. However, withdrawals prompted by certain events (e.g., termination of stable asset fund, changes in laws or regulations) may restrict a participant's ability to redeem the investment. The Plan Administrator does not believe that the occurrence of any such event is probable.

***Other Common/Collective Trusts:***
The other common/collective trusts, which consist of bond funds, domestic equity funds and life cycle funds, are valued at the NAV of shares held by the Plan at year end, based on quotations on a private market, which is not active. There are no unfunded commitments. Generally, there are no restrictions on participants' ability to redeem their investments in these trusts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Master Trust's asset at fair value as of December 31, 2025 and 2024, excluding investments in common collective trusts. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

| 2025 | Total | Level 1 |
|---|---|---|
| **Money market funds** | **$ -** | **$ -** |
| **Mutual funds** | **721,055,103** | **721,055,103** |
| **Total investments in the fair value hierarchy** | **721,055,103** | **721,055,103** |
| **Investments measured at net asset value (a)** | **428,384,506** | **-** |
| **Total Investments in the Fair Value Hierarchy** | **$1,149,439,609** | **$ 721,055,103** |

## NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

| 2024 | Total | Level 1 |
|---|---|---|
| Money market funds | $ 24,550,180 | $ 24,550,180 |
| Mutual funds | 512,273,766 | 512,273,766 |
| Total investments in the fair value hierarchy | 536,823,946 | 536,823,946 |
| Investments measured at net asset value (a) | 462,920,083 | - |
| Total Investments in the Fair Value Hierarchy | $ 999,744,029 | $ 536,823,946 |

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

## NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated February 21, 2017, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

## NOTE 6 - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Master Trust investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative expenses amount to $89,930 for the year ended December 31, 2025. Additionally, fees earned by the Plan through the revenue credit program and allocated to participants as noted in Note 2 amount to $98,553 for the year ended December 31, 2025.

Certain administrative functions of the Plan are performed by officers, partners or employees of the Firm. No such officers, partners or employees receive compensation from the Plan.

## NOTE 8 - RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per financial statements at December 31, 2025 and 2024 to Form 5500:

| | December 31, | |

# INDEPENDENT AUDITORS' REPORT

**To the Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates:**

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements***

We have performed an audit of the accompanying financial statements of Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion on the 2025 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section -

- the amounts and disclosures in the 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

***Opinion on the 2025 Financial Statements (Continued)***

- the information in the accompanying 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2025 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2025 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the 2025 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - 2025 Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule of Assets (Held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2024 Financial Statements***

The financial statements of Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates, an employee benefit plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 7, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO THE FINANCIAL STATEMENTS

---

## NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Simpson Thacher & Bartlett LLP (the "Firm") Cash or Deferred Plan for Senior Counsel, Counsel and Associates (the "Plan") provides only general information. Participants should refer to the amended and restated Plan document effective December 29, 2014 for a more complete description of the Plan's provisions. The Plan was amended in December 2025 to make certain amendments and clarifications to the existing Plan provisions effective January 1, 2026. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

### Summary

The Plan is a defined contribution plan which provides benefits to participants based upon amounts voluntarily contributed to a participant's account by the participant.

The Plan is sponsored by the Firm and is administered under the oversight of the Investment & Pension Committee of the Firm (the "Plan Administrator"). The assets of the Plan are held by Fidelity Management Trust Company (the "trustee" or "Fidelity") in a Master Trust, which includes the assets of the Simpson Thacher & Bartlett LLP Cash or Deferred Plan for Senior Counsel, Counsel and Associates, the Simpson Thacher & Bartlett LLP Profit Sharing Plan for Partners and Non-Legal Employees, the Simpson Thacher & Bartlett LLP Supplemental Profit Sharing Plan for Partners and the Simpson Thacher & Bartlett LLP Retirement Plan for Legal and Other Personnel.

### Eligibility and Vesting

Those who are employed by the Firm as an income partner, senior counsel, counsel or associate attorney, including for the purpose of becoming an associate attorney upon admission to the bar, are eligible to participate in the Plan on the first day of each month following their completion of one month of service with the Firm. Each participant's account is fully vested and non-forfeitable at all times.

## NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

### Employee Contributions

Participants may contact the trustee, either by phone or online, and provide instructions regarding the percentage to be withheld from their pay and contributed to the Plan under the following contribution types: Pre-tax 401(k), pre-tax catch-up, Roth 401(k), Roth catch-up or post-tax contributions. Participants aged 60-63 are eligible to make additional catch-up contributions. Contributions are subject to the maximum allowable limits set by the Internal Revenue Code ("IRC").

Under the Plan, the participant is not provided with any fixed benefit. Contributions are made to the trust fund and are credited to an individual account in the name of each participant. The ultimate benefit to be received by the participant depends on the aggregate amount contributed by them over the years and on the investment results allocated to the individual account. Each participant shall direct the trustee in which investment options to invest the assets in the participant's individual accounts. In the event that a participant fails to provide the trustee with investment direction, the participant's contributions are placed in a default fund as designated by the Plan Administrator.

### Payment of Benefits

A participant's interest is distributable upon termination of employment or death in one of the following optional forms: (i) one lump sum or (ii) ratable annual installments over a period not to exceed ten years or iii) in installments including: annual, semi-annual, quarterly, monthly, or semi-monthly payments. If the participant's account is less than $1,000 and the participant does not submit a distribution election form, then the participant's distribution automatically shall be made in the form of a lump sum payment.

### Plan Transfers

A participant's account balance is transferred from the Plan to the Profit Sharing Plan for Partners and Non-Legal Employees if an associate, Counsel, Senior Counsel or Income Partner has a job title change and they are paid on the Firm's Non-Legal Payroll, or if they are promoted to Equity Partner.

## NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

### Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Each loan is for a maximum term of five years, unless it is for the purchase of a principal residence, in which case the loan term may be up to 10 years. No participant may have more than two loans outstanding. Participant loans are issued at an interest rate of prime plus 1%, which remains in effect for the entire loan period. Loan repayments are made through payroll deductions. Interest paid by the participants is credited to their accounts.

### Plan Termination

While the Firm has not expressed intent to terminate the Plan, it has the right under the Plan to do so at any time, subject to the provisions set forth in the IRC and ERISA. In the event of termination of the Plan, the Plan provides that the assets in the trust shall be distributed to the participants or beneficiaries entitled thereto by payment in one lump sum equal to the balance in the participant's account, or the assets may be transferred for the benefit of the participants to any other plan qualified under Section 401(a) of the IRC, of which the participants are members.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

These financial statements are prepared under the accrual basis of accounting.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

### Payment of Benefits

Benefits are recorded when paid.

### Investments in Master Trust

The assets of the Plan are principally invested in the Master Trust, which is held by Fidelity as trustee. The Plan holds a specific interest in the Master Trust and its investment is presented at fair value, which has been determined based on the fair value of the underlying investments of the Master Trust, as described in Note 3. The Plan's participation in the Master Trust is determined by adding to its beginning investment balance all contributions, deducting all benefit payments made and recording the Plan's changes in the Master Trust's net assets related to investment activities.

The Plan's investments are stated at fair value. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation in the fair value of investments in the Master Trust consist of realized gains and losses and unrealized appreciation and depreciation on those investments.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Administrative Expenses

Substantially all administrative expenses are paid by the Firm, at its option.

The Plan's trust agreement effective provides for a participant revenue credit to be allocated to eligible participants in the plans covered by the Master Trust pro rata across current investments and sources on a quarterly basis. The revenue credit program allocates a revenue credit to participants who invest in mutual funds for which Fidelity receives revenue. The revenue credit is allocated to the participants quarterly and is reinvested in the fund that generated the credit. Any remaining revenue credit will be available to the Plan to pay fees or other expenses.

## NOTE 3 - PLAN'S INTEREST IN MASTER TRUST (UNAUDITED)

Fidelity holds the Plan's investment assets and executes transactions thereon. Financial information relating to those assets is included in the accompanying financial statements, based on information provided by the trustee, which was certified as complete and accurate. That information, which is unaudited, consists of substantially all of the Plan's assets as of December 31, 2025 and 2024 and investment income for the year ended December 31, 2025.

The Plan's investments are in the Master Trust which was established for the investment of assets of the Plan and the Firm's other sponsored retirement plans as described in Note 1. Each participating retirement plan reports its interest in the Master Trust. Investment income and administrative expenses are allocated at the underlying plan level based upon the assets invested in the plan and rolled up to the Master Trust level.

The following table presents the assets, including investments for the Master Trust at December 31, 2025 and 2024:

| | **2025** | | 2024 | |
|---|---|---|---|---|
| | **Master Trust** | **Plan's Interest** | Master Trust | Plan's Interest |

## NOTE 3 - PLAN'S INTEREST IN MASTER TRUST (UNAUDITED) (CONTINUED)

The following table presents the changes in net assets for the Master Trust for the year ended December 31, 2025:

| | |
|---|---|
| Net appreciation in fair value of investments: | |
| Mutual funds | $ 80,704,338 |
| Common/collective trusts | 65,386,332 |
| Total net appreciation in fair value of investments | 146,090,670 |
| Interest and dividends | 15,109,561 |
| Net investment gain of Master Trust | 161,200,231 |

| Increase in net assets | 149,695,580 |
| Net Assets: | |
| Beginning of year | 999,744,029 |
| End of year | $1,149,439,609 |

## NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan also utilizes a practical expedient to estimate the fair value of investments that have calculated net asset value ("NAV") per share. Accordingly, the Plan estimates the fair value of an investment using the NAV of the investment (or its equivalent) without further adjustment unless the Plan determines that the NAV is deemed to be not reflective of fair value.

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

**NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)**

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In evaluating the level at which the Plan's investments have been classified, the Plan has assessed factors including, but not limited to price transparency, the ability to redeem at NAV at the year-end and the existence or absence of certain restrictions at year-end.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

***Mutual Funds and Money Market Fund:***
Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

***Common/Collective Trusts:***
These investments are measured at NAV per share (or its equivalent) as a practical expedient.

## NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

***Stable Value Fund:***
The stable value fund is valued based on the NAV of the collective trusts' underlying investments as based on information reported by the trustee and its investment objective is to maintain a constant net asset value. There are no unfunded commitments. Generally, there are no restrictions on participants' ability to redeem their investments in the stable value fund. However, withdrawals prompted by certain events (e.g., termination of stable asset fund, changes in laws or regulations) may restrict a participant's ability to redeem the investment. The Plan Administrator does not believe that the occurrence of any such event is probable.

***Other Common/Collective Trusts:***
The other common/collective trusts, which consist of bond funds, domestic equity funds and life cycle funds, are valued at the NAV of shares held by the Plan at year end, based on quotations on a private market, which is not active. There are no unfunded commitments. Generally, there are no restrictions on participants' ability to redeem their investments in these trusts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Master Trust's asset at fair value as of December 31, 2025 and 2024, excluding investments in common collective trusts. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

| 2025 | Total | Level 1 |
|---|---|---|
| **Money market funds** | **$ -** | **$ -** |
| **Mutual funds** | **721,055,103** | **721,055,103** |
| **Total investments in the fair value hierarchy** | **721,055,103** | **721,055,103** |
| **Investments measured at net asset value (a)** | **428,384,506** | **-** |
| **Total Investments in the Fair Value Hierarchy** | **$1,149,439,609** | **$ 721,055,103** |

## NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

| 2024 | Total | Level 1 |
|---|---|---|
| Money market funds | $ 24,550,180 | $ 24,550,180 |
| Mutual funds | 512,273,766 | 512,273,766 |
| Total investments in the fair value hierarchy | 536,823,946 | 536,823,946 |
| Investments measured at net asset value (a) | 462,920,083 | - |
| Total Investments in the Fair Value Hierarchy | $ 999,744,029 | $ 536,823,946 |

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

## NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated February 21, 2017, that the Plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

## NOTE 6 - TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Master Trust investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative expenses amount to $89,930 for the year ended December 31, 2025. Additionally, fees earned by the Plan through the revenue credit program and allocated to participants as noted in Note 2 amount to $98,553 for the year ended December 31, 2025.

Certain administrative functions of the Plan are performed by officers, partners or employees of the Firm. No such officers, partners or employees receive compensation from the Plan.
